I have also attached the compensation schedule which was part of the unrebutted affidavit for your reference. Please note the compensation charges 6 and 7 are for one million dollars for causing loss/harm by deception or stealing from me or bank accounts that I have authority over. **Notice from Principal to Principal, Notice to Principal is Notice to Agent, Notice to Agent is Notice to Principal**

Dear Christine and Vittoria

An email came from [CustomerCare@asb.co.nz](mailto:CustomerCare@asb.co.nz) addressed to 'Mrs J Walters' to my email address [janine.a.walters@gmail.com](mailto:janine.a.walters@gmail.com) on Thursday 14<sup>th</sup> day of December with a letter attached dated 12 December also addressed to 'Mrs J Walters' and signed with the name 'Christine Fletcher'

This name 'Mrs J Walters' represents a legal fiction corporation trade name that the copy right is owned by me, as per unrebutted affidavit received by you on 8<sup>th</sup> day of November 2023. As this letter was responding to correspondence sent to Vittoria Shortt including lawful request for full disclosure on 100 questions, an Affidavit which also included the 100 questions where a response was required back by 30<sup>th</sup> day of November 2023, then neither of you have any excuse to the understanding of the difference between a legal fiction and a living man or woman. The living woman Vittoria Shortt has already acted twice in dishonor and bad faith by not responding to the request for full disclosure and secondly not responding back to an Affidavit that also requested full disclosure with non response taken as tacit acceptance that everything written by me was true and correct. An unrebutted Affidavit stands as truth in law and commerce. As you are aware of this correspondence then you have no excuses of understanding that it is fraudulent in nature to address a letter to a legal fiction corporate person to try and make the reader believe it is addressed to him/her, and this is a chargeable offence on my compensation fee schedule. Please see item one for charge one million dollars for unauthorised use of any of my trade names and using deceit.

As long as my requirements are met in the next two below paragraphs I will not add the extra compensation charge of one million dollars which can be charged to you in the private for unauthorized and deceitful use of my trade name 'Mrs J Walters', and if I find out that 'Christine Fletcher does not exist but is a computerized fictional name or entity as another attempt at deceit I can lay further charges.

This is the fourth notice that the payment of three million five hundred and thirty eight thousand and seventy four dollars (\$3,538,074.00) is due on Tuesday 19<sup>th</sup> of December 2023 with invoice also attached for this same amount. The bank account for payment is as follows: House of Talia Dawn Private Foundation Kiwibank 38-9024-0122732-00 As per Affidavit received 8<sup>th</sup> of November and letter and three witness affidavits received 5<sup>th</sup> of December and letter received via email on 14<sup>th</sup> December and received by post on 15<sup>th</sup> day of December that in the event of non payment by 19<sup>th</sup> day of December I have the lawful right to act as liquidator to seize property and assets of the acting agent or parent company that is in default or its successor up to the value of three billion new Zealand dollars as the secured party creditor.

I have also attached the compensation schedule which was part of the un rebutted affidavit for your reference. Please note the compensation charges 6 and 7 are for one million dollars for causing loss/harm by deception or stealing from me or bank accounts that I have authority over. I remind you that the mortgage 12324652.3 and associated loan was cancelled immediately from first day of December and any further payments taken out are fraudulent and without my consent and will result in a one million dollar charge per event/item. It is your responsibility to ensure that the bank account 12-3491-0044887-92 is closed with nil balance and the four hundred and eighty five thousand and twelve thousand dollars of payments reversed and placed back as credit into the 12-3491-0044887-00 account by 19<sup>th</sup> day of December 2023. You have received notice of required payment and consequences of non payment four times so have no excuses
