For context, this Notice and affidavit of claim uses only plain simple English and counting systems. You are considered informed that all meanings in this/all communication/s are taken from the Oxford Dictionary of English, unless another definition is given, or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or any other language. All character, form, style and page layout, whether capitalised, lower case, bold, italic or underlined or any combination are what is commonly recognised by living men and women and not to be taken in any other way or meaning. If any definition or meaning is unclear to the reader, the interpretations are that of the living authors of this affidavit. The position in this communication is that of a living man and a living woman standing under God's law/lore, also known as the creator's law/lore, natural lore, and operating outside the jurisdiction of statutory rules and man-made legislation.

Daniel. 3:17¹ "This matter is by the decree of the watchers, and the demaund by the word of the Holy ones : to the intent that the liuing may know, that the most High ruleth in the kingdome of men, and giueth it to whomsoeuer hee will, and setteth vp ouer it the basest of men."

Part A Definitions

Allodium: relating to land, land which is the absolute property of the owner; real estate held in absolute independence, without being subject to any rent, service, or acknowledgement to a superior. It is thus opposed to feud, and "allodial" has a similar meaning

Genesis 1:26-27 "¶ And God said, Let vs make man in our Image, after our likenesse: and let them haue dominion ouer the fish of the sea, and ouer the foule of the aire, and ouer the cattell, and ouer all the earth, and ouer euery creeping thing that creepeth vpon the earth. So God created man in his owne Image, in the Image of God created hee him; male and female created hee them.";

bad faith: an action done in bad faith means an action that is either self-evidently wrong, or an action that is done wilfully, after having been warned that it is causing harm or damage or loss.

Part B Construction

- a) The words "include," "includes," and "including" are not limiting;
- b) The word "all" includes "any" and the word "any" includes "all";
- c) The word "or" is not exclusive, and can mean "either or both";
- d) Words and terms
 1. in the singular include the plural, and in the plural, the singular; and
 2. in the masculine gender include both the feminine and neuter and similarly in the feminine gender.

Part C purpose

This document is presented for the reader's benefit with honourable and peaceful intent to provide the reader with notice that the jurisdiction of the council and the Crown corporation have been removed from the land commonly known as 41 Wakefield street, Featherston [5710]. This notice has also been placed on the public notice board <https://publicnoticesnz.com>.

Part D claim

1. We, the principals Herman, of the house of van Velzen, and Elizabeth-brigitta, of the house of van Gool, notify the reader that we both have an 'Affidavit of status and life' which are also on the public notice board <https://publicnoticesnz.com> and both can be found under category of 'Affidavit of Status'; and
2. we, Herman and Elizabeth-brigitta, have retained the original documents; and
3. the 'Affidavit of status and life' from Elizabeth-brigitta, of the house of van Gool, replaces the Statement and Declaration of Truth "Affidavit" of 'Nymmrah'; and

¹All bible quotations are taken from the 1611 King James version specifically as oaths have been sworn on it.

 HV
 EB

4. the 'Affidavit of status and life' from Herman, of the house of van Velzen, replaces the Statement and Declaration of Truth "Affidavit" of 'Glyto'; and
5. corporation law over our life and over our property has been removed, and our property and estates have returned to us as the 'secured party' and 'creditor' but we are not surety to them as debtor of all trade names and entities that have been set up to represent us; and
6. we, the principals Herman, of the house of van Velzen, and Elizabeth-brigitta, of the house of van Gool, declare that we are living, breathing man and woman and that we are able to manage our own affairs, self-determine, and administer our own estates and declare that we are not Crown property or a subsidiary company to any of the Crown companies and we are therefore not subject to Crown law, but only to the lore of nature and to the law/lore of God; and
7. anyone taking authority over a living man or woman without his or her consent is committing the crime of slavery and we state clearly that we have never consented to anyone have control or authority over us; and
8. we, the principals Herman, of the house of van Velzen, and Elizabeth-brigitta, of the house of van Gool, claim back our independence and the restoration of all rights from the day we reached the age of majority and we do so on this day, the 12th day of the month of December in the year two thousand and twenty-four [2024]; and
9. we, the principals Elizabeth-brigitta, of the house of van Gool, and Herman, of the house of van Velzen, do hereby claim and declare that the land of substance, commonly known as 41 Wakefield street, Featherston [5710], identified on 'Exhibit A: Map' by the yellow lines, with all the resources, living and otherwise, thereon and therein, are henceforth considered to be held in allodium by us, living woman Elizabeth-brigitta and living man Herman, and all references to land/this land/these lands in this claim, mean the land of substance, commonly known as 41 Wakefield street, Featherston [5710], identified on 'Exhibit A: Map' by the yellow outlines; and
10. we, the principals Herman and Elizabeth-brigitta, have absolute allodial property-right and not a mere estate and we claim and declare **supreme authority over these lands using God's Law, Natural Lore Genesis 1:27-30** and therefore this land is freely held and occupied by living men and women without obligation or service or fee to any overlord or landlord or government or local authority; and
11. we, the principals Herman and Elizabeth-brigitta, hold no contract with any de facto occupying corporate Aotearoa, Tireni [New Zealand] government, or any other so-called government, for their public debts or commercial liabilities at any time whatsoever; and
12. we, the principals Herman and Elizabeth-brigitta, declare that the one true almighty God created man and woman, and men and women created corporations; and a corporation can never have control or authority over a living man or woman without their consent and we have not consented to any corporation having control or authority over us; and
13. we, the principals Herman and Elizabeth-brigitta, are neither a thing, nor a discounted entity, nor a legally defined person, nor a human-being, nor an individual, nor a citizen, nor a resident, nor a withholding agent, in the way these terms are defined under the statute, which we have not consented to, and as such, we are henceforth to be recognised as living, breathing, flesh and blood souls, sojourning on the land under Almighty God; and are no longer 'lost at sea'; and
14. from age of consent to the date of this 'affidavit of status of Herman and Elizabeth-brigitta and Claim on land of substance', we, Herman and Elizabeth-brigitta, have never signed any contract knowingly, willingly, intelligently, voluntarily, or intentionally whereby we have waived any of our natural inherent rights. We hereby revoke, rescind, cancel, and make void all 'contracts', 'agreements', 'forms', 'instruments' and such, that we have signed as individual, director, trustee, trustee director or as guarantor or any other capacity and that have been, are being, or may potentially be construed to give the agent of any agency or department of any 'incorporated government', any 'banking corporation', any 'authority', 'venue', or 'jurisdiction' over us. All such unconscionable 'contracts', 'agreements', 'forms', 'instruments', etc. that exist to exploit us have been proven to be grammatically fraudulent and are therefore to be considered null and void "AB-INITIO" from the legal and lawful viewpoints of all parties involved; and
15. We, Herman and Elizabeth-brigitta, declare that if anyone acts in bad faith towards us, or tries to deceive us with intent to harm us or tries to enslave us, they have committed crimes of slavery and fraud.

We have the lawful right and authority to charge fees for such crimes, according to the compensation schedule of each of us, as can be found in in 'Exhibit C: Compensation schedule CS-EBG-571024-01' and updates to which will be placed on the public notice board <https://publicnoticesnz.com> or other such public notice boards. If the offending party is acting as an agent for a company, this company may be charged as well.

Once we serve notice to the offending party, they have ten working days to pay in full. If not paid by that date the offending party is considered in default, and we have the right to claim, to the value owed, ownership and seize any assets or property owned by the offending party, any agent acting on behalf of the offending party, or the company that the offending party is an agent for.

If the offending party shows remorse, we can choose to give them a remedy in place of the owed debt. However, if the offending party does not follow through with actions requested in the remedy, we have the right to continue with claiming ownership of the assets of the offending party, its agents, or its parent company or place any such agent and/or parent company in liquidation; and

16. the allodial designation over this physical land commonly known as 41 Wakefield street, Featherston [5710], is established through careful observation and consideration of the following facts:
 - 16.a. We, the principals Herman and Elizabeth-brigitta, were created after the image and likeness of God and have dominion, to wit:

Genesis 1:26-27 "¶ And God said, Let vs make man in our Image, after our likenesse: and let them haue dominion ouer the fish of the sea, and ouer the foule of the aire, and ouer the cattell, and ouer all the earth, and ouer euery creeping thing that creepeth vpon the earth. So God created man in his owne Image, in the Image of God created hee him; male and female created hee them."
 - 16.b. We, the principals Herman and Elizabeth-brigitta, are live, sovereign, living, breathing sentient man and woman with soul, spirit, breath, flowing blood, conscience and competence and we are not a dead fictitious entity; and
 - 16.c. we, the principals Herman and Elizabeth-brigitta, as living man and woman and having come of age, have supreme authority over any and all corporate entities; and
 - 16.d. the land that we, the principals Herman and Elizabeth-brigitta, have in our care and that we are sojourning on, is not artificial as it has physical substance; and
 - 16.e. we, the principals Herman and Elizabeth-brigitta, and other living men and women gain life, sustenance and shelter from and upon the physical land and gardens, see 'Exhibit A: Map' and 'Exhibit B: Sustenance', that have been established by us since we started to take care of the land in the year commonly known as two thousand and nineteen [2019]; and
 - 16.f. physical land is real, whereas a non-physical corporation cannot own anything of physical substance and therefore "the Crown" and the "New Zealand Government" et al, as corporate entities, cannot own land of substance and use artificial construct of legal titles and registration to claim control and ownership of something of physical substance; this is misleading and therefore fraud has been detected;

See Penhallow v Doanes Administrators – US 1796 - Inasmuch as every government is an artificial person, an abstraction, a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and obtaining parity with the tangible;

and
 - 16.g. as fraud is identified, this renders the legal title contract a nullity in its entirety "AB-INITIO", as "the Crown" and "New Zealand Government" et al are companies and bound by contract Law; and
 - 16.h. the legal title and registers held by "the Crown" and "New Zealand Government" et al and used to make a claim upon this land is now established as fraudulent; and
 - 16.i. all jurisdiction of "the Crown" and any of its corporations including "New Zealand Local Government Funding Agency" and "South Wairarapa District Council" and "Greater Wellington", also known as "Greater Wellington Regional Council", is removed of this land, including any monetary charges. Any further charges sent without our written consent, will be liable for charges according to our compensation schedule attached as 'Exhibit C: Compensation schedule CS-EBG-571024-01' and
 - 16.j. corporate entity or their agents have no jurisdiction whatsoever to administer the affairs of, enter, obstruct, harm or injure, etc. on this physical land, nor to cause harm to, nor to claim ownership over any physical land, resources, living man or woman, animal, water, air, soil, flora and fauna in their entirety; and therefore:

Notice:

17. from all government/corporate entities all their assumed/claimed jurisdiction, authority and administration are removed in relation to the affairs of the principals, Herman and Elizabeth-brigitta, and the land of

physical substance commonly known as 41 Wakefield street, Featherston [5710], identified on 'Exhibit A: Map' by the yellow outlines, and all resources upon and in it, in the entirety absolute; and

18. We, the principals Herman and Elizabeth-brigitta, hold these lands in allodium and live/sojourn on and care for this land and will continue to maintain it with the utmost care and consideration and we intend to live a quiet peaceful life in the private, working in harmony with nature; and
19. That Janine of the House of Arabella and Walters has already taken her allodial claims in the "High Court" of "New Zealand" and had them unrebutted by the "Crown Corporations", the "Council Corporations" and the "ASB Bank" as they could not rebut the truth that physical land is real, whereas a non-physical corporation cannot own anything of physical substance and therefore the "Crown" and the "New Zealand Government" et al, as corporate entities, cannot own land of substance and they use artificial construct of legal titles and registration to claim control and ownership of something of physical substance; this is misleading and therefore fraud has been detected; **and as fraud is identified, this renders the legal title contracts a nullity in their entirety "AB-INITIO".**

As the "Crown" and "New Zealand Government" et al are companies and are bound by contract Law; and the legal title and registers held by the "Crown" and "New Zealand Government" et al to make a claim upon this land is now established as fraudulent;

All jurisdiction of the "Crown" and any of its companies, including "New Zealand Local Government Funding Agency Limited" plus all "Crown Corporations" plus all "Council Corporations" plus all bank corporations have been removed over all land where Janine obtained "Summary Judgement" in the "High Court" against all the corporations removing their authority over all land and all individual living and breathing men, women, boys and girls, so all that individuals need to do is step in and claim back his/her authority as a living breathing sentient being created by God where no corporation can have control over a living man or woman without his/her informed consent and Janine's summary judgments against these corporation that stand as truth in law and commerce can also be found on the public notice board <https://publicnoticesnz.com>; and

Notice of acceptance

ANZ Bank New Zealand Limited

20. we, Herman and Elizabeth-brigitta, have provided ANZ Bank New Zealand Limited multiple opportunities to provide evidence to back their claims and to rebut our conditional acceptance of their claims and have done so from October 2023 onward.
21. the bank, ANZ Bank New Zealand Limited, has through tacit agreement accepted, **that there never was a valid home loan and that there never was a valid mortgage. This was established on the date 30 April 2024**, when a Notice of default was served on the living woman, acting as the Chief Executive Officer of ANZ Bank New Zealand Limited through "New Zealand Post" with certified mail number LV214854781NZ of which proof of delivery can be provided. **This notice of default** was served following a complete lack of response to earlier notices to the living woman, acting as the Chief Executive Officer and other employees/agents of ANZ Bank New Zealand Limited.
- The default established the following facts, as were set forth in a '**Notice of liability**', which was served on the date **8 March 2024** on the living woman, acting as the Chief Executive Officer of ANZ Bank New Zealand Limited through "New Zealand Post" with certified mail number LW123678685NZ of which proof of receipt can be provided. Both of these notices were sent to the addressee in her private, personal and commercial capacity.

'He who does not deny, admits' – 'QUI-NON-NEGAT-FATETUR'

As was stated in the aforementioned Notice of default:

"if "Respondents" should fail to meet the requirements as defined in the section 'Insufficiency of Reply', it shall inevitably constitute "Respondents" full agreement with the following contractual terms in **all jurisdictions**"

The following facts have thereby been established and stand as fact and truth in commerce and judgement in law:

- 21.a. It is a fact that the ANZ Bank New Zealand Limited has no claim of interest²;

² As the ANZ bank did not show they were in possession of the mortgage at the time of claim

Ch. HV EB

- 21.b. It is a fact that the payments made by ANZ Bank New Zealand Limited to South Wairarapa District Council were wilfully done as a fraudulent action;
- 21.c. It is a fact there is no and never was a valid home loan agreement;
- 21.d. It is a fact that no money was loaned (by the ANZ bank);
- 21.e. It is a fact that any and all powers of attorney, either explicit or implied, have been removed/revoked;

The ANZ Bank New Zealand Limited did not adhere to the following, and is thereby causing harm and damage:

- 21.f. ANZ Bank New Zealand Limited will return all money that was taken from the bank account 'Elizabeth and Herman' believe to be theirs, effective from the date it was taken and revert all transactions on that account from that same date;
- 21.g. ANZ Bank New Zealand Limited agrees to payment of remedy for damages (deprivation of money) and harm (hardship and stress)³;
- 21.h. ANZ Bank New Zealand Limited will return all money that has so far been paid as part of a non-existing contract;
- 21.i. ANZ Bank New Zealand Limited agrees to payment of remedy for damages and harm, being the money that has been paid so far to a non-existing contract, the amount of which was set, as part of the notice of default, at **four times the amount already paid**;
- 21.j. any and all caveats that ANZ Bank New Zealand Limited has lodged against the title ... shall be removed immediately; and proof of this shall be provided;
- 21.k. all titles relating to the non-existing contract shall be cleaned/cleared and transferred to 'Elizabeth and Herman' and proof of this shall be provided;
- 21.l. ANZ Bank New Zealand Limited will provide proof that any existing power of attorney has been removed;

In addition, ANZ Bank New Zealand Limited was served a 'Notice of request for further and better particulars and full and complete disclosure' on the date 16 October 2023 through New Zealand Post, with certified mail number LW118991649NZ, of which proof of receipt can be provided. This document was part of the aforementioned 'Notice of liability'. Following the lack of response by ANZ Bank New Zealand Limited the following facts were established:

- 21.m. it is a fact that ANZ Bank New Zealand Limited does not hold the mortgage related to the title;
- 21.n. it is a fact that ANZ Bank New Zealand Limited has not registered the principal sum or stapled the charge (the agreement) to the registered "mortgage";
- 21.o. it is a fact that agents/employees of ANZ Bank New Zealand Limited are operating in bad faith by failing to perform their due diligence, even after having been prompted;
- 21.p. it is a fact that ANZ Bank New Zealand Limited is acting as a subordinate agent of South Wairarapa District Council;
- 21.q. it is a fact that, at least two, employees of ANZ Bank New Zealand Limited are wilfully performing actions of fraud, theft, personage, deceit and slavery;

as was stated in the Notice of liability under section 'Confession of judgement - binding administrative judgement':

"since Judgement is issued when a party waives the right to reply, all parties to this agreement agree to be bound in perpetuity by any and all such Judgements which may be issued regarding the contract";

the presumption is taken upon the public record that ANZ Bank New Zealand Limited and all of its agents have freely, willingly and voluntarily agreed with all the points, statements, claims and authorities of the aforementioned 'Notice of liability'.

South Wairarapa District Council

- 22. the South Wairarapa District Council, has, through tacit agreement, accepted there is **no valid contract**. **This was established on 22 February 2024**, when a notice of default was served on the living woman acting as Chief Executive Officer of South Wairarapa District Council through "New Zealand Post" with certified mail number LV212860585NZ of which proof of delivery can be provided. This notice of default was served on the living woman acting as Chief Executive Officer following a 'Notice of discovery and request for better and further particulars and full and complete disclosure and notice of legal liability and notice of conditional acceptance', which was served on the living man, in the interim, acting as Chief

³ This was, as part of the notice of default, set at four times the amount of money already paid

Executive Officer of South Wairarapa District Council on 29 September 2023 through "New Zealand Post", with certified mail number LW118991547NZ of which proof of receipt can be provided.

'He who does not deny, admits' – 'QUI-NON-NEGAT-FATETUR'

The following facts have thereby been established and stand as fact and truth in commerce and judgement in law:

- 22.a. it is a fact that South Wairarapa District Council does not have any lawful right to enforce the "payment" of "rates" on any man or woman acting as caretaker of their property, nor to threaten with, or punish them by, the sale of property they are caretaking;
- 22.b. it is a fact that South Wairarapa District Council does not have any instrument that allows them to charge rates under 'He Whakaputanga o te Rangatiranga o Nu Tireni 1835';
- 22.c. it is a fact that South Wairarapa District Council does not have any instrument that allows them any control over the living man/woman;
- 22.d. it is a fact that South Wairarapa District Council does not have any instrument that allows them to operate as local government while at the same time operating as a business;
- 22.e. it is a fact that South Wairarapa District Council does not have a bill of sale between South Wairarapa District Council and the hereditary chiefs and heads of the tribes, giving South Wairarapa District Council ownership of the land;
- 22.f. it is a fact that South Wairarapa District Council does not have a copy of the signed/autographed contract, signed/autographed in wet ink, between "South Wairarapa District Council" and the hereditary chiefs and heads of the tribes which grants "a function of government to be exercised" as is explained under section two of 'He Whakaputanga o te Rangatiranga o Nu Tireni 1835';
- 22.g. it is a fact that South Wairarapa District Council does not have a copy of the signed/autographed contract of service between 'Herman and Elizabeth' and an agent of South Wairarapa District Council, that contract signed/autographed in wet ink by all parties, or an agent of all parties, witnessed by a third party

and

the presumption is taken upon the public record that South Wairarapa District Council and all of its agents have freely, willingly and voluntarily agreed with all the points, statements, claims and authorities of the aforementioned '**Notice of discovery and request for better and further particulars and full and complete disclosure and notice of legal liability and notice of conditional acceptance**'.

- 23. The South Wairarapa District Council have acknowledged the status of Herman and Elizabeth-brigitta by, several times, sending correspondence to 'Herman', of the family "van Velzen" and 'Elizabeth Brigitta', of the family "van Gool", including correspondence sent by the Chief Executive Officer and the most recent dated **28 November 2024**. The South Wairarapa District Council, however, has not updated their records on this.

Notice of liability and trespass notice

- 24. We, **Herman and Elizabeth-brigitta**, hereby present the following 'Notice of liability and trespass notice' to the reader that all government and corporate entities have now had their jurisdiction, authority and administration removed from this private property and land of substance, commonly known as 41 Wakefield street, Featherston [5710], as identified on 'Exhibit A: Map' by the yellow outlines; therefore a corporate entity has no jurisdiction whatsoever to obstruct, enter, harm or administer the affairs on this physical land, nor to cause loss, nor to cause harm to, nor to claim ownership over, any living man, woman, girl, boy, animal, water, air, soil, flora and fauna in their entirety and if any corporate entity or legal fiction tries to enter the property without prior invitation by us, Herman and Elizabeth-brigitta, then those entering may be charged with trespass in their private and commercial capacity in accordance with the law and subject to the compensation charge schedules of Herman and Elizabeth-brigitta.

Rate charges no longer apply to this land, and any charge notices sent or any other contact or administration of our affairs without our consent, will result in fees charged from the compensation schedule to the agent/agents representing the "Crown" or "Council" or any company or corporation or charged to the company or the "Chief Executive Officer" of that company and in the event of non-payment we, Herman and Elizabeth-brigitta, have the lawful right to seize assets to the same value, corrected with late payment fees when applicable, or place that company in liquidation.
