## Affidavit of status and life

### Notice to principal is notice to agent, and notice to agent is notice to principal

For context, this document uses only plain simple English and counting systems. You are considered informed that all meanings in this/all communication/s are taken from the Oxford Dictionary of English, unless another definition is given, or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or syntax or any other language. All character, form, style and page layout, whether capitalised, lower case, bold, italic or underlined or any combination are what is commonly recognised by living men and women and not to be taken in any other way or meaning. If any definition or meaning is unclear to the reader the interpretations are that of the living man author of this affidavit. The position in this communication is that of a living **man** standing under God's law/lore, also known as the creator's law/lore, natural law/lore, and operating outside the jurisdiction of statutory rules or man-made legislation.

To this Affidavit of status and life, some maxims are applicable, which have been listed in Exhibit F Some relevant maxims.

## Part A - Definitions

**Presumption means:** An idea that is taken to be true on the basis of probability is a presumption which must be agreed upon by the parties to be true. Then equally one party challenges the presumption to be true on the basis of probability, and then this is all that is recognised to be required to remove the presumption as a formal challenge, abrogation, rebuttal and renouncement to that presumption. The presumption then has no standing or merit in fact.

**Probability means:** The extent to which something is probable, the likelihood of something happening or being the case. By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material fact. The state court does not operate according to any true rule of law but by presumptions of the law, therefore if presumptions presented by the private bar guild are not rebutted they become fact and therefore said to stand true.

**Government means:** Corporate company. Corporate entities masquerading as, or purporting to be local, regional, district and/or national or world 'government' entities.

**Calling means:** (noun) a vocal sound used to call/identify a living man/woman.

**Dominion means:** supreme authority; absolute ownership; in relation to the creation: the ability to do anything, except speak the law.

## Part B - Construction

- a) The words "include," "includes," and "including" are not limiting;
- b) The word "all" includes "any" and the word "any" includes "all";
- c) The words "or" is not exclusive, and
- d) Words and terms
  1. in the singular number include the plural, and in the plural, the singular; and
  2. in the masculine gender include both the feminine and neuter.

## Part C - Affidavit

This Affidavit is given to all in order to:

- i. establish, signify, proclaim, and verify the status of my living self;
- ii. to eliminate/deny any and all presumptions by any and all fictitious, corporate or private entities;
- iii. to rebut any and all alleged claimed authority and/or jurisdiction of any and all fictitious, corporate or private entities, over the deponent, those entities being without standing upon the land;

and this affidavit replaces any and all earlier affidavits of status and life

I, **Herman**, also known as **Hans**, borne of the house commonly known as **VAN VELZEN™**, and of the bloodline of the clans of my mother and father, "**Koolschijn**" and "**van Velzen**", hereby declare that:

1. God created all 'matter' including, but not limited to: the heavens, this planet, known as "Earth"; created the land, created the oceans, rivers and lakes, created the air, created all living beings and life on this planet Genesis 1:1-25;
2. I am an aspect/creation of the one true almighty God, also known as the All That Is, the Supreme Consciousness, the Collective Consciousness, Allah, Yahweh, Source, and/or God Almighty, hereafter referred to as God. Genesis 1:26-27<sup>1</sup> "¶ And God said, Let vs make man in our Image, after our likenesse: and let them haue dominion ouer the fish of the sea, and ouer the foule of the aire, and ouer the cattell, and ouer all the earth, and ouer euery creeping thing that creepeth vpon the earth. So God created man in his owne Image, in the Image of God created hee him; male and female created hee them.";
3. I hereby claim back the dominion that was granted to man, created in the image of God, and which, through deception, had drifted from my awareness;
4. As God is the giver of all life, spiritual and physical and other, and the creator of the living man and woman, and whereas the living men and women created the paper fiction known as the "Person", "Government", "Corporation", "Citizen", and other non-living transmitting entities of fictional nature, a created fictional paper entity cannot rule over its creator, the living man and woman, any more than the living man and woman can rule over God and, as such, I **Herman**, of the house of "**van Velzen**", am not, and cannot be, under the jurisdiction of any man-created fiction without my consent and I do not consent to any paper fiction having control or authority over me;
5. God is the supreme and only authority over this planet and all things such as matter comprising it, and all living beings living on it;
6. I exist in Gods creation, also known as the universe, as an integral part of creation;
7. I came to be borne on this planet, known as Earth, and also known as Terra and Gaia, and separated by umbilical cord from my mother **Johanna Cornelia Jozina** on the **twenty-sixth** day of the month **November** in the year of our Lord, **one thousand nine hundred and sixty-three**, in the city of **Zwolle**;
8. I sojourn on the land mass commonly known as Aotearoa, Tireni, [New Zealand];
9. I am over the age of consent with sound mind, body, spirit and soul; a living sentient being able to administer and manage all affairs with regards to my estate, my property and creations as one;

<sup>1</sup> All bible quotations are taken from the 1611 King James version specifically as oaths have been sworn on it.

10. I was borne to my mother **Johanna Cornelia Jozina** of the house of **Koolschijn** and my father **Reinder** of the house of **van Velzen**, both of which have or had physical standing upon the land at the time of the 'conception' of my living self;
11. I have no 'name', nor need for a 'name', however my mother **Johanna Cornelia Jozina** and father **Reinder** used to call me **Herman**;
12. On the **twenty-seventh** day of **November** in the year of our Lord, **one thousand nine hundred and sixty-three** my born day was registered to create a "geboorteakte" (birth certificate) and trust(s) and trading entity(s) were created sometime after that with the name **HERMAN VAN VELZEN®** and an associated number. The surnames created to represent me are noted in capital letters. At a later date a driver's license number was allocated and registered to represent me with a trading name identity and trust(s) associated with it;
13. as God created all of creation, and as I was created in the image (standing) of God, I, representing God in this matter, hereby claim copyright ownership of the DNA of the living **man, Herman**, of the house of **van Velzen**, and I have the right to charge compensation fees (see 'Exhibit D Compensation fee schedule - CS-HVV-631126-01') to anyone who has unlawfully used/published/stored, by any media the DNA of the living **man Herman**, of the house of **van Velzen**, without prior written authorisation via wet ink autograph of and/or from the living **man Herman**, of the house of **van Velzen**, with full disclosure of every possible effect or outcome of such use and with fully informed consent and nothing hidden, no deception employed, and which authorisation can be produced on demand;
14. I hereby claims copyright ownership of the vocal sounds, of the living **man Herman**, of the house of **van Velzen**, such as singing, speech and voiceprints. I also claim copyright ownership ownership of the visual image of the living **man Herman**, of the house of **van Velzen**;
15. 16. At common law an adult may assume any "surname" by using such name and becoming known by it, for the use of a "surname" is a convention rather than a legal necessity, and the "surname" is never formally bestowed on a "person" but acquired by the living man or woman by reputation, and, as such, **the "surname" not being a matter of law but a matter of repute**;

The "NSW<sup>2</sup> Law Reform Commission: REPORT 61 (1988) – NAMES: REGISTRATION AND CERTIFICATION OF BIRTHS AND DEATHS" at [10] states, in the most recent Australian statement of the common law principle

"The full court of the Family Court of Australia stated in *Chapman v Palmer*: 'At common law an adult may assume any surname by using such name and becoming known by it. A surname is not a matter of law but a matter of repute.'"

17. I am not the birth certificate or passport or driver's license that were issued to me as these represent legal fictions or trade names, all of which are fraudulent by nature, existing only due to Common Law copyright infringement and unlawful conversion. Proof that I am alive is included in this affidavit as Exhibit A; Deuteronomy 16:19 "thou shalt not respect persons"; 2 Samuel 14:14 "neither doeth God respect any person"; Acts 10:34 "¶ Then Peter opened his mouth, and said, Of a truth I perceive ꝑt God is no respecter of persons:"

#### Re: Presumptions of law

52. unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, renounce, rebut, disassociate and reject, in their entirety, any and all “Presumptions of Law”, these being:
- public record; public service; public oath; immunity, summons; custody; court of guardians; court of trustees; government as executor / beneficiary; agent and agency; incompetence; guilt;
- 52.1. the **presumption of public record** is that any matter brought before a state court is a matter for the public record when in fact it is presumed by the members of the “Private Bar Guild” that the matter is a “Private Bar Guild” business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the public record the matter remains a private bar guild matter completely under private bar Guild rules.
- I formally challenge, rebuke, reject, rebut and renounce the presumption of public record as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand all “matters” to be on and for the “Public Record”;

52.2. the **presumption of public service** is that all the members of the "Private Bar Guild" who have all sworn a solemn secret absolute oath to the Guild then claim to act as public agents of the government or public officials by making additional oaths of public office that openly and deliberately contradict the private superior oaths to their own Guild. Unless openly rebuked and rejected the claim stands that these private bar Guild members are legitimate public servants and therefore trustees under public oath;

I formally challenge, rebuke, reject, rebut and renounce the presumption of public service as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.3. the **presumption of public oath** is that all members of the "Private Bar Guild" acting in the capacity of public officials who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly impartially and fairly as dictated by their oath. Unless openly challenged and demanded the presumption stands that the "Private Bar Guild" members have functioned under their public oath in contradiction to the Guild oath. If challenged such individuals must recuse themselves as having a conflict of interest and cannot possibly stand under a public oath;

I formally challenge, rebuke, reject, rebut and renounce the presumption of public oath as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand that any and all members of the "Private Bar Guild", who have all sworn a solemn secret absolute oath to their "Guild", who claim to act in any "matter" as a public agent of the "Government", or "public official", do publicly rebut, rebuke and reject their oath to the "Private Bar Guild", and take a public oath to God Almighty before acting as "trustee" in this matter;

52.4. the **presumption of immunity** is that any and all members of the "Private Bar Guild" in the capacity of public officials, acting as judges, prosecutors, registrars, clerks of courts and magistrates who have sworn a solemn public oath in good faith, are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded the presumption stands that the members of the "Private Bar Guild" as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions;

I formally challenge, rebuke, reject, rebut and renounce the presumption of immunity as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand that, irrespective of whether they publicly rebut, rebuke and reject their oath to the "Private Bar Guild" and publicly restate that oath to God Almighty, they are liable to personal claims of injury, liability and remedy;

52.5. the **presumption of summons** is that by custom a summons unrebutted stands and therefore one who attends court is presumed to accept a position, defendant, Jura, witness and jurisdiction of the court. Attendance to court is usually invitation by summons. Unless the summons is rejected and returned with a copy of the rejection filed prior to choosing to visit or attend, jurisdiction and position as the accused and the existence of guilt stands;

I am not a dead entity that is to be "summonsed" to life via magic or spells;

I formally challenge, abrogate, rebut and renounce the presumption of summons as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.6. the **presumption of custody** is that by custom a summons or a warrant for arrest unrebutted stands and therefore, one who attends court is presumed to be a thing and therefore liable to be detained in custody by custodians. Custodians may only lawfully hold custody of property and things, not flesh and blood, soul possessing beings. Unless this presumption is openly challenged by rejection

of summons and or a court, the presumption stands you are thing and property and therefore lawfully able to be kept in custody by custodians;

I rebut any and all "warrants" that may have been served, and if any were claimed to have been served, or are forthcoming, they are rebutted, rebuked and rejected as I am not a dead legal fiction, non-"human" "PERSON", nor a "thing", nor a property, and must not and can not be detained, nor kept in custody by "Custodians";

I formally challenge, abrogate, rebut and renounce the presumption of custody as it is by definition a presumption and has no standing or merit in presentable or material fact;

- 52.7. the **presumption of court of guardians** is the presumption that as you may be listed as a resident of a ward of a local government area and have listed on your passport the letter P. You are a pauper, lunatic and disabled and therefore under the guardian powers of the government and its agents as a court of guardians. Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter/trust before the court the presumption stands and you are by default a pauper, lunatic and disabled; and therefore must obey the rules of the court of guardians, clerk of Magistrates Court;

unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by me in wet ink, and can be produced on demand, I rebut, rebuke and reject any and the Presumption of the Court of Guardians;

unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, may be listed as a "resident" of a ward of a local government area and have listed on any "passport" the letter P;

I rebut, rebuke and reject that I am a pauper and therefore under the "Guardian" powers of the "government" and/or its agents as a "Court of Guardians" and I am not obliged nor compelled to obey any rules of the "Clerk of Guardians" (clerk of "courts") of any and all "courts" wherever located;

I rebut, rebuke and reject that I am a lunatic and therefore under the "Guardian" powers of the "government" and/or its agents as a "Court of Guardians" and I am not obliged nor compelled to obey any rules of the "Clerk of Guardians" (clerk of "courts") of any and all "courts" wherever located;

- 52.8. the **presumption of court of trustees** is that members of the "Private Bar Guild" presume you accept the office of trustee as a public servant and government employee just by attending a Roman court. As such courts are always for public trustees by the rules of the Guild and the Roman system. Unless this presumption is openly challenged to state you are merely visiting by invitation to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction simply because you appeared;

I am not a government employee or "public trustee" in any instance;

I formally challenge, abrogate, rebut and renounce the presumption of court of trustees as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.9. The **presumption of government acting in two roles as executor and beneficiary** is that for the matter at hand the "Private Bar Guild" appoints the judge and magistrate in the capacity of executor while the prosecutor acts in the capacity of a beneficiary of the trust for the current matter. If the accused seeks to assert their right as executor and beneficiary over the body, mind and soul, they, the accused, are acting as an executor de son tort or false executor challenging the rightful judge as executor. Therefore the judge/magistrate/registrar assumes the role of true executor and has the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to demonstrate you are both a true general guardian and general executor of the matter/trust before the court, questioning and challenging whether the judge or magistrate is seeking to act as executor de son tort, the presumption stands. Then you are by default the trustee, therefore must obey the rules of the executor judge/magistrate/registrar or you are an executor de son tort and a judge/magistrate/registrar of the "Private Bar Guild" may seek the assistance of bailiffs or sheriff's to assert the false claim against you;

I rebut, rebuke and reject that the "Private Bar Guild" has appointed the judge/magistrate/registrar in the capacity of executor, with the prosecutor acting in the capacity of beneficiary of the trust for any and all matters as I believe I am both the general guardian and general executor of "Herman van Velzen", et alia, in any and all matters before any and all "courts";

I am not the trustee, therefore the court has a fiduciary responsibility to the trust and must obey the rules, instructions, and decisions of the executor that I believe to be Herman, of the house of van Velzen;

I rebut, rebuke and reject any and all "Presumptions of Executor De Son Tort", and I assert my right as executor and beneficiary over the flesh and blood body, over the mind and over the 'soul' and I challenge and question the court which is proposing to act and/or acting as an 'Executor De Son Tort'/a "false executor" and challenging me whom I believe is the "rightful" judge, as executor;

I formally challenge, abrogate, rebut and renounce the presumption of government acting in two roles as executor and beneficiary as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.10. the **presumption of agents and agencies** is the presumption that under contract law you have expressed and granted authority to the judge and magistrate through the statement of such words as recognised, understand or comprehend and therefore agree to be bound to a contract. Therefore unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognise you" to remove all implied or expressed appointment of the judge prosecutor or clerk as agents, the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate;

I formally challenge, abrogate, rebut and renounce the presumption of agents and agencies as it is by definition a presumption and has no standing or merit in presentable or material fact and I deny any right and authority from any judge, registrar, prosecutor, clerk of court to assume the role of "true" executor and have no right to seek the assistance of police, bailiffs or sheriffs to assert their false claims;

52.11. the **presumption of incompetence** is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly. Therefore the judge/magistrate as executor has the right to have you arrested, detained, fined, or forced into a psychiatric evaluation.

Unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands by the time of pleading, that you are incompetent. And then the judge/magistrate/registrar can do what he/she need to keep you obedient.

I am of sound mind, literate, articulate and, as principal and executive beneficiary, am competent to present Herman, of the house of van Velzen, and argue properly, therefore, the judge/magistrate/registrar, acting unlawfully as "Executor De Son Tort", has no right to have Herman, of the house of van Velzen, arrested, detained, fined or forced into a psychiatric evaluation, and object to any contrary presumptions;

I formally challenge, abrogate, rebut and renounce the presumption of incompetence as it is by definition a presumption and has no standing or merit in presentable or material fact;

- 52.12. the **presumption of guilt** is the presumption that, as it is presumed to be a private business meeting of the "Private Bar Guild", you are guilty whether you plead guilty, do not plead, or plead not guilty, therefore unless you either have previously prepared an affidavit of truth and motion to dismiss with extreme prejudice onto the public record or call a demur, then the presumption is you are guilty and the "Private Bar Guild" can hold you until a bond is prepared, to guarantee the amount the "Private Bar Guild" wants to profit from you;

I rebut, rebuke and reject any and all presumptions that any and all "matters" before any and all "courts" wherever are private business meetings of the "Private Bar Guild", and rebut reject and rebuke any and all presumptions of Guilt;

I formally challenge, abrogate, rebut and renounce the presumption of guilt as it is by definition a presumption and has no standing or merit in presentable or material fact;

53. I, entitlement holder in due course to all previous equity estates/trusts, also claim divine inheritance and hereditaments both corporeal and incorporeal, without recourse;
54. I do not recognise and cannot be held in contempt of any law that cannot show a named victim, either man or woman, nor can I be held liable in contempt of any law that cannot show any property, belonging to any said man or woman that has been stolen or damaged. Where no individual victim claiming trespass and no property stolen or damage can be found, there can be no defendant nor prosecutor logically taken into consideration;
55. I declare that I am a living breathing man going about his every day life with the following rights included in 'Exhibit E Unalienable rights' being right to: freedom; equality and dignity; equal treatment independent of whatever way of discrimination; life; live in peace; security; freedom of any form of torture or degrading treatment or punishment; be treated fairly; be considered innocent until proven guilty; privacy; freedom to sojourn; to marry and have family; to own things; freedom of thought; freedom of opinion and expression; right to assemble; right to work; right to social security and social service; right to rest; right to participate in art and culture; right to freedom of movement/travel around the world

at same time respecting the rights and freedoms of others. These rights can not be taken away. I have the right to charge compensation fees (see 'Exhibit D Compensation fee schedule - CS-HVV-631126-01') to anyone who has unlawfully hindered, threatened, damaged, harmed, drugged, discriminated, harmed, deceived, enslaved, robbed, detained, assaulted, abducted or arrested me, and/or those in my care and/or those near me;

56. I respect all forms of life and support the lawful right to, and of, the sovereignty, self-determination, and free will of all living beings in creation, specifically on the planet known as "Earth", in alignment with, and only with, the authority of God;
57. It is my intent to travel, with the ability to show affidavit testimony as proof of my rightful lawful claim. It is my intent to claim back ownership of my own life and rights and my own property and estate as a living breathing man, able to manage my own affairs, and self determine, and administer my own estate;
58. I am neither a thing, nor discounted entity, nor legally defined person, nor human-being, nor individual, nor resident, or withholding agent, as these terms are defined under statute to which I never consented. As such, I am henceforth to be recognised as a living breathing soul, sojourn on the land and soil jurisdiction and land mass commonly known as Earth;
59. unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, hereby declare any and all contracts made without the living being's knowing and active present consent to be "null and void ad infinitum";
60. I state that my unique agreement with God is final, and supersedes every other agreement, authority, convention, statute, regulation or rule that is either "Earth-based" or off-world-based, especially if it seeks to enslave my 'soul' and/or being, or limit my freedom in any way, unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by me in wet ink, and can be produced on demand;
61. Any being/consciousness/"person"/being/corporation/"government"/religious organisation/entity/machine, from this and/or any other domain of "Earth"/Gaia/Terra, any dimension, any universe, any perceived "other" level of existence, that wishes to have a contract with me in whatever way shape or form, must do so face to face and do so in complete transparency, with every single piece of that contract/consent explained in full detail, with absolutely no missing information or obligations left unstated or unexplained, and must be written out in full, in a language I am fluent in, with my fully conscious approval, and to be agreed to must be autographed in wet ink by me, of my own free will, with my private mark, with my fingerprint and/or the blood of my living body or any of my own liquid essence that contains my own natural DNA;
62. I claim, for as long as I am in/on the Earth, full diplomatic immunity with all so-called "countries" on the planet known as "Earth";
63. I respect and support that if a living being commits an unlawful act against another living being, that offending living being has a lawful right to trial by a jury of twelve independent and just living beings, provided none of those living beings are employees, shareholders or agents of any of the aforementioned and previously rebutted organisations/corporations named in this 'Affidavit of status and life', or any of their trading names, and provided that none of those living beings has a interest in the matter, and provided said trial is in alignment with, and only with, the authority of God, and I deny any claimed authority of any "court" that fails to meet these standards, nor any "court" administered by and/or under the administration of members of any "Private Bar Guild" or any other such (secret) society;
64. All facts are created with my first-hand knowledge declared in this Affidavit of status and life;

## Part E - Statement of truth and statement of fact

Standing with God’s law, all rights reserved

I, **Herman**, of the house of **van Velzen**, and of the bloodline of the families of my mother and father **Koolschijn** and **van Velzen**, affiant, make this statement of truth and facts with full liability and I declare:

1. I believe that I have been tricked into a lifetime contract, acting as a dead legal fiction (a person) whereupon I was stripped of all of my rights and made property of the state. This is a fact!;
2. Slavery has been abolished, so this means that there’s a liability for enactment of slavery;
3. I was not given full disclosure on the lifetime contract that I was signed up for because my mother and father were never given full disclosure of the reality of what is entailed in the Birth Registration process in the first place. I was made a slave to the legal system where I was obligated and compelled to follow rules, regulations, acts, statutes and policy (all legal legislation) which all require the consent from living men/women and these legal legislations are NOT law. Simply colours of law that require consent. So if I do not consent and instead establish my standing as a living **man** under God’s law, which I am so doing via this affidavit of status and statement of truth, any legal legislation does not apply to me as a living **man**;
4. Legal legislation is based on contract law, admiralty & maritime law. If you unwittingly consent to a contract but you were not given full disclosure and did not sign the contract in wet ink, the contract becomes unlawful and null & void [UK Fraud Act 2006, sections 2 & 3]. So, indeed, this is an enactment of slavery and fraud, which means committing crimes under the law, the only true law that has ever existed, the law of God, the God that led his people out of slavery (Exodus 20:2)
5. Therefore, all contracts I have unknowingly consented to by acting as the artificially created person or entity **HERMAN VAN VELZEN®** et al, become null and void from its beginning (-AB-INITIO-);
6. I attach my compensation charge schedule (Exhibit D Compensation fee schedule - CS-HVV-631126-01) and copyright/copy write notice (Exhibit K Copyright trademark contract HVV-19631126-CRC-002) for breach of my rights as a living breathing **man** and for breach and unauthorised use of any of my copyrighted trade names being “**HERMAN VAN VELZEN®**”; “**H van Velzen**”; “**van Velzen, H**”; “**van Velzen, Herman**”; “**Velzen, H van**”; “**Velzen, Herman van**”, “**Hans van Velzen**” et alia, any name written in such upper case, “CAPITAL-LETTERED” or lower case variation of such, in any way, including but not limited to punctuation, initials, prefixes, suffixes, titles, appendages, and the like;
7. All facts are created with my first-hand knowledge declared in this Affidavit of status and life;

Whereas diverse Lords of Mannours and others have granted Estates by Lease for one or more life or lives, or else for yeares determinable upon one or more life or lives And it hath often happened that such person or persons for whose life or lives such Estates have beene granted have gone beyond the Seas or soe absented themselves for many yeares that the Lessors and Reversioners cannot finde out whether such person or persons be alive or dead by reason whereof such Lessors and Reversioners have beene held out of possession of their Tenements for many yeares after all the lives upon which such Estates depend are dead in regard that the Lessors and Reversioners when they have brought Actions for the recovery of their Tenements have beene putt upon it to prove the death of their Tennants when it is almost impossible for them to discover the same, For remedy of which mischeife soe frequently happening to such Lessors or Reversioners.

## Exhibit C Corpus Juris Secundum

**Below lies proof that crown administration of a living man's affairs is null and void**

Section 16, page 892

Fact of death: death of a person on whose estate administration sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is void.

While it is true that the assumption of death arising from a person's absence, unheard from, for a considerable length of time (see Death section 6) may present a prima facie case sufficient to grant of administration of his estate, the arising of such presumption does not take the case out of the operation of the general rule of the subject, and if it is made to appear that in fact that person was alive at the time such administration was granted, the administration is absolutely void.

Although, that payment to an administrator of an absentee who is not in fact dead is no defence against the absentee or his legal representative, nor are costs and disbursements incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid the debts of the absentee, he is subrogated to the rights of the creditors who he has paid. It has been considered, however the invalidity of the administration does not relate back, but that it is valid from the time when the presumption of death is rebutted.

**Prima facie** means: evidence provided to establish facts

**Corpus Juris secundum (CJS)** means: an international legal encyclopedia that offers general overviews of all areas of state and federal law alphabetically by topic.

*"From the earliest times the law has enforced rights and enacted liabilities by utilizing a corporate concept – by recognizing, that is, juristic-persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation. ----- Attribution of legal rights and duties to a juristic-person other than man is necessarily a metaphorical process and none the worse for it. No doubt, "Metaphors in law are to be narrowly watched." Cardozo, J., in Berkey v. Third Avenue R. Co., 244 N.Y. 84.94 "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason. "See U.S. v. SCOPHONY CORP. Also the state of being bound and obligated in law for doing, paying a debt, fulfilling an obligation, rendering committed specific performance, and the like. [See Mayfield v. Whenever the consent by Secured-Party is required under this Security-Agreement, the granting of such consent by Secured-Party in any instance may not be construed as constituting continuing consent for subsequent instances where such consent is required, and in all cases such consent may be granted and withheld in the sole discretion of Secured-Party.

## Affidavit of status and life

### Notice to principal is notice to agent, and notice to agent is notice to principal

For context, this document uses only plain simple English and counting systems. You are considered informed that all meanings in this/all communication/s are taken from the Oxford Dictionary of English, unless another definition is given, or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or syntax or any other language. All character, form, style and page layout, whether capitalised, lower case, bold, italic or underlined or any combination are what is commonly recognised by living men and women and not to be taken in any other way or meaning. If any definition or meaning is unclear to the reader the interpretations are that of the living man author of this affidavit. The position in this communication is that of a living **man** standing under God's law/lore, also known as the creator's law/lore, natural law/lore, and operating outside the jurisdiction of statutory rules or man-made legislation.

To this Affidavit of status and life, some maxims are applicable, which have been listed in Exhibit F Some relevant maxims.

## Part A - Definitions

**Presumption means:** An idea that is taken to be true on the basis of probability is a presumption which must be agreed upon by the parties to be true. Then equally one party challenges the presumption to be true on the basis of probability, and then this is all that is recognised to be required to remove the presumption as a formal challenge, abrogation, rebuttal and renouncement to that presumption. The presumption then has no standing or merit in fact.

**Probability means:** The extent to which something is probable, the likelihood of something happening or being the case. By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material fact. The state court does not operate according to any true rule of law but by presumptions of the law, therefore if presumptions presented by the private bar guild are not rebutted they become fact and therefore said to stand true.

**Government means:** Corporate company. Corporate entities masquerading as, or purporting to be local, regional, district and/or national or world 'government' entities.

**Calling means:** (noun) a vocal sound used to call/identify a living man/woman.

**Dominion means:** supreme authority; absolute ownership; in relation to the creation: the ability to do anything, except speak the law.

## Part B - Construction

- a) The words "include," "includes," and "including" are not limiting;
- b) The word "all" includes "any" and the word "any" includes "all";
- c) The words "or" is not exclusive, and
- d) Words and terms

## Part C - Affidavit

This Affidavit is given to all in order to:

- i. establish, signify, proclaim, and verify the status of my living self;
- ii. to eliminate/deny any and all presumptions by any and all fictitious, corporate or private entities;
- iii. to rebut any and all alleged claimed authority and/or jurisdiction of any and all fictitious, corporate or private entities, over the deponent, those entities being without standing upon the land;

and this affidavit replaces any and all earlier affidavits of status and life

I, **Herman**, also known as **Hans**, borne of the house commonly known as **VAN VELZEN™**, and of the bloodline of the clans of my mother and father, "**Koolschijn**" and "**van Velzen**", hereby declare that:

1. God created all 'matter' including, but not limited to: the heavens, this planet, known as "Earth"; created the land, created the oceans, rivers and lakes, created the air, created all living beings and life on this planet Genesis 1:1-25;
2. I am an aspect/creation of the one true almighty God, also known as the All That Is, the Supreme Consciousness, the Collective Consciousness, Allah, Yahweh, Source, and/or God Almighty, hereafter referred to as God. Genesis 1:26-27<sup>1</sup> "¶ And God said, Let vs make man in our Image, after our likenesse: and let them haue dominion ouer the fish of the sea, and ouer the foule of the aire, and ouer the cattell, and ouer all the earth, and ouer euery creeping thing that creepeth vpon the earth. So God created man in his owne Image, in the Image of God created hee him; male and female created hee them.";
3. I hereby claim back the dominion that was granted to man, created in the image of God, and which, through deception, had drifted from my awareness;
4. As God is the giver of all life, spiritual and physical and other, and the creator of the living man and woman, and whereas the living men and women created the paper fiction known as the "Person", "Government", "Corporation", "Citizen", and other non-living transmitting entities of fictional nature, a created fictional paper entity cannot rule over its creator, the living man and woman, any more than the living man and woman can rule over God and, as such, I **Herman**, of the house of "**van Velzen**", am not, and cannot be, under the jurisdiction of any man-created fiction without my consent and I do not consent to any paper fiction having control or authority over me;
5. God is the supreme and only authority over this planet and all things such as matter comprising it, and all living beings living on it;
6. I exist in Gods creation, also known as the universe, as an integral part of creation;
7. I came to be borne on this planet, known as Earth, and also known as Terra and Gaia, and separated by umbilical cord from my mother **Johanna Cornelia Jozina** on the **twenty-sixth** day of the month **November** in the year of our Lord, **one thousand nine hundred and sixty-three**, in the city of **Zwolle**;
8. I sojourn on the land mass commonly known as Aotearoa, Tireni, [New Zealand];
9. I am over the age of consent with sound mind, body, spirit and soul; a living sentient being able to administer and manage all affairs with regards to my estate, my property and creations as one;

<sup>1</sup> All bible quotations are taken from the 1611 King James version specifically as oaths have been sworn on it.

10. I was borne to my mother **Johanna Cornelia Jozina** of the house of **Koolschijn** and my father **Reinder** of the house of **van Velzen**, both of which have or had physical standing upon the land at the time of the 'conception' of my living self;
11. I have no 'name', nor need for a 'name', however my mother **Johanna Cornelia Jozina** and father **Reinder** used to call me **Herman**;
12. On the **twenty-seventh** day of **November** in the year of our Lord, **one thousand nine hundred and sixty-three** my born day was registered to create a "geboorteakte" (birth certificate) and trust(s) and trading entity(s) were created sometime after that with the name **HERMAN VAN VELZEN®** and an associated number. The surnames created to represent me are noted in capital letters. At a later date a driver's license number was allocated and registered to represent me with a trading name identity and trust(s) associated with it;
13. as God created all of creation, and as I was created in the image (standing) of God, I, representing God in this matter, hereby claim copyright ownership of the DNA of the living **man, Herman**, of the house of **van Velzen**, and I have the right to charge compensation fees (see 'Exhibit D Compensation fee schedule - CS-HVV-631126-01') to anyone who has unlawfully used/published/stored, by any media the DNA of the living **man Herman**, of the house of **van Velzen**, without prior written authorisation via wet ink autograph of and/or from the living **man Herman**, of the house of **van Velzen**, with full disclosure of every possible effect or outcome of such use and with fully informed consent and nothing hidden, no deception employed, and which authorisation can be produced on demand;
14. I hereby claims copyright ownership of the vocal sounds, of the living **man Herman**, of the house of **van Velzen**, such as singing, speech and voiceprints. I also claim copyright ownership ownership of the visual image of the living **man Herman**, of the house of **van Velzen**;
15. I have the right to charge compensation fees (see 'Exhibit D Compensation fee schedule - CS-HVV-631126-01') to anyone who has unlawfully used/published/stored, by any media the vocal sounds or the image of the living **man Herman**, of the house of **van Velzen**, without prior written authorisation via wet ink autograph of and/or from the living **man Herman**, of the house of **van Velzen**;
16. At common law an adult may assume any "surname" by using such name and becoming known by it, for the use of a "surname" is a convention rather than a legal necessity, and the "surname" is never formally bestowed on a "person" but acquired by the living man or woman by reputation, and, as such, **the "surname" not being a matter of law but a matter of repute;**

The "NSW<sup>2</sup> Law Reform Commission: REPORT 61 (1988) – NAMES: REGISTRATION AND CERTIFICATION OF BIRTHS AND DEATHS" at [10] states, in the most recent Australian statement of the common law principle

"The full court of the Family Court of Australia stated in *Chapman v Palmer*: 'At common law an adult may assume any surname by using such name and becoming known by it. A surname is not a matter of law but a matter of repute.'"

17. I am not the birth certificate or passport or driver's license that were issued to me as these represent legal fictions or trade names, all of which are fraudulent by nature, existing only due to Common Law copyright infringement and unlawful conversion. Proof that I am alive is included in this affidavit as Exhibit A; Deuteronomy 16:19 "thou shalt not respect persons"; 2 Samuel 14:14 "neither doeth God respect any person"; Acts 10:34 "¶ Then Peter opened his mouth, and said, Of a truth I perceive ꝑt God is no respecter of persons:"

As is shown in the security agreement Security agreement HVV-19631126-SA-002, I declare that I am the secured creditor of each of these tradenames, but not surety to them as debtor. If I discover there is any property and assets or credits under the trusts or bonds or bank accounts or investment funds associated with these trade names, I have the lawful right of claim to seize these assets as I now own them, and once the person or entity who is holding them is notified in writing of change of ownership by me, they have ten (10) working days to pay out in full. I also have the ability to act as the liquidator of any assets if a parent company chooses to place my tradenames entities and assets in those entities in paragraph 24 into liquidation, and if the parent company does not inform me in writing that they have placed any of my tradename entity(s) or assets into liquidation I am able to claim all costs plus full value of the asset from the parent company by providing an invoice with claim to all the value, where the parent company or the agent acting on behalf of the company has ten (10) working days to pay out in full and in the event of non-payment the parent company or acting agent of that company is in default and I have the legal right to seize property of the acting agent or parent company that is in default. If the acting agent or parent company refuses to inform me the value of the asset, then I have the right to claim the higher amount of twenty billion New-Zealand Dollars (\$20,000,000,000.00) off the parent company and seize assets up to that value in the currency of my choosing.
26. I am not in any way or definition the legal “person” or “natural person” “Herman van Velzen<sup>®</sup>” nor “H van Velzen” nor “van Velzen, H” nor “van Velzen, Herman” nor “Velzen, H van” nor “Hans van Velzen” nor “Velzen, Herman van” et alia, nor any such upper case, “CAPITAL-LETTERED” nor lower case variation of such, in any way, including but not limited to punctuation, initials, prefixes, infixes, suffixes, titles, appendages, and the like;

**Re: Presumptions of law**

52. unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, renounce, rebut, disassociate and reject, in their entirety, any and all “Presumptions of Law”, these being:
- public record; public service; public oath; immunity, summons; custody; court of guardians; court of trustees; government as executor / beneficiary; agent and agency; incompetence; guilt;
- 52.1. the **presumption of public record** is that any matter brought before a state court is a matter for the public record when in fact it is presumed by the members of the “Private Bar Guild” that the matter is a “Private Bar Guild” business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the public record the matter remains a private bar guild matter completely under private bar Guild rules.
- I formally challenge, rebuke, reject, rebut and renounce the presumption of public record as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand all “matters” to be on and for the “Public Record”;

52.2. the **presumption of public service** is that all the members of the "Private Bar Guild" who have all sworn a solemn secret absolute oath to the Guild then claim to act as public agents of the government or public officials by making additional oaths of public office that openly and deliberately contradict the private superior oaths to their own Guild. Unless openly rebuked and rejected the claim stands that these private bar Guild members are legitimate public servants and therefore trustees under public oath;

I formally challenge, rebuke, reject, rebut and renounce the presumption of public service as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.3. the **presumption of public oath** is that all members of the "Private Bar Guild" acting in the capacity of public officials who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly impartially and fairly as dictated by their oath. Unless openly challenged and demanded the presumption stands that the "Private Bar Guild" members have functioned under their public oath in contradiction to the Guild oath. If challenged such individuals must recuse themselves as having a conflict of interest and cannot possibly stand under a public oath;

I formally challenge, rebuke, reject, rebut and renounce the presumption of public oath as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand that any and all members of the "Private Bar Guild", who have all sworn a solemn secret absolute oath to their "Guild", who claim to act in any "matter" as a public agent of the "Government", or "public official", do publicly rebut, rebuke and reject their oath to the "Private Bar Guild", and take a public oath to God Almighty before acting as "trustee" in this matter;

52.4. the **presumption of immunity** is that any and all members of the "Private Bar Guild" in the capacity of public officials, acting as judges, prosecutors, registrars, clerks of courts and magistrates who have sworn a solemn public oath in good faith, are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded the presumption stands that the members of the "Private Bar Guild" as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions;

I formally challenge, rebuke, reject, rebut and renounce the presumption of immunity as it is by definition a presumption and has no standing or merit in presentable or material fact and I demand that, irrespective of whether they publicly rebut, rebuke and reject their oath to the "Private Bar Guild" and publicly restate that oath to God Almighty, they are liable to personal claims of injury, liability and remedy;

52.5. the **presumption of summons** is that by custom a summons unrebutted stands and therefore one who attends court is presumed to accept a position, defendant, Jura, witness and jurisdiction of the court. Attendance to court is usually invitation by summons. Unless the summons is rejected and returned with a copy of the rejection filed prior to choosing to visit or attend, jurisdiction and position as the accused and the existence of guilt stands;

I am not a dead entity that is to be "summonsed" to life via magic or spells;

I formally challenge, abrogate, rebut and renounce the presumption of summons as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.6. the **presumption of custody** is that by custom a summons or a warrant for arrest unrebutted stands and therefore, one who attends court is presumed to be a thing and therefore liable to be detained in custody by custodians. Custodians may only lawfully hold custody of property and things, not flesh and blood, soul possessing beings. Unless this presumption is openly challenged by rejection

of summons and or a court, the presumption stands you are thing and property and therefore lawfully able to be kept in custody by custodians;

I rebut any and all "warrants" that may have been served, and if any were claimed to have been served, or are forthcoming, they are rebutted, rebuked and rejected as I am not a dead legal fiction, non-"human" "PERSON", nor a "thing", nor a property, and must not and can not be detained, nor kept in custody by "Custodians";

I formally challenge, abrogate, rebut and renounce the presumption of custody as it is by definition a presumption and has no standing or merit in presentable or material fact;

- 52.7. the **presumption of court of guardians** is the presumption that as you may be listed as a resident of a ward of a local government area and have listed on your passport the letter P. You are a pauper, lunatic and disabled and therefore under the guardian powers of the government and its agents as a court of guardians. Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter/trust before the court the presumption stands and you are by default a pauper, lunatic and disabled; and therefore must obey the rules of the court of guardians, clerk of Magistrates Court;

unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by me in wet ink, and can be produced on demand, I rebut, rebuke and reject any and the Presumption of the Court of Guardians;

unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, may be listed as a "resident" of a ward of a local government area and have listed on any "passport" the letter P;

I rebut, rebuke and reject that I am a pauper and therefore under the "Guardian" powers of the "government" and/or its agents as a "Court of Guardians" and I am not obliged nor compelled to obey any rules of the "Clerk of Guardians" (clerk of "courts") of any and all "courts" wherever located;

I rebut, rebuke and reject that I am a lunatic and therefore under the "Guardian" powers of the "government" and/or its agents as a "Court of Guardians" and I am not obliged nor compelled to obey any rules of the "Clerk of Guardians" (clerk of "courts") of any and all "courts" wherever located;

- 52.8. the **presumption of court of trustees** is that members of the "Private Bar Guild" presume you accept the office of trustee as a public servant and government employee just by attending a Roman court. As such courts are always for public trustees by the rules of the Guild and the Roman system. Unless this presumption is openly challenged to state you are merely visiting by invitation to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction simply because you appeared;

I am not a government employee or "public trustee" in any instance;

I formally challenge, abrogate, rebut and renounce the presumption of court of trustees as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.9. The **presumption of government acting in two roles as executor and beneficiary** is that for the matter at hand the "Private Bar Guild" appoints the judge and magistrate in the capacity of executor while the prosecutor acts in the capacity of a beneficiary of the trust for the current matter. If the accused seeks to assert their right as executor and beneficiary over the body, mind and soul, they, the accused, are acting as an executor de son tort or false executor challenging the rightful judge as executor. Therefore the judge/magistrate/registrar assumes the role of true executor and has the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to demonstrate you are both a true general guardian and general executor of the matter/trust before the court, questioning and challenging whether the judge or magistrate is seeking to act as executor de son tort, the presumption stands. Then you are by default the trustee, therefore must obey the rules of the executor judge/magistrate/registrar or you are an executor de son tort and a judge/magistrate/registrar of the "Private Bar Guild" may seek the assistance of bailiffs or sheriff's to assert the false claim against you;

I rebut, rebuke and reject that the "Private Bar Guild" has appointed the judge/magistrate/registrar in the capacity of executor, with the prosecutor acting in the capacity of beneficiary of the trust for any and all matters as I believe I am both the general guardian and general executor of "Herman van Velzen", et alia, in any and all matters before any and all "courts";

I am not the trustee, therefore the court has a fiduciary responsibility to the trust and must obey the rules, instructions, and decisions of the executor that I believe to be Herman, of the house of van Velzen;

I rebut, rebuke and reject any and all "Presumptions of Executor De Son Tort", and I assert my right as executor and beneficiary over the flesh and blood body, over the mind and over the 'soul' and I challenge and question the court which is proposing to act and/or acting as an 'Executor De Son Tort'/a "false executor" and challenging me whom I believe is the "rightful" judge, as executor;

I formally challenge, abrogate, rebut and renounce the presumption of government acting in two roles as executor and beneficiary as it is by definition a presumption and has no standing or merit in presentable or material fact;

52.10. the **presumption of agents and agencies** is the presumption that under contract law you have expressed and granted authority to the judge and magistrate through the statement of such words as recognised, understand or comprehend and therefore agree to be bound to a contract. Therefore unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognise you" to remove all implied or expressed appointment of the judge prosecutor or clerk as agents, the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate;

I formally challenge, abrogate, rebut and renounce the presumption of agents and agencies as it is by definition a presumption and has no standing or merit in presentable or material fact and I deny any right and authority from any judge, registrar, prosecutor, clerk of court to assume the role of "true" executor and have no right to seek the assistance of police, bailiffs or sheriffs to assert their false claims;

52.11. the **presumption of incompetence** is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly. Therefore the judge/magistrate as executor has the right to have you arrested, detained, fined, or forced into a psychiatric evaluation.

Unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands by the time of pleading, that you are incompetent. And then the judge/magistrate/registrar can do what he/she need to keep you obedient.

I am of sound mind, literate, articulate and, as principal and executive beneficiary, am competent to present Herman, of the house of van Velzen, and argue properly, therefore, the judge/magistrate/registrar, acting unlawfully as "Executor De Son Tort", has no right to have Herman, of the house of van Velzen, arrested, detained, fined or forced into a psychiatric evaluation, and object to any contrary presumptions;

I formally challenge, abrogate, rebut and renounce the presumption of incompetence as it is by definition a presumption and has no standing or merit in presentable or material fact;

- 52.12. the **presumption of guilt** is the presumption that, as it is presumed to be a private business meeting of the "Private Bar Guild", you are guilty whether you plead guilty, do not plead, or plead not guilty, therefore unless you either have previously prepared an affidavit of truth and motion to dismiss with extreme prejudice onto the public record or call a demur, then the presumption is you are guilty and the "Private Bar Guild" can hold you until a bond is prepared, to guarantee the amount the "Private Bar Guild" wants to profit from you;

I rebut, rebuke and reject any and all presumptions that any and all "matters" before any and all "courts" wherever are private business meetings of the "Private Bar Guild", and rebut reject and rebuke any and all presumptions of Guilt;

I formally challenge, abrogate, rebut and renounce the presumption of guilt as it is by definition a presumption and has no standing or merit in presentable or material fact;

53. I, entitlement holder in due course to all previous equity estates/trusts, also claim divine inheritance and hereditaments both corporeal and incorporeal, without recourse;
54. I do not recognise and cannot be held in contempt of any law that cannot show a named victim, either man or woman, nor can I be held liable in contempt of any law that cannot show any property, belonging to any said man or woman that has been stolen or damaged. Where no individual victim claiming trespass and no property stolen or damage can be found, there can be no defendant nor prosecutor logically taken into consideration;
55. I declare that I am a living breathing man going about his every day life with the following rights included in 'Exhibit E Unalienable rights' being right to: freedom; equality and dignity; equal treatment independent of whatever way of discrimination; life; live in peace; security; freedom of any form of torture or degrading treatment or punishment; be treated fairly; be considered innocent until proven guilty; privacy; freedom to sojourn; to marry and have family; to own things; freedom of thought; freedom of opinion and expression; right to assemble; right to work; right to social security and social service; right to rest; right to participate in art and culture; right to freedom of movement/travel around the world

at same time respecting the rights and freedoms of others. These rights can not be taken away. I have the right to charge compensation fees (see 'Exhibit D Compensation fee schedule - CS-HVV-631126-01') to anyone who has unlawfully hindered, threatened, damaged, harmed, drugged, discriminated, harmed, deceived, enslaved, robbed, detained, assaulted, abducted or arrested me, and/or those in my care and/or those near me;

56. I respect all forms of life and support the lawful right to, and of, the sovereignty, self-determination, and free will of all living beings in creation, specifically on the planet known as "Earth", in alignment with, and only with, the authority of God;
57. It is my intent to travel, with the ability to show affidavit testimony as proof of my rightful lawful claim. It is my intent to claim back ownership of my own life and rights and my own property and estate as a living breathing man, able to manage my own affairs, and self determine, and administer my own estate;
58. I am neither a thing, nor discounted entity, nor legally defined person, nor human-being, nor individual, nor resident, or withholding agent, as these terms are defined under statute to which I never consented. As such, I am henceforth to be recognised as a living breathing soul, sojourn on the land and soil jurisdiction and land mass commonly known as Earth;
59. unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by us in wet ink, and can be produced on demand, hereby declare any and all contracts made without the living being's knowing and active present consent to be "null and void ad infinitum";
60. I state that my unique agreement with God is final, and supersedes every other agreement, authority, convention, statute, regulation or rule that is either "Earth-based" or off-world-based, especially if it seeks to enslave my 'soul' and/or being, or limit my freedom in any way, unless I give my specific personal, written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of the full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by me in wet ink, and can be produced on demand;
61. Any being/consciousness/"person"/being/corporation/"government"/religious organisation/entity/machine, from this and/or any other domain of "Earth"/Gaia/Terra, any dimension, any universe, any perceived "other" level of existence, that wishes to have a contract with me in whatever way shape or form, must do so face to face and do so in complete transparency, with every single piece of that contract/consent explained in full detail, with absolutely no missing information or obligations left unstated or unexplained, and must be written out in full, in a language I am fluent in, with my fully conscious approval, and to be agreed to must be autographed in wet ink by me, of my own free will, with my private mark, with my fingerprint and/or the blood of my living body or any of my own liquid essence that contains my own natural DNA;
62. I claim, for as long as I am in/on the Earth, full diplomatic immunity with all so-called "countries" on the planet known as "Earth";
63. I respect and support that if a living being commits an unlawful act against another living being, that offending living being has a lawful right to trial by a jury of twelve independent and just living beings, provided none of those living beings are employees, shareholders or agents of any of the aforementioned and previously rebutted organisations/corporations named in this 'Affidavit of status and life', or any of their trading names, and provided that none of those living beings has a interest in the matter, and provided said trial is in alignment with, and only with, the authority of God, and I deny any claimed authority of any "court" that fails to meet these standards, nor any "court" administered by and/or under the administration of members of any "Private Bar Guild" or any other such (secret) society;
64. All facts are created with my first-hand knowledge declared in this Affidavit of status and life;

In sincerity and with honour

I am I, **Herman**, the live, living claimant do affirm before our Divine Father, Lord and Creator in Heaven, that I, being **Herman**, is a live, living sentient soul, a live, living flesh and flowing blood in the form of man, being a live, living beneficiary, and I call upon The Father, The Son and The Holy Spirit as witness to this Claim. Holy, Holy Holy is the Lord God Almighty who was and is and will be!

## Part E - Statement of truth and statement of fact

Standing with God’s law, all rights reserved

I, **Herman**, of the house of **van Velzen**, and of the bloodline of the families of my mother and father **Koolschijn** and **van Velzen**, affiant, make this statement of truth and facts with full liability and I declare:

1. I believe that I have been tricked into a lifetime contract, acting as a dead legal fiction (a person) whereupon I was stripped of all of my rights and made property of the state. This is a fact!;
2. Slavery has been abolished, so this means that there’s a liability for enactment of slavery;
3. I was not given full disclosure on the lifetime contract that I was signed up for because my mother and father were never given full disclosure of the reality of what is entailed in the Birth Registration process in the first place. I was made a slave to the legal system where I was obligated and compelled to follow rules, regulations, acts, statutes and policy (all legal legislation) which all require the consent from living men/women and these legal legislations are NOT law. Simply colours of law that require consent. So if I do not consent and instead establish my standing as a living **man** under God’s law, which I am so doing via this affidavit of status and statement of truth, any legal legislation does not apply to me as a living **man**;
4. Legal legislation is based on contract law, admiralty & maritime law. If you unwittingly consent to a contract but you were not given full disclosure and did not sign the contract in wet ink, the contract becomes unlawful and null & void [UK Fraud Act 2006, sections 2 & 3]. So, indeed, this is an enactment of slavery and fraud, which means committing crimes under the law, the only true law that has ever existed, the law of God, the God that led his people out of slavery (Exodus 20:2)
5. Therefore, all contracts I have unknowingly consented to by acting as the artificially created person or entity **HERMAN VAN VELZEN®** et al, become null and void from its beginning (-AB-INITIO-);
6. I attach my compensation charge schedule (Exhibit D Compensation fee schedule - CS-HVV-631126-01) and copyright/copy write notice (Exhibit K Copyright trademark contract HVV-19631126-CRC-002) for breach of my rights as a living breathing **man** and for breach and unauthorised use of any of my copyrighted trade names being “**HERMAN VAN VELZEN®**”; “**H van Velzen**”; “**van Velzen, H**”; “**van Velzen, Herman**”; “**Velzen, H van**”; “**Velzen, Herman van**”, “**Hans van Velzen**” et alia, any name written in such upper case, “CAPITAL-LETTERED” or lower case variation of such, in any way, including but not limited to punctuation, initials, prefixes, suffixes, titles, appendages, and the like;
7. All facts are created with my first-hand knowledge declared in this Affidavit of status and life;

verified by: **Herman** of house of **van Velzen**, and of the bloodline of the clans of my mother and father **Koolschijn** and **van Velzen**

Recital that Cestui que vies have gone beyond Sea, and that Reversioners cannot find out whether they are alive or dead.

Whereas diverse Lords of Mannours and others have granted Estates by Lease for one or more life or lives, or else for yeares determinable upon one or more life or lives And it hath often happened that such person or persons for whose life or lives such Estates have beene granted have gone beyond the Seas or soe absented themselves for many yeares that the Lessors and Reversioners cannot finde out whether such person or persons be alive or dead by reason whereof such Lessors and Reversioners have beene held out of possession of their Tenements for many yeares after all the lives upon which such Estates depend are dead in regard that the Lessors and Reversioners when they have brought Actions for the recovery of their Tenements have beene putt upon it to prove the death of their Tennants when it is almost impossible for them to discover the same, For remedy of which mischeife soe frequently happening to such Lessors or Reversioners.

**[I.] Cestui que vie remaining beyond Sea for Seven Years together and no Proof of their Lives, Judge in Action to direct a Verdict as though Cestui que vie were dead.**

If such person or persons for whose life or lives such Estates have beene or shall be granted as aforesaid shall remaine beyond the Seas or elsewhere absent themselves in this Realme by the space of seaven yeares together and noe sufficient and evident proove be made of the lives of such person or persons respectively in any Action commenced for recovery of such Tenements by the Lessors or Reversioners in every such case the person or persons upon whose life or lives such Estate depended shall be accounted as naturally dead, And in every Action brought for the recovery of the said Tenements by the Lessors or Reversioners their Heires or Assignes, the Judges before whom such Action shall be brought shall direct the Jury to give their Verdict as if the person soe remaining beyond the Seas or otherwise absenting himself were dead.

## Exhibit C Corpus Juris Secundum

**Below lies proof that crown administration of a living man's affairs is null and void**

Section 16, page 892

Fact of death: death of a person on whose estate administration sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is void.

While it is true that the assumption of death arising from a person's absence, unheard from, for a considerable length of time (see Death section 6) may present a prima facie case sufficient to grant of administration of his estate, the arising of such presumption does not take the case out of the operation of the general rule of the subject, and if it is made to appear that in fact that person was alive at the time such administration was granted, the administration is absolutely void.

Although, that payment to an administrator of an absentee who is not in fact dead is no defence against the absentee or his legal representative, nor are costs and disbursements incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid the debts of the absentee, he is subrogated to the rights of the creditors who he has paid. It has been considered, however the invalidity of the administration does not relate back, but that it is valid from the time when the presumption of death is rebutted.

**Prima facie** means: evidence provided to establish facts

**Corpus Juris secundum (CJS)** means: an international legal encyclopedia that offers general overviews of all areas of state and federal law alphabetically by topic.

**Suis Juris (SUI·JURIS)** means: of full age and not under disability; legally competent to manage one's own affairs; independent

## Exhibit E Unalienable rights

Unalienable rights are inherent, sovereign, natural rights that existed before the creation of the state, and which, being antecedent to and above the state, can never be taken away, diminished, altered, or levied by the state, except by due process of law. Nor can any unalienable right be fundamentally removed or waived by contract, whether by non-disclosure, which is fraud and unenforceable in law, or knowingly by sufferance, which is contrary to the spirit of the law and prejudicial to sovereignty.

These rights include:

- Right to life;
- Right to love;
- Right to freedom;
