Are all doing business and are bound by the basic principles and rules of contract and commerce:

- No trickery or coercion or deception causing loss by deception
- No one shall be held in servitude
- Slavery and the slave trade in all its forms is prohibited
- Fraud destroys everything upon which it touches
- Misleading information in any presentation is a fraud

As the questions 8 – 19 have not been answered with proof of claim, truth and judgment has been clarified, making the claims of authority, administration and permits by the NZ Crown, MBIE, NZP&M, TCDC null and void on the grounds of their presentations are misleading with intent to coerce and deceive by obtaining ownership or possession of and control over, any property, or any privilege, service, pecuniary advantage, benefit, or valuable consideration, directly or indirectly; and has induced and caused another person to deliver over, execute, make, accept, endorse, destroy, and alter documents or thing capable of being used to derive a pecuniary advantage, therefore using a false representation, whether oral, documentary, or by conduct, where the person making the representation intends to deceive any other person or living man or woman now knows that there presentations and claims are false in materials particular on the grounds they are attempting to ignore the contents and the intent of this Affidavit of Conditional Acceptance relying on ignorance as their excuse to pervert the course of justice, and have previously been done recklessly as to whether it is false in a material particular; when these corporations now have been required to give full disclosure but have omitted to disclose the material particular with intent to deceive any person, or living man or woman, in circumstances where there is a duty to disclose it, we have now evidence of fraudulent devices, trickery, and stratagems being used with intent to deceive as follows

7. In 8-19 and the Summary that follows with evidence of claim we do not accept the Dome Field South MEP60148 and Dome Field North MEP601949 and permits and activities on the grounds that:
8. It has now been clarified that a company or corporation such as the New Zealand Crown is a fictitious entity
9. It is now clarified that a fictitious entity cannot own anything it did not create, such as minerals in these matters
10. It is now clarified that the NZ Crown has created the **Crown Minerals Act 1991** for its own pecuniary advantage and reward.
11. It is now clarified that the **Crown Minerals Act 1991** is not a valid Act in the world of commerce when the NZ Crown Corporation as a foreign fictitious entity has no constitution with a letters patent to make Acts and Statutes and enforce them at all upon these lands et al, and living men and women living upon them
12. It is now clarified that the NZ Crown has given MBIE false materials/particulars

13. It is now clarified that the NZ Crown has claimed authority and administration of lands, waters, minerals, living men and women through misinformation, coercion and deception by using false names, identities such as persons making their claim void
14. It has been clarified as true and correct that the word person is only interpreted as pursuant to **NZ Legislation Act 2019** Part 2 Section 13, person includes a corporation sole, body corporate, an unincorporated body. To include one excludes all others
15. It has been clarified the request for a date of birth required from living men and women is coercion and deception with intent to deceive and enslave to gain ownership over what a fictitious entity cannot in any way or form. Date of Birth as pursuant to the word birth, the legal interpretation in the **NZ Births, Deaths, Marriages and Relationships Act 2021**, birth includes a still birth but does not include a miscarriage
16. The fraudulent presentations of the NZ Crown, MBIE, NZP&M and TCDC have been clarified and enacted for the sole purpose to remove living men and women's abilities to administer everything upon this planet – the lands, waters, minerals, animals, birds, grubs, fishes and ourselves as of right not as of privilege, which is an action of serfdom and servitude, prohibited actions of enslavement
17. Reference case law **Corpus Juris Secundum**, Section 16, Page 892 –

FACT OF DEATH: Death of the person on whose estate administration is sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant a grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is void.

While it is true that the presumption of death arising from a person's absence, unheard from, for a considerable length of time, see "Death Section 6", may present a prima facie case sufficient to warrant a grant of administration on his estate, the arising of such presumption does not take the case out of the operation of the general rule on the subject, and if it is made to appear that the person was in fact alive at the time such administration was granted, the administration is absolutely void. Although, that payment to an administrator of an absentee who is not in fact dead is no defence against the absentee or his legal representative, not are costs and reimbursement incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid debts of the absentee, he is subrogated to the rights of the creditors whom he has paid. It has been considered, however, that the invalidity of the administration does not relate back, but that it is invalid only the time when the presumption of death is rebutted.

Dear Willem,

Regarding your email subject; This Affidavit of Conditional Acceptance, received by Council on Monday 16 December 2024 and any continuing correspondence after this date:

We acknowledge your correspondence addressed to Customer Services at Thames-Coromandel District Council; this letter is the response from Corporate Services on behalf of the Chief Executive.

For the avoidance of doubt, the assertions that have been made in your correspondence [to reject Council's statutory authority] have no basis in law and appear to be referencing the "sovereign citizen or pseudo legal" belief system which has been determined by New Zealand's Courts as meritless. If you are concerned about your rights, we recommend you seek advice from a lawyer to assist you.

The court of appeal case James v District Court at Whanganui [2023] NZCA 181 (Found at [www.justice.govt.nz - workspace SpacesStore b9d85284 1178 4d9e b9b2 0764522e57bc.pdf](http://www.justice.govt.nz-workspace-SpacesStore_b9d85284_1178_4d9e_b9b2_0764522e57bc.pdf)), says this: [10] ....arguments regarding the separation between natural and legal persons and the rejection of Acts of Parliament unless consent has been given...[11] ...are properly characterised as "sovereign citizen" type arguments. They cannot succeed.

Yours Sincerely

**Re: Mining Permits, File Number 20241216(2)**

Thank you for your email received Monday 16 December 2024

Through careful consideration and observations, we have clarified coercion and deception with intent to enslave; these are fraudulent and prohibited actions no statute can be used to enact, on the grounds the Principles and Rules of Contract shall prevail.

If no contract is required by a corporation of any description it has lawfully or fraudulently claimed ownership of the subject.

Points of concern:

1. In reference to your letter, as yours sincerely has no responsible individuals name on it we detect its intent is to coerce and deceive us, breaching your NZ Crimes Act section 240.
2. You acknowledged this communication is in relation to the Affidavit of Conditional Acceptance. To clarify for your ignorance this is a maxim of commerce you are bound by.
3. You have intentionally changed the true status in law, of the Affidavit of Conditional Acceptance to that of a letter. Action of intent to coerce and deceive to pervert the due process of law taking place. Miscarriage of justice.
4. You have breached the Principles and Rules of Equity by attempting to use misleading case law as the engine to pervert the course of justice and prevent due process of contract and commerce taking place. This is known as a fraudulent act done recklessly or intentionally – either way the claims are void on the grounds that a living man standing in his natural state is not a citizen nor crown property as a legal identity of a person, as follows in 5
5. To clarify your alleged claim of sovereign citizens, pseudo legal school of thought – in relation to a living man's claim and his status is an attempt to action misrepresentation using false identities with intent for pecuniary gain and reward.  
A citizen is a member of a body politic and the sovereign of that is the Governor General and the house of representatives.  
Your claim we believe is to deceive to enslave for your pecuniary advantage and reward, reference your NZ Crimes Act 1961 Section 240 in its entirety
6. Your claim of statutory authority is:
  - a) a breach of article 8(1)(2) of the International Covenant on Civil and Political Rights United Nations
  - b) the statute itself the Local Government Act, is void also in the world of commerce if you can not provide evidence that the Public Act 114 1986 CONSTITUTION ACT has a letters patent that the local government act is bound by to give your organisation any form of legality to operate and administer these lands and its resources in any description.
7. Due to your claim of authority which is an action of servitude:

A handwritten signature in blue ink is located in the bottom right corner of the page, to the right of the fingerprint.

8. We require that the individuals that are responsible for this claim, will put their names upon all correspondence to make it lawfully valid, as this last letter is not. Its fraudulent and prohibited content will be held against you
9. We require evidence you and your organisation have an exemption to your actions of intent to enslave, and an exemption to being sentenced to the top end of 14 years imprisonment for your actions of enslavement, reference your own NZ Crimes Act 1961 Section 98(1)(2) in their entirety
10. And evidence that the legislation you have used to empower you to enslave is not absolutely null and void on the grounds slavery in all its forms is a prohibited action
11. Please provide evidence that living man :willem: is not alive and standing in his natural state
12. Please provide evidence that a living man standing in their natural state is that of the interpretation of a legal person as described in your Legislation Act 2019 Part 2 Section 13
13. Please provide evidence that when you are in the dock in a competent court of commerce you will not be charged with perjury for giving false information using false representations, names and identities with intent to enslave using your private policies as the engine to enact prohibited fraudulent actions.

#### WARNING

Anything you put in writing, say or do and it is breaching your NZ Crimes Act Sections 28, 98(1)(2), 240 in their entirety, will cause you to be dealt with accordingly, using the full force provided by your laws. Reference NZ Crimes Act Sections 42, 48, 98

Anything not comprehended please do not hesitate to put it in writing in questions and not enter criminal liability.

We require your evidence of exemption within 48 hours of receipt.

You have until Wednesday 18 December 2024 to rebut the contents of the Affidavit of Conditional Acceptance received by you on 13 December 2024, 12.38pm, with evidence of your claim signed under penalty of perjury if you are rebutting the claim.

P.S. You have a duty to correct all identified wrongs within your corporation or if continued is intent to defraud – this will have serious implications upon yourselves and the corporation,
