lawfully placed commercial liens. As we have taken over the running of all listed and crown corporations  
that makes Crown Corporate Law, I Janine the Commander and Chief of the Crown Corporations have full  
lawful rights to add, alter, amend and delete any laws/orders made that are causing injustice and harm, and  
add laws/orders for protection of the people and the lands;

Arabella am the co-settlor where all the people of New Zealand are the beneficiaries. Further corporations  
will be taken over if harm continues and this includes all local, district and regional council corporations;

1. **Therefore I declare that** I have placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporation and their officers shall now be held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-or-ation (dead man speaking) can never have control over a man or woman;

2. **Whereas I declare that** I have issued an Immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply within this land known as Aotearoa, in the realm of New Zealand into our water or onto our land or into our air or into our food supply or into our animals or plants or into vaccinations or other recommended pharmaceutical drugs, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event, where the government own data released on 31 March 2024 had the population at that time being 5,338,900 which brings the total amount of commercial liability for placing fluoride or any harmful chemicals or substances to five trillion, three hundred and thirty-eight billion, and nine hundred million dollars that will be released instantly to the people or the people of each council local government area can seize all the local assets and take over the running of their local communities in such a way that no harm is done, plus can take over immediately the personal assets of any agent, officer, minister or employee of any crown or council corporation if he/she continue with any actions of harm;

3. That the officers of the listed corporations were instructed to reduce all forms of personal and income and goods and services taxes to maximum of ten percent by the seventh day of October 2024 and this did not occur, so with full lawful right and authority as the Commander I have cancelled all personal and income and goods and service taxes that have been placed on the people due to all of these being charged fraudulently and these taxes can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce fraudulent and cancelled taxes upon them with all past taxes owed and student debt cancelled from 19 July 2024;

4. That I Janine the living Commander of the above-listed corporations ordered their officers by seventh day of October 2024 to reduce property taxes to maximum of one thousand per year per property backdated to nineteenth day of July 2024 and I confirm this did not occur so with full lawful authority I cancelled all property taxes altogether due to fraud backdated to 19th day of July 2024 and any past charges or debt owed is cancelled backdated to 19 July 2024.
