Chattel Paper

Martin David Grenfell as individual and in his role as Chief Executive Officer of Tauranga City Council due to actions of dishonour is now fully liable in the private for all debts associated with the Tauranga City Council as follows. I, Janine of the House of Arabella and Walters, as Commander and Chief over all the Crown Corporations placed a commercial Lien on the Personal Properties Security Register with registration number F443VJY292DP59G8 over Tauranga City Council on 22 October 2024 for immediate payment of \$323,420,000,000.00 and due to having no means to make payment with immediate full lawful rights and authority seized all the property assets of corporation of Tauranga City Council on 23 October 2024 with all the assets now held in Janine's and the People's Irrevocable Trust as the settlor where all people's in our community are the beneficiaries of these assets belonging to Tauranga City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, Documents of Title, Chattel Papers, Money, precious metals and any owned Goods and All Present and After Acquired Property including 822 properties. This includes 4 Wharf Street Tauranga that currently has an unlawful and fraudulent sale and purchase agreement in place where Tauranga City Council is no longer the lawful owner so this sale is now null and void. All assets are now held in Janine and The People's Irrevocable Trust. The trust documents and caveat and Commercial Lien documents are on the public record notice board publicnoticesnz.com and show that this property is now held in the Janine and the People's Irrevocable Trust. The asset value of Tauranga City Council was less than 1.4 billion leaving an outstanding debt of 322 billion dollars. As Tauranga City Council is now insolvent from 23 October 2024 any transactions or decisions that any officer of agent of the corporation makes including Martin Grenfell and Alexander Mahe Drysdale make without written authorisation of Janine the Commander and Chief over the Tauranga City Council as the Secured Party Creditor become null and void. You are informed that God made men and women and men and women made corporations and a corporation can never have control over a man or women without his or her consent and if your actions and the actions of other officers within the corporation you represent continue trying to take control over the free will and choices of living men and women you are fully liable for all actions. Orders are provided for immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply or into our air or onto our land or into our food supply or into our animals or plants or into vaccinations or any other recommended pharmaceutical drugs, plus administering the estate of private individuals, any instance of taking control over private affairs of individuals on their own land, fraudulent charging of rates and other revenue activities where there is no proof of harm, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event. If actions of harm continue you will be removed from your position and your own assets seized including all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, Documents of Title, Chattel Papers, Money, precious metals and any owned Goods and all present and after acquired personal property.

Goods - Other

Alexander Mahe Owens DRYSDALE as individual and in his role as Mayor of Tauranga City Council due to actions of dishonour is now fully liable in the private for all debts associated with the Tauranga City Council as follows. I, Janine of the House of Arabella and Walters, as Commander and Chief over all the Crown Corporations placed a commercial Lien on the Personal Properties Security Register with registration number F443VJY292DP59G8 over Tauranga City Council on 22 October 2024 for immediate payment of \$323,420,000,000.00 and due to having no means to make payment with immediate full lawful rights and authority seized all the property assets of corporation of Tauranga City Council on 23 October 2024 with all the assets now held in Janine's and the People's Irrevocable Trust as the settlor where all people's in our community are the beneficiaries of these assets belonging to Tauranga City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, Documents of Title, Chattel Papers, Money, precious metals and any owned Goods and All Present and After Acquired Property including 822 properties. This includes 4 Wharf Street Tauranga that currently has an unlawful and fraudulent sale and purchase agreement in place where Tauranga City Council is no longer the lawful owner so this sale is now null and void. All assets are now held in Janine and The People's Irrevocable Trust. The trust documents and caveat and Commercial Lien documents are on the public record notice board publicnoticesnz.com and show that this property is now held in the Janine and the People's Irrevocable Trust. The asset value of Tauranga City Council was less than 1.4 billion leaving an outstanding debt of 322 billion dollars. As Tauranga City Council is now insolvent from 23 October 2024 any transactions or decisions that any officer of agent of the corporation makes including Martin Grenfell and Alexander Mahe Drysdale make without written authorisation of Janine the Commander and Chief over the Tauranga City Council as the Secured Party Creditor become null and void. You are informed that God made men and women and men and women made corporations and a corporation can never have control over a man or women without his or her consent and if your actions and the actions of other officers within the corporation you represent continue trying to take control over the free will and choices of living men and women you are fully liable for all actions. Orders are provided for immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply or into our air or onto our land or into our food supply or into our animals or plants or into vaccinations or any other recommended pharmaceutical drugs, plus administering the estate of private individuals, any instance of taking control over private affairs of individuals on their own land, fraudulent charging of rates and other revenue activities where there is no proof of harm, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event. If actions of harm continue you will be removed from your position and your own assets seized including all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, Documents of Title, Chattel Papers, Money, precious metals and any owned Goods and all present and after acquired personal property.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Whangarei District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 96,678 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$193,356,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Whangarei District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Whangarei District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Documents of Title

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Whanganui District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 47,619 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$95,238,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Whanganui District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Whanganui District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issue this Liability Notice to any and all councilors and directors and chief executive officer on behalf of Western Bay of Plenty District Council. The data from the government website stats.govt.nz shows in 2023 that 56,184 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$112,368,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Western Bay of Plenty District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Western Bay of Plenty District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Wellington City Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 202,689 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$405,378,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Wellington City Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Wellington City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a liability notice to any and all councilors and directors and chief executive officer on behalf of Waikato District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 85,968 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$171,936,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Waikato District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Waikato District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councilors and directors and chief executive officer on behalf of Timaru District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 47,547 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$95,094,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Timaru District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Timaru District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Taupo District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 40,296 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$80,592,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Taupo District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Taupo District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations Issued a liability notice to any and all councilors and directors and chief executive officer on behalf of Southland Regional Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 100,143 people living in this regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$200,286,000,000.00 as Secured Party Creditor for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Southland Regional Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Southland Regional Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issue this liability notice to any and all councilors and directors and chief executive officer on behalf of Southland District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 31,833 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$63,666,000,000.00 as Secured Party Creditor for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Southland District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Southland District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issue this Liability Notice to any and all councilors and directors and chief executive officer on behalf of Selwyn District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 78,144 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$156,288,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Selwyn District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Selwyn District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of New Plymouth District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 87,000 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$174,000,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of New Plymouth District Council where all assets will be held in Janine's Trust as the settlor where all the peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging New Plymouth District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Napier City Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 64,695 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$129,390,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Napier City Council where all the peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Napier City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councillors and directors and chief executive officer on behalf of Matamata-Piako District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 37,098 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$ 74,196,000,000.00 as Secured Party Creditor for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Matamata-Piako District Council where all assets will be held in Janine's Trust as the settlor where all the peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Matamata-Piako District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councilors and directors and chief executive officer on behalf of Hastings District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 85,965 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$171,930,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Hastings District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Hastings Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a liability notice dated 15 October 204 to any and all councilors and directors and chief executive officer on behalf of Dunedin City Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 128,901 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$257,802,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Dunedin City Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations with full lawful rights have taken over all assets belonging to Dunedin City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and precious metals, and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Collateral Type Description	Negotiable Instruments I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a liability notice dated 15 October 204 to any and all councilors and directors and chief executive officer on behalf of Dunedin City Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 128,901 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$257,802,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Dunedin City Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations with full lawful rights have taken over all assets belonging to Dunedin City Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and precious metals, and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations Issued a liability notice dated 15 October 2024 to any and all councilors and directors and chief executive officer on behalf of Clutha District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 18,315 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$36,630,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Clutha District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Clutha District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and precious metals, and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Description I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations Issued a liability notice dated 15 October 2024 to any and all councilors and directors and chief executive officer on behalf of Central Otago District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 24,306 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$48,612,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Central Otago District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations with full lawful rights have taken over all assets belonging to Central Otago District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and precious metals, and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Collateral Type Description	Chattel Paper
	<p>I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice dated 15 October 2024 to any and all councilors and directors and chief executive officer on behalf of Buller District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 10,446 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$20,892,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Buller District Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations with full lawful rights have taken over all assets belonging to Buller District Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and precious metals, and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.</p>

Negotiable Instruments

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a liability notice to any and all councilors and directors and chief executive officer on behalf of Bay of Plenty Regional Council (name of council corporation). The data from your own website shows in 2018 that 307,000 people living in this council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$614,000,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Bay of Plenty Regional Council where all assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging to Bay of Plenty Regional Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issued a Liability Notice to any and all councilors and directors and chief executive officer on behalf of Auckland Council (name of council corporation) and all the Board Areas that sit under it . The data from the government website stats.govt.nz shows in 2023 that 1,656,486 people living in this area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of \$3,312,972,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Auckland Council and all Board Areas under it where all the assets will be held in Janine's Trust as the settlor where all peoples in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander and Chief over all the Crown and Council Corporations have taken over all assets belonging Auckland Council including drinking water, fluoride, water reservoirs, employment contracts and related documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full with the right to add ten percent penalty interest per week until this debt is settled in full and the right to add further charges of harm and do full takeover and removing any employee who acts in a manner to cause harm to the people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations Issued a
Liability Notice dated 15 October 2024 to any and all councilors and directors and chief executive officer
on behalf of Ashburton District Council (name of council corporation). The data from the government
website stats.govt.nz shows in 2023 that 34,746 people living in this district council or regional council
area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area
for fraudulently charging the people rates and making them guarantors without their knowledge or
consent of their own corporation debt. There is also a one million dollar charge of harm for placing or
intentional threats of placing fluoride into the water when there is evidence that this is harmful
especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one
million dollars which calculates to figure of charge of harm of \$69,492,000,000.00 for immediate
payment and in event of non payment the lawful authority to seize all property assets of corporation of
Ashburton District Council where all assets will be held in Janine's Trust as the settlor where all people's
in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander
and Chief over all the Crown and Council Corporations have taken over all assets belonging to Ashburton
District Council including drinking water, fluoride, water reservoirs, employment contracts and related
documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment
Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and
precious metals and any owned Goods to the same value until paid out in full with the right to add ten
percent penalty interest per week until this debt is settled in full and the right to add further charges of
harm and do full takeover and removing any employee who acts in a manner to cause harm to the
people, the land, air, water, animals or plants or harm of any form.

Chattel Paper

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations Issued a
Liability Notice dated 15 October 2024 to any and all councilors and directors and chief executive officer
on behalf of Ashburton District Council (name of council corporation). The data from the government
website stats.govt.nz shows in 2023 that 34,746 people living in this district council or regional council
area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area
for fraudulently charging the people rates and making them guarantors without their knowledge or
consent of their own corporation debt. There is also a one million dollar charge of harm for placing or
intentional threats of placing fluoride into the water when there is evidence that this is harmful
especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one
million dollars which calculates to figure of charge of harm of \$69,492,000,000.00 for immediate
payment and in event of non payment the lawful authority to seize all property assets of corporation of
Ashburton District Council where all assets will be held in Janine's Trust as the settlor where all people's
in our community are the beneficiaries of these assets. Janine of the House of Arabella, as Commander
and Chief over all the Crown and Council Corporations have taken over all assets belonging to Ashburton
District Council including drinking water, fluoride, water reservoirs, employment contracts and related
documentation, all financial and operational records, Intangibles, Negotiable Instruments, Investment
Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money and
precious metals and any owned Goods to the same value until paid out in full with the right to add ten
percent penalty interest per week until this debt is settled in full and the right to add further charges of
harm and do full takeover and removing any employee who acts in a manner to cause harm to the
people, the land, air, water, animals or plants or harm of any form.

Description

The Chief executive officer representing NEW ZEALAND POLICE has participated and authorising all officers to do revenue making and making the people of New Zealand Debt slaves where CEO did not rebut the high court claims and through tacit acceptance admitted liability of the corporation for these actions. The police are commissioned to return to serving the people of this country and protect them and prevent them by being removed out of their homes and from their land through corruption and deceit where everything has been in place by the Crown and Council and Bank Corporations for full private property takeover in this country with the police corporation complicit in these actions, plus removing the freedom rights and committing acts of slavery and kidnapping. At the time of this commercial lien the debt against NEW ZEALAND POLICE is for the amount of \$172,397,810,766,209.00 in writing of one hundred and seventy-two trillion, three hundred and ninety-seven billion, eight hundred and ten million, seven hundred and sixty-six thousand, two hundred and nine dollars with notice that this figure will double after 9 December 2024 due to the amount of dishonour and harm occurring to the people in the land of New Zealand such as poisoning the water, destroying our food supply and many other actions, where all the people of New Zealand beneficiaries with right of claim where the principal Janine now has right of claim to go after the assets of the individuals and parent and successor corporations until settled in full with the lawful right to add further charges of harm for any action of any other agent working for NEW ZEALAND POLICE plus lawful right to seize all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full.
