A full set of the hard copy of high court documents were sent via courier post with tracking number LW123450838NZ to Debra East as the formally appointed representative of all the debtors. Please see the attachment. The documents were received on Tuesday 19 March at 6.30am, however Debra chose to 'return to sender' acting in bad faith and with dishonour making her fully chargeable in the private. The ten working days commenced from the day after first receipt being 19 March 2024. Taking into account Easter Friday and Monday the due date for formal response from the debtors is 5pm on Wednesday 3 April 2024 served to me via my postal address 37A Glue Pot Road, Oropi, Tauranga 3173.

Hi Chris

Can you please advise that you have provided a copy of the attached documents sent to you on Monday 25 March 2024 to the defendants.

Can you also please confirm where to send the hard copy now that Debra East is acting is dishonour as the formal receiver of communication and there have been up to 2 weeks delays sending to Kotuku House in Auckland, and you said that you are often not in your office so need to be informed what is the updated address for service and person to send hard copy documents to.

To: Chris Jury <Chris.Jury@tewhatuora.govt.nz>, Chris Jury <Chris.Jury@health.govt.nz>

Dear Chris

An error was spotted and has been corrected with change to the last two pages of the memorandum two being the maxims of law. Please find the corrected memorandum two consisting of 32 pages attached. For your knowledge the property valuation information was obtained from corelogic.co.nz from the current registered valuation of each property. The file is too large to send via email, however the PPSR finance statement has the legal description and valuation data.

Please provide written confirmation that you have provided this information to all the debtors..This amended Memorandum Two plus email plus yesterday's emails will be uploaded onto the High Court site soon after this is sent.

Dear Stephen

The High Court process states that need to inform the Registrar that Servings have occurred. Please see serving notices attached also filed online with main filing references **T216290 and T 210900 and T215430**. The defendants have until 5pm on 18 April 2024 to file a defence. The affidavit of service documents are on memorandum two. Memorandum three is removal of one of the defendants.

The defendants have gone into hiding since knowing they were being personally served (and therefore required serving all parties at the home address) with no communication from lawyer Chris Jury who is supposed to provide the information to them. They have not been going into the work place and not answering at the home address. The memorandums two and three have managed to serve to two of parties. With signature required mail they have been returning. Can you please advise if emailing the lawyer Chris Jury is sufficient plus email to defendant plus postal tracking. Trying to ensure proper process is followed.

As we were walking away Donald started yelling at us to get off his property, which we were already doing. We both felt threatened as he was behaving in an aggressive manner.
