I, Janine of the House of Anabala, as Commander and Chief over all the Crown Corporations base this liability notice to any and all media corporations operating in New Zealand where this land is now under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any law and deceit are found in any man made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 "Thou shalt not steal and though shalt not bear false witness against thy neighbour." The corporations and their officers and employees shall now be held liable for all actions of stealing false witness and participating in controlling the people by deceit. I, Janine, quote Genesis Chapter one verse 27 "So God created man and woman to be over the earth, to image of God he created them, male and female he created them." God made man and woman and man and woman made corporations. A corporation (that man speaking) can never have control over a man or woman.

I, Janine declare that to date, the media has been controlled by corporations. Therefore, as of the 8th October 2024, we hold accountable all individuals who disseminate false information with the intent to deceive and cause harm as well as occasions where the truth is intentionally withheld from the people so that they can continue to be deceived. These individuals, as well as the corporations they represent, can and shall be charged minimum one million dollars for every man, woman, boy or girl that has been affected by their public broadcast of information and written material. From this date forward, they are commissioned to convey the truth and refrain from causing harm, bearing full commercial liability for the continued spread of false information.

From the Commander and Chief of the Crown Corporations
Janine of the House of Anabala
