Royal Court Insolvency Hearing Stuff and Associated Officers and Employees

17th day of February 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 9.21am on 17th day of February in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agree to act in this capacity and gave their first names as Margaret, Fred and Bryan.

On the seventh day of November 2024, the following officers Laura Maxwell, Sinead Boucher and Dale Bridle in the corporation STUFF were notified where a liability notice was sent that the Jurisdiction of all had returned to under Almighty God, where agents and journalists working within their corporation were commissioned to tell the truth and stop spreading false information with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws and contracts. Exodus chapter 20 verses 15 and 16 was quoted "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporations and their officers and employees are now liable for all actions of bearing false witness and participating in controlling the people by deceit. I, Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman.

The officers were informed on the liability notice that the charges for spreading false information with intent to deceive the people as well as intentionally withholding the truth with intent to deceive was minimum of one million dollars for every man, woman, boy or girl that has been affected by their public broadcast of information and written material. From that date forward, they were commissioned to convey the truth and refrain from causing harm, bearing full commercial liability for the continued spread of false information.

The public broadcast of stuff.co.nz according to <https://stoppress.co.nz/news/stuff-retains-largest-national-audience/> reaches 3.485 million people living in New Zealand each month across print and digital.

On 17 January 2025 journalist that works for STUFF Annemarie Quill printed false information regarding Karl Fischer who resigned from the Optometrists and Dispensing Opticians Board in January 2022 and has not been with the Board since that time, and as he resigned he is not under any requirements of the Board. He was provided an alternative practising certificate through the Wakaminenga Health Council Maori Government and the Optometry board knew this from the very beginning, and he has now obtained an annual practising certificate through the licensing body practising under the Jurisdiction of God Almighty. There was no substance to any of the claims. The charges and claims are false and the corporation as well as individuals are now commercially liable for spreading false information causing major character defamation, plus damage to his name and reputation and business. The liability notice presented to the officers on 7th day of November stated clearly there is a one million dollar charge for every reader that receives any false information. This brings the charge one million multiplied by 3.485 million which equals \$3,495,000,000,000.00 being 3.485 trillion dollars.

On 24 January 2025 the officers Laura Maxwell, Sinead Boucher and Dale Bridle and journalist Annemarie Quill were sent and received a LIABILITY NOTIICE WITH IMMEDIATE EFFECT to take remedy of retracting the story about Karl Fischer by 29 January 2025 offering a full apology in their online news paper and any written form where this story went out, plus pay Karl for damages \$50,000, plus print the truth that the covid-19 vaccine has been identified as a health and safety hazard where all employers, licencing boards, government officials and medical practitioners are now criminally liable if they do not report on the health and safety hazard exposure of the covid-19 vaccine. The officers had until 29 January 2025 to action remedy before sending the bill for 3.485 trillion dollars will be sent out with instructions for payment by 4 February 2025, where non payment will lead to STUFF LIMITED becoming insolvent with immediate effect and all officers and directors plus your named legal representative and named reporter all become personally liable for this debt. This information was also placed on public notice board publicnoticesnz.com

The bill for three trillion, four hundred and eighty five billion dollars was sent and received by the named officers and individuals on 4th day of February 2025 for immediate payment. The court is informed that remedy was not actioned and no payment was received for the charge of printing false information. The court is requested to place the corporation and officers into insolvency due to non payment of its debt due to the serious nature of the crime of character defamation, and damage to the name of an individual plus loss of livelihood due to character defamation plus deceiving of the public, where the officers in the media corporation STUFF were informed what the charges would be for printing and disseminating falsehood.

Due to the evidence presented the court and witnesses agree that the officers were informed of their liability in the event of printing falsehood and had the opportunity to remedy the situation and chose not to. They were fully aware of their actions and are therefore fully liable for their actions. With immediate effect the corporation STUFF and the officers Laura Maxwell, Sinead Boucher and Dale Bridle and journalist Annemarie Quill are made insolvent. The asserts of STUFF are transferred with immediate effect into Janine and the People's Irrevocable Trust where the people of our land are able to seize all assets including land, buildings, printing presses, website to ensure going forward that only truth is printed or disseminated.
