## Part A - Definitions / Interpretations

The following words and terms express the meanings set forth as follows, non-obstante:

**Status / Standing** means: Artificial legal fiction persons have Status whereas Living Men and Women with flesh and blood, arms and legs have Standing.

**LSA** means: Living Soul Author : William John : A sovereign, living, breathing sentient being with soul, breath, consciousness and competence to claim and write with knowledge and authority, the author of this Living Testimony, Affidavit of Status/Standing.

**i, my and me** means: LSA : William John : Living Man, living in the private.

**Living Man** means: A living breathing sentient being standing in their natural state with inherent Universal sovereignty and encompassing Mind, Body, Spirit and Soul.

**Ens Legis** means: An artificial person created by law as a corporation.

**Presumption** means: An idea that is taken to be true on the basis of probability and must be agreed upon by all parties and should a presumption be formally challenged by one party then there is a requirement to remove that presumption. The presumption then has no standing or merit in fact.

**Probability** means: The extent to which something is probable, the likelihood of something happening or being the case. By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material fact.

**Government** means: Corporate company, Corporate entities purporting to be regional, district and/or national 'government' entities.

**Sui Juris** means: Of his own right; possessing full social and civil rights; not under any legal disability, or the power of another, or guardianship. Having capacity to manage one's own affairs; not under legal disability to act for one's self.

**Common Law** means: Law of the Land, the commonsense of the community, crystalised and formulated by our forefathers. It is not local law, nor the result of legislation. Under Common Law jurisdiction all people are born equal and are endowed with inherent Unalienable Rights that they possess as their life long private property. Under Common Law jurisdiction both parties must enter into every contract knowingly, voluntarily and intentionally, without coercion or deception, or the contract is unenforceable and void.

**Unalienable Rights** means: Natural, non-lienable rights and freedoms of "We the People", in particular Living Man : William John : my unalienable rights were not given to me by any man-made authority, nor can they be taken away by any man-made authority. The state as a creation of "We the People" can only acknowledge, uphold and protect my unalienable rights.

**Right to Life** means: The right to breath fresh air uninhibited, to have access to clean water, natural food and shelter.

**New Zealand** means: The land first charted as [Nova Zeelandia] now commonly known as [New Zealand, Nu Tiren and Aotearoa].

**Witnesses:** Justice of the Peace/Notary/Registrar/solicitor of the High Court witness provided for public cognizance only and does not alter my Status/Standing or jurisdiction, and does not transfer jurisdiction to Admiralty/Maritime

**Insufficient Response** means: A response which is received within twenty-one (21) calendar days from the Effective Date, but which fails to rebut any of the statements or claims within this Affidavit or offers blanket denials, unsupported rebuttals, inapposite rebuttals such as "not applicable" or equivalent statements and/or any rebuttal which lacks verification or fails to exhibit supportive evidence certified to be true.

 CONSENSUS FACIT LEGEM;

and

29. i, LSA : William John : declare the rules of Civil Procedure do not apply to men or women and only a court of Common Law jurisdiction before a jury of 12 peers can adjudicate any alleged offence(s) : William John : is accused of; and
30. i, LSA : William John : formally challenge the following 12 presumptions of law:

There are 12 key presumptions asserted by the private bar Guilds which if unchallenged stand true, being - **public record, public service, public oath, immunity, summons, custody, court of guardians, court of trustees, government as executor/beneficiary, agent and agency, incompetence and guilt**

- 30.1 **The presumption of public record** is that any matter brought before a state court is a matter for the public record when in fact it is presumed by the members of the private bar Guild that the matter is a private bar Guild business matter and unless openly rebutted and rejected by stating clearly the matter is to be on the public record the matter remains a private bar Guild matter completely under private bar Guild rules

i, LSA : William John : demand all matters to be on and for the public record, and rebut, rebuke and reject any claim that any and all matters is/are a private bar Guild business matter(s)

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of public record as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.2 **The presumption of public service** is that all the members of the private bar Guild who have all sworn a solemn secret absolute oath to the Guild then act as public agents of the government or public officials by making additional oaths of public office that openly and deliberately contradict the private superior oaths to their own Guild and unless openly rebuked and rejected the claim stands that these private bar Guild members are legitimate public servants and therefore trustees under public oath

i, LSA : William John : demand that any and all members of the private bar Guild acting in the capacity of public officials who claim to have sworn a solemn public oath to God Almighty must publicly rebut, rebuke and reject their oath to the private bar Guild and act solely under their sworn solemn public oath as legitimate public servants and trustees

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of public service as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.3 **The presumption of public oath** is that all members of the private bar Guild acting in the capacity of public officials who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly impartiality and fairly as dictated by their oath and unless openly challenged and demanded the presumption stands that the private bar Guild members have functioned under their public oath in contradiction to the Guild oath and if challenged such individuals must recuse themselves as having a conflict of interest and cannot possibly stand under a public oath

i, LSA : William John : demand that any and all members of the private bar Guild acting in the capacity of public officials who claim to have sworn a solemn public oath to God Almighty must publicly rebut, rebuke and reject their oath to the private bar Guild and publicly restate a solemn public oath to God Almighty, or must recuse themselves as having a conflict of interest and therefore cannot possibly stand under a public oath

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of public oath as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.4 **The presumption of immunity** is that key members of the private bar Guild in the capacity of public officials acting as judges, prosecutors and magistrates who have sworn a solemn public oath in good faith, are immune from personal claims of injury and liability and unless openly challenged and their oath demanded the presumption stands that the members of the private bar Guild as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions

i, LSA : William John : demand that any and all members of the private bar Guild, acting as public officials and/or public trustees, in the capacity of judges, prosecutors, registrars,

clerks of courts, and magistrates who claim to have sworn a solemn public oath in good faith are personally accountable for their actions and are liable to personal claims of injury, liability and remedy

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of public immunity as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.5 **The presumption of summons** is that by custom a summons unrebutted stands and therefore one who attends court is presumed to accept jurisdiction of the court and a position, defendant, juror, witness and attendance to court is usually invitation by summons, unless the summons is rejected and returned with a copy of the rejection filed prior to choosing to visit or attend then jurisdiction and position as the accused and the existence of guilt stands

i, LSA : William John : stand and declare my standing as Living Man and am not a dead entity that is to be summonsed and do not accept any presumed position of defendant, juror, witness or any other allocated position, and reject jurisdiction of the court and reject any summons to attend court

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of summons as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.6 **The presumption of custody** is that by custom a summons or warrant for arrest unrebutted stands and therefore one who attends court is presumed to be a thing and therefore liable to be detained in custody by custodians whereas custodians may only lawfully hold custody of property and things, not flesh and blood soul possessing beings and unless this presumption is openly challenged by rejection of summons and/or at court, the presumption stands you are a thing and property and therefore lawfully able to be kept in custody by custodians

i, LSA : William John : stand and declare my standing as Living Man and am not a dead legal fiction, nor a legally defined person, nor a thing, nor a property, and must not and can not be detained, nor kept in custody by custodians, as custodians are only lawfully able to hold custody of property and things, not a flesh and blood soul-possessing breathing sentient Living Man

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of custody as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

30.7 **The presumption of court of guardians** is the presumption that as you may be listed as a resident of a ward of a local government area and/or that you are a pauper, and/or considered a lunatic and/or disabled and therefore under the guardian powers of the government and its agents as a court of guardians and unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter/trust before the court the presumption stands and you are by default a ward/pauper/lunatic/disabled and therefore must obey the rules of the court of guardians, clerk of magistrates court

i, LSA : William John : stand and declare my standing as Living Man come of age and have sole authority over any and all my affairs and am not a ward, nor a pauper, nor a lunatic, nor disabled, nor any other presumed representative of subservience and therefore am not obliged nor compelled to obey any rules under the guardian powers of the government and/or its agents as court of guardians, clerk of guardians, clerk of courts of any and all courts

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of court of guardians as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

- 30.8 **The presumption of court of trustees** is that members of the private bar Guild presume you accept the office of trustee as a public servant and government employee just by attending a Roman court and as such courts are always for public trustees by the rules of the Guild and the Roman system and unless this presumption is openly challenged to state you are merely visiting by invitation to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction simply because you appeared

i, LSA : William John : do not assume the office of trustee as a public servant or government employee in any instance just by attending a Roman court, as such courts are always for public trustees by the rules of the Guild and the Roman System and am merely visiting by special appearance in any and all courts by invitation to clear up the matter

*i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of court of trustees as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

- 30.9 **The presumption of government acting in two roles as executor and beneficiary** is that the private bar Guild appoints the judge and magistrate in the capacity of executor while the prosecutor acts in the capacity of a beneficiary of the trust and that by default you act as the trustee and as the trustee must obey the executor for the matter at hand and if you, as the accused seek to assert your right as executor and beneficiary over the body, mind and soul you are assumed to be acting as an executor de son tort or false executor and therefore the judge/magistrate has the right to have you arrested, detained, fined or forced into a psychiatric evaluation and may seek the assistance of bailiffs or sheriff's to assert the false claim against you and therefore unless this presumption is openly challenged to demonstrate that you are not the trustee and that you are the true general guardian, general executor and beneficiary for the matter/trust before the court, the presumption stands

i, LSA : William John : stand and declare my standing as Living Man and general guardian and general executor and beneficiary and not the trustee of the matter/trust and reject the private bar Guild appointing the judge/magistrate/registrar in the capacity of executor and the prosecutor in the capacity of beneficiary of the trust and therefore the court has a fiduciary responsibility to the trust and must obey the rules, instructions and decisions of the executor in any and all matters before any and all courts

- i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of government acting in two roles as executor and beneficiary as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*
- 30.10 **The presumption of agents and agencies** is the presumption that under contract law you have expressed and granted authority to the judge and magistrate through the statement of such words as recognised, understand or comprehend and therefore agree to be bound to a contract and therefore unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognise you" to remove all implied or expressed appointment of the judge, prosecutor or clerk as agents the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate
- i, LSA : William John : do not recognise that any or all judges/magistrates, prosecutors, registrars, clerks of the court or any government agents or agency have any right or authority, implied or expressed, over me and no agent or agency has the right to seek the assistance of police, bailiffs or sheriffs to assert their false claims, to arrest, detain, fine or force me into psychiatric evaluation*
- i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of agents and agencies as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*
- 30.11 **The presumption of incompetence** is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly, therefore the judge/magistrate as executor has the right to have you arrested, detained, fined, or forced into a psychiatric evaluation and unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands by the time of pleading that you are incompetent then the judge or magistrate can do what they need to keep you obedient
- i, LSA : William John : am not ignorant of the law nor of any presumptions of law and being Sui Juris i am of sound mind, literate, articulate and as executor and beneficiary are competent to present and argue properly and therefore the judge/magistrate/registrar is acting unlawfully as Executor De Son Tort and has no right to have me arrested, detained, fined or forced into a psychiatric evaluation*
- i, LSA : William John : formally challenge, abrogate, rebut and renounce the presumption of incompetence as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*
- 30.12 **The presumption of guilt** is the presumption that as it is presumed to be a private business meeting of the bar Guild, you are guilty whether you plead guilty, do not plead or plead not guilty, therefore unless you either have previously prepared in affidavit of truth and motion to dismiss with extreme prejudice onto the public record or call a demurrer then the presumption is you are guilty and the private bar Guild can hold you until a bond is prepared to guarantee the amount the Guild wants to profit from you
- i, LSA : William John : through this Affidavit reject any and all presumptions that any and all matters before any and all courts are private business meetings of the bar Guild and reject any and all presumptions of guilt*

*i, LSA : William John : formally challenge abrogate, rebut and renounce the presumption of guilt as it is by definition a presumption by definition and has no standing or merit in presentable or material fact*

31. i, LSA : William John : through this Affidavit of Status/Standing am formally challenging, abrogating, rebutting and renouncing any and all presumptions made in law as by definition a presumption has no standing or merit in presentable or material fact; and
32. i, LSA : William John : unless i give my specific written, conscious, fully aware and fully informed consent, without coercion, to each individual act as a result of full disclosure of every possible effect or outcome of such use, with nothing hidden, no deception employed, autographed by me in wet ink and can be produced on demand, hereby renounce, rebut, disassociate and reject any and all claimed authority of any and all Legislation, Corporate Law, the Rule of Law, the See of Rome, Ecclesiastical Law, Admiralty Law, Maritime Law and Roman Law; and declare any and all contracts made without my Living Man's knowing and active present consent to be null and void ad infinitum; and
33. i, LSA : William John : give formal **Notice** of an administrative Fee Schedule for remedy of the Living Man : William John : as a lawful means of peacefully ensuring full accountability for all unlawful matters relating to unlawful solicited/unsolicited interference in my private matters and/or commercial affairs that will be applied without malice, prejudice or frivolity; and
34. i, LSA : William John : conditionally accept to pay all outstanding verified debts owed in full, upon 'proof of claim and proof of loss' affirmed by authorised lawful authority and certified or notarised proof of binding contract between i, LSA : William John : and said man or woman with first-hand knowledge, in correct language for LSA consideration; and

36. All facts are created with my, LSA : William John : first-hand knowledge declared in this Affidavit of Status/Standing; and
37. Reader(s) failure to rebut i, LSA : William John : on point-by-point basis this Affidavit, **no later than twenty-one (21) calendar days** from signed receipt of, the Effective Date, will comprise readers tacit procurement of agreement of all facts herein, in perpetuity and any and all rebuttals to be signed in wet ink under writer's full liability and under penalty of perjury, and
38. If an extension of time is required, a request in writing to be sent within seven (7) days from signed receipt of this conveyance to the address as set out above; and
39. Any reply to this Affidavit other than a verified point-by-point response sworn under full commercial liability at the risk of perjury with supporting evidence certified to be true, correct, certain, complete and not misleading and with first hand personal knowledge attached in the form of an affidavit is deemed to be an insufficient response and will be taken as agreement under Tacit Acquiescence thus formalising this Affidavit of Status/Standing and the recipients agreement of the claims herein and acceptance of all liabilities in this matter; and

## **Part C – Statement of Truth and Statement of Fact.**

All rights Reserved

i, LSA: William John: of the family Bilbe stand under this statement of truth and facts with full liability.

Affiant i, LSA : William John : believe that i have been tricked into a lifetime contract, acting as a Dead Legal Fiction [a person] whereupon i have been stripped of all of my rights and made property of the state.

i, LSA : William John : was not given full disclosure on the lifetime contract that i, LSA : William John : was signed up for by my mother and father who were never given full disclosure in the Birth Registration process. i was obligated and compelled to follow Rules, Regulations, Acts, Statutes and Policy [all legal legislations] all of which require consent from living men/women. These legal legislations are NOT law, simply colours of law that require consent, without consent these become an enactment of slavery.

i, LSA : William John : do not consent and instead establish my standing as a Sovereign Living Man via this Affidavit/Statement of Truth and any and all legal legislations do not apply to me provided there is no intentional crime in law: no loss, no harm, no injury to any other man/woman or damage to their property or breach of peace.

Legal legislation is based on Contract law, Admiralty and Maritime law, and if you were deceived and unwittingly consented to a contract but were not given full disclosure and did not sign the contract then the contract is fraudulent/unlawful [Crimes Act 1961, section 240; UK Fraud Act 2006, sections 2 & 3] and therefore becomes null & void.

Therefore, all contracts i, LSA : William John : have unknowingly consented to by acting as the Legal Fiction [person] WILLIAM JOHN BILBE become null & void, ab initio.
