I, Janine issue order to the Crown Corporations and Diana Sarfati to stand down and renounce the directive that went out from her to add fluoride into the water due to intention of harm to the people and if Diana Sarfati does not put out immediate release today in the media not only renouncing this directive but adding any district that is already adding fluoride to stop immediately, then with full lawful authority a commercial lien goes against her with full lawful rights to seize all her assets including her private home.
