I declare that I am a living woman going about her every day business, with the right to make all decisions over how I run my life and are able to self determine and administer my own estate. I am only bound by the lore of Nature and my creator God's lore. I am not a company, I am not property of the Crown or any other governing body, so you and the governing body you represent have no authority over me. Companies can only control other companies and artificial persons, not living men and women. My estate can only be taken over if I am dead. If you are acting on behalf of a company or governing body these are subject to commerce and contract law which requires informed consent. Your boss has clearly misled you to believe you have some control over me. I say clearly, I do not consent for you to enter my property or interfere in my affairs. If you continue with your actions, you are accountable in your full private and commercial capacity. Ignorance of the law is no excuse; actions of bad faith remove your immunity to civil and criminal prosecution. If you claim authority over me and my property, you are guilty of the crimes of fraud and enslavement with intent. Slavery charges are imprisonment up to 7 years, fraud charges are from 3 to 30 years with one million dollars charge per fraudulent activity. You have been warned and are now served this LIABILITY NOTICE that if you continue with the action you are taking, I have the authority to charge you for your crimes and with my own compensation schedule of fees. I have gone through the complete lawful process into self governance over my own life and my property and have removed the jurisdiction of the Crown over my life and my property and land, plus now own copyright of the legal fictions set up to represent me. Please see four unrebutted Affidavits of Status and Truth for Janine Barbara on publicnoticesnz.com in the category 'Affidavits- Unrebutted'. These affidavits were presented and unrebutted by authorised agents and government heads of the Crown locally, nationally and internationally. An unrebutted affidavit stands as truth in law and commerce.

I, 'Janine Barbara' declare I have the right to manage my daily affairs, right to life, liberty, security, equality, dignity plus right to work, access to water, food, travel, medical care, my bank account and funds and basic needs and visit my loved ones without interference, be free of any discrimination, right to not be held in slavery or any form of torture or degrading treatment or punishment, right to not be subjected to scientific or medical experimentation, right to refuse medical treatment, right to choose how I manage my own health and life, right to be treated fairly, right to privacy, right to freedom of movement and residence, to own things, freedom of thought and religion, freedom of opinion and expression, right to assemble, right to protect myself and my property and right to social security and social service. These rights can not be taken away, and anyone acting on behalf of the Crown or as agent of the Crown or any other corporation or party that interferes with any one of these basic rights can be charged per act or as per my compensation fee schedule on next page.

As the Principal in this matter, We now NOTICE *Steven Peterson* the living man and the agency and Corporations that he/she represents that this is a cease and desist order and trespass notice and liability notice that any further contact or action from you or the company or agency you represent will invoke the compensation fees contained in Our schedule (attached) with the lawful right to seize your property and the property of the company you represent and liquidate your assets if not paid out in full with ten days of receipt that my invoice is received.
