If a remedy does not exist, or if the existing remedy has been subverted, then one may create a remedy for themselves and endow it with credibility by expressing it in their affidavit. Not one of the debtors chose to take remedy.

Ignorance of the law may be an excuse however the Lien claimant provided a break down of the law she was claiming from in simple English terms and each debtor had the opportunity to study the law for themselves which is readily available to anyone making a reasonable effort to study the law.

All corporate government and corporate law is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments and corporations cannot exercise the power to expunge commercial processes.

The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of Commercial Bonds against Public Hazard.

No Bond means no responsibility, means no power of Official signature, means no real corporate political power, and means no privilege to operate statutes as a corporate vehicle.

The Corporate Legal Power is secondary to Commercial Guarantors. Case Law is not a responsible substitute for a Bond.

Municipal corporations, which include cities, countries, states and national governments, have no commercial reality without the bonding of the entity, its vehicles (statutes) and its effects (the execution of its rulings).

In commerce, it is a felony for the Officer of a Political Party/Public Office to not receive and report a Claim to its Bonding Company – and it is a felony for the agent of a Bonding Company to not pay the Claim.

If a Bonding Company does not get a malfeasant public official prosecuted for criminal malpractice within sixty (60) days, then it must pay the full face value of a defaulted Lien process (at 90 days).

Except for a Jury, it is also a fatal offense for any person, even a judge, to impair or to expunge, without a Counter-Affidavit, any Affidavit or commercial process based upon an Affidavit.

Judicial non-jury commercial judgements and orders originate from a limited liability entity called a municipal corporation – hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.

A foreclosure by a summary judgement (non-jury) without a commercial bond is a violation of commercial law.

Governments cannot make unbounded rulings or statutes which control commerce, free enterprise citizens or sole proprietorships without suspending commerce by a general declaration of martial law.

It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully, outside of or without the Court.

An official (officer of the court, policeman etc.) must demonstrate that he/she is individually bonded in order to use a summary process.

An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor- and his/her property becomes forfeited as a pledge to serve the lien. Pound breach (breach of impoundment) and rescue is a felony.

It is against the law for a Judge to summarily remove, dismiss or dissolve a commercial lien.

Notice to agent is notice to principal, notice to principal is notice to agent.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS: All officials are required by federal, state and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond, and, if required, a copy of the policy describing the bonding coverage of their specific job performance.

Failure to provide this information constitutes corporate and limited liability insurance fraud (e.g 15USC), and is prima-facie evidence and grounds to impose a lien upon the official, personally, to secure their public oath and service of office.
