Part A - Definition

LSA means: Living Soul Author

All words herein re as I, LSA mean Noeline also known as Noeline

Presumption means: An idea that is taken to be true on the basis of probability is a presumption which must be agreed upon by the parties to be true. Then equally one party challenges the presumption to be true on the basis of probability, and then this is all that is recognised to be required to remove the presumption as a formal challenge, abrogation, rebuttal and renouncement to that presumption. The presumption then has no standing or merit in fact.

Probability means: The extent to which something is probable, the likelihood of something happening or being the case. By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material fact. The state court does not operate according to any true rule of law but by presumptions of the law, therefore if presumptions presented by the private bar guild are not rebutted they become fact and therefore said to stand true.

Government means: Corporate company. Corporate entities masquerading as, or purporting to be regional, district and/or national or world 'government' entities.

Appellation means: a name or title that a person, place, or thing is given.

Where Colons are used (:) on either side of the Christian name or names of the Living Soul Author the author is directing the attention of the reader that these are the names **she** wishes to be communicated to with.

all the value, where the parent company or the agent acting on behalf of the company has 10 working days to pay me out in full and in the event of non-payment the parent company or acting agent of that company is in default and I have the legal right to seize property of the acting agent or parent company that is in default. 35. **Formal challenge, abrogation, rebuttal and renouncement to the 12 presumptions of law.**
There are 12 key presumptions asserted by the private bar guilds which if unchallenged stand true, being - **public record, public service, public oath, immunity, summons, custody, court of guardians, court of trustees, government as executor / beneficiary, agent and agency, incompetence and guilt.**
- 35.1 **The presumption of public record** is that any matter brought before a state court is a matter for the public record when in fact it is presumed by the members of the private bar Guild that the matter is a private bar Guild business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the public record the matter remains a private bar guild matter completely under private bar Guild rules.
- I, LSA **Noeline** *formally challenge, abrogate, rebut and renounce the presumption of public record as it is by definition a presumption and has no standing or merit in presentable or material fact.*
- 35.2 **The presumption of public service** is that all the members of the private bar Guild who have all sworn a solemn secret absolute oath to the Guild then act as public agents of the government or public officials by making additional oaths of public office that openly and deliberately contradict the private superior oaths to their own Guild. Unless openly rebuked and rejected the claim stands that these private bar Guild members are legitimate public servants and therefore trustees under public oath.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of public service as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.3 **The presumption of public oath** is that all members of the private bar Guild acting in the capacity of public officials who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly impartially and fairly as dictated by their oath. Unless openly challenged and demanded the presumption stands that the private bar Guild members have functioned under their public oath in contradiction to the Guild oath. If challenged such individuals must recuse themselves as having a conflict of interest and cannot possibly stand under a public oath.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of public oath as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.4 **The presumption of immunity** is that key members of the private bar guild in the capacity of public officials acting as judges, prosecutors and magistrates who have sworn a solemn public oath in good faith, are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded the presumption stands that the members of the private bar guild as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of immunity as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.5 **The presumption of summons** is that by custom a summons unrebuted stands and therefore one who attends court is presumed to accept a position, defendant, Jura, witness and jurisdiction of the court. Attendance to court is usually invitation by summons, unless the summons is rejected and returned with a copy of the rejection filed prior to choosing to visit or attend. Jurisdiction and position as the accused and the existence of guilt, stands.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of summons as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.6 **The presumption of custody** is that by customer summons or warrant for arrest unrebuted stands and therefore one who attends court is presumed to be a thing and therefore liable to be detained in custody by custodians. Custodians may only lawfully hold custody of property and things, not flesh and blood, soul possessing beings. Unless this presumption is openly challenged by rejection of summons and or a court, the presumption stands you are thing and property and therefore lawfully able to be kept in custody by custodians.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of custody as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.7 **The presumption of court of guardians** is the presumption that as you may be listed as a resident of a ward of a local government area and have listed on your passport the letter P. You are a pauper, lunatic and disabled and therefore under the guardian powers of the government and its agents as a court of guardians. Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter / trust before the court the presumption stands and you are by default a pauper, lunatic and disabled; and therefore must obey the rules of the court of guardians, clerk of Magistrates Court.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of court of guardians as it is by definition a presumption and has no standing or merit in presentable or material fact.

ALL RIGHTS RESERVED WITHOUT PREJUDICE and All interpretations and definitions are those of the hand that wrote this.

35.8 **The presumption of court of trustees** is that members of the private bar guild presume you accept the office of trustee as a public servant and government employee just by attending a Roman court. As such courts are always for public trustees by the rules of the Guild and the Roman system. Unless this presumption is openly challenged to state you are merely visiting by invitation to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction simply because you appeared.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of court of trustees as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.9 **The presumption of government acting in two roles as executor and beneficiary** as that for the matter at hand the private bar Guild appoints the judge and magistrate in the capacity of executor while the prosecutor acts in the capacity of a beneficiary of the trust for the current matter. If the accused seeks to assert their right as executor and beneficiary over the body, mind and soul they are acting as an executor de son tort or false executor challenging the rightful, judge is executor. Therefore the judge / magistrate assumes the role of true executor and has the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to demonstrate you are both a true general guardian and general executor of the matter / trust before the court, questioning and challenging whether the judge or magistrate is seeking to act as executor de son tort the presumption stands and you are by default the trustee, therefore must obey the rules of the executor judge / magistrate or you are an executor de son tort and a judge or magistrate of the private bar guild may seek the assistance of bailiffs or sheriff's to assert the false claim against you.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of government acting in two roles as executor and beneficiary as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.10 **The presumption of agents and agencies** the presumption that under contract law you have expressed and granted authority to the judge and magistrate through the statement of such words as recognised, understand or comprehend and therefore agree to be bound to a contract. Therefore unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognise you" to remove all implied or expressed appointment of the judge prosecutor or clerk as agents the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of agents and agencies as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.11 **The presumption of incompetence** is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly therefore the judge magistrate as executor has the right to have you arrested, detained, fined, or forced into a psychiatric evaluation. Unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands by thee. Time of pleading that you are incompetent then the judge or magistrate can do what they need to keep you obedient.

I, LSA **Noeline** formally challenge, abrogate, rebut and renounce the presumption of incompetence as it is by definition a presumption and has no standing or merit in presentable or material fact.

35.12 **The presumption of guilt** is the presumption that as it is presumed to be a private business meeting of the bar Guild, you are guilty whether you plead guilty, do not plead, or plead not guilty, therefore unless

ALL RIGHTS RESERVED WITHOUT PREJUDICE and All interpretations and definitions are those of the hand that wrote this.

you either have previously prepared an affidavit of truth and motion to dismiss with extreme prejudice onto the public record or call a demur then the presumption is you are guilty in the private bar Guild, and can hold you until a bond is prepared, to guarantee the amount the Guild wants to profit from you.

I, LSA **Noeline** *formally challenge, abrogate, rebut and renounce the presumption of guilt as it is by definition a presumption and has no standing or merit in presentable or material fact.*

- 36. I, LSA **Noeline** have formally challenged, abrogated, rebutted and renounced all presumptions of law and as such the presumptions of law formally have no substance in material fact.**
- 37. I, LSA **Noeline** entitlement holder in due course to all previous equity estates / trusts, also claim divine inheritance and hereditaments both corporeal and incorporeal, without recourse.**
- 38. Reader(s) failure to rebut I, LSA **Noeline** on point-by-point basis to affidavit, no later than thirty (30) calendar days from signed receipt of, will comprise readers tacit procurement of agreement of all facts herein, in perpetuity and to be signed in wet ink under writers' full liability and under penalty of perjury. If an extension is required, request in writing within seven (7) days from signed receipt of this conveyance to the address as set out above.**
- 39. All facts are created with my first-hand knowledge declared in this Affidavit of Status.**
- 40. My unrebutted Living Testimony in the form of Affidavit of Status stands as truth in Law.**

1. I, **Noeline** of the House of Levinson and of the bloodline of the Clans of my mother and father Levinson, nee Schonfrucht and Levinson under this statement of truth and facts with full liability.
2. Affiant I, LSA **Noeline** believe that we have been tricked into a lifetime contract, acting as a Dead Legal Fiction (a person) whereupon we were stripped of all of our rights and made property of the state. This is a Fact!
3. Slavery has been abolished, so this means that there's a liability for enactment of slavery.
4. I, LSA **Noeline** was not given full disclosure on the lifetime contract that I was signed up for because my mother and father were never given full disclosure of the reality of what is entailed in the Birth Registration process in the first place. I was made a slave to the legal system where I was obligated and compelled to follow Rules, Regulations, Acts, Statutes and Policy (all legal legislation) which all require the consent from living men/women and these legal legislations are NOT law. Simply colours of law that require consent. So if I do not consent and instead establish my standing as a living man/woman under common law, which I, LSA **Noeline** am so doing via this affidavit of status and statement of truth, any legal legislation does not apply to me as a living woman.
5. Legal legislation is based on contract law, Admiralty & Maritime law. If you unwittingly consent to a contract but you were not given full disclosure and did not sign the contract in wet ink, the contract becomes unlawful and null & void [Fraud Act 2006, sections 2 & 3]. So, indeed this is an enactment of slavery and fraud, which means committing crimes under the law, the only true law that has ever existed, the Supreme Sovereign Law of God.
6. Therefore, all contracts I, LSA **Noeline** have unknowingly consented to by acting as the artificially created person or entity NOELINE LEVINSON becomes null & void, ab initio.
7. I, **Noeline** of the House of Levinson attach my compensation charge schedule **EXHIBIT 'F'** and copy write notice **EXHIBIT 'E'** for breach of my rights as a living breathing woman and for breach and unauthorised use of any of my copy written trade names being NOELINE LEVINSON plus any derivative or abbreviation of these names.

ROMAN CANON LAW

3.3 Rights Suspension and Corruption

Article 100 - Cestui Que Vie Trust

Canon 2045

By 1815 and the bankruptcy of the Crown and Bank of England by the Rothschilds, for the 1st time, the Cestui Que Vie Trusts of the United Kingdom became assets placed in private banks effectively becoming "private trusts" or "Fide Commissary Trusts" administered by commissioners (guardians). From 1835 and the Wills Act, these private trusts have been also considered "Secret Trusts" whose existence does not need to be divulged.

Canon 2046

From 1917/18 with the enactment of the Sedition Act and the Trading with the Enemy Act in the United States and through the United Kingdom, the citizens of the Commonwealth and the United States became effectively "enemies of the state" and "aliens" which in turn converted the "Fide Commissary" private secret trusts to "Foreign Situs" (Private International) Trusts.

Canon 2047

In 1931, the Roman Cult, also known as the Vatican, created the Bank for International Settlements for the control of claimed property of associated private central banks around the world. Upon the deliberate bankruptcy of most countries, private central banks were installed as administrators and the global Cestui Que Vie/Foreign Situs Trust system was implemented from 1933 onwards.

Canon 2048

Since 1933, when a child is borne in a State (Estate) under inferior Roman law, three (3) Cestui Que (Vie) Trusts are created upon certain presumptions, specifically designed to deny the child forever any rights of Real Property, any Rights as a Free Person, and any Rights to be known as man and woman rather than a creature or animal, by claiming and possessing their Soul or Spirit.

Canon 2049

Since 1933, upon a new child being borne, the Executors or Administrators of the higher Estate willingly and knowingly convey the beneficial entitlements of the child as Beneficiary into the 1st Cestui Que (Vie) Trust in the form of a Registry Number by registering the Name, thereby also creating the Corporate Person and denying the child any rights as an owner of Real Property.

Canon 2050

Since 1933, when a child is borne, the Executors or Administrators of the higher Estate knowingly and willingly claim the baby as chattel to the Estate. The slave baby contract is then created by honouring the ancient tradition of either having the ink impression of the feet of the baby onto the live birth record, or a drop of its blood as well as tricking the parents to signing the baby away through the deceitful legal meanings on the live birth record. This live birth record as a promissory note is converted into a slave bond sold to the private reserve bank of the estate and then conveyed into a 2nd and separate Cestui Que (Vie) Trust per child owned by the bank. Upon the promissory note reaching maturity and the bank being unable to "seize" the slave child, a maritime lien is lawfully issued to

“salvage” the lost property and itself monetized as currency issued in series against the Cestui Que (Vie) Trust.

Canon 2051

Each Cestui Que Vie Trust created since 1933 represents one of the 3 Crowns representing the 3 claims of property of the Roman Cult, being Real Property, Personal Property and Ecclesiastical Property and the denial of any rights to men and women, other than those chosen as loyal members of the society and as Executors and Administrators.

Canon 2052

The Three (3) Cestui Que Vie Trusts are the specific denial of rights of Real Property, Personal Property and Ecclesiastical Property for most men and women, corresponds exactly to the three forms of law available to the Galla of the Bar Association Courts. The first form of law is corporate commercial law is effective because of the 1st Cestui Que Vie Trust. The second form of law is maritime and trust law is effective because of the 2nd Cestui Que Vie Trust. The 3rd form of law is Talmudic and Roman Cult law is effective because of the 3rd Cestui Que Vie Trust of Baptism.

Canon 2053

The Birth Certificate issued under Roman Law represents the modern equivalent to the Settlement Certificates of the 17th century and signifies the holder as a pauper and effectively a Roman Slave.

The Birth Certificate has no direct relationship to the private secret trusts controlled by the private banking network, nor can it be used to force the administration of a state or nation to divulge the existence of these secret trusts.

Canon 2054

As the Cestui Que Vie Trusts are created as private secret trusts on multiple presumptions including the ongoing bankruptcy of certain national estates, they remain the claimed private property of the Roman Cult banks and therefore cannot be directly claimed or used.

Canon 2055

While the private secret trusts of the private central banks cannot be directly addressed, they are still formed on certain presumptions of law including claimed ownership of the name, the body, the mind and soul of infants, men and women. Each and every man and woman has the absolute right to rebuke and reject such false presumptions as a member of One Heaven and holder of their own title.

Canon 2056

Given the private secret trusts of the private central banks are created on false presumptions, when a man or woman makes clear their Live Borne Record and claim over their own name, body, mind and soul, any such trust based on such false presumptions ceases to have any property.

Canon 2057

Any Administrator or Executor that refuses to immediately dissolve a Cestui Que (Vie) Trust, upon a Person establishing their status and competency, is guilty of fraud and fundamental breach of their fiduciary duties requiring their immediate removal and punishment. One can take control of it the Trust Estate or “Dissolve” it completely and move all Asset to your own account and take control of your Copyright Name and NAME Trademark and Tradename and write Promissory note as this is Tender Cash.

Corpus Juris Secundum

Below lies proof that crown administration of a living man's affairs is null and void

Section 16, page 892

Fact of death: death of a person on whose estate administration sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is void.

While it is true that the assumption of death arising from a person's absence, unheard from, for a considerable length of time (see Death section 6) may present a prima facie case sufficient to grant of administration of his estate, the arising of such presumption does not take the case out of the operation of the general rule of the subject, and if it is made to appear that in fact that person was alive at the time such administration was granted, the administration is absolutely void.

Although, that payment to an administrator of an absentee who is not in fact dead is no defence against the absentee or his legal representative, nor are costs and disbursements incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid the debts of the absentee, he is subrogated to the rights of the creditors who he has paid. It has been considered, however the invalidity of the administration does not relate back, but that it is valid from the time when the presumption of death is rebutted.

Prima facie means: evidence provided to establish facts

Corpus Juris secundum (CJS) means: an international legal encyclopaedia that offers general overviews of all areas of state and federal law alphabetically by topic.

Suis Juris means: of full age and not under disability; legally competent to manage one's own affairs; independent

UNALIENABLE RIGHTS

Unalienable Rights are the Inherent, Sovereign, Natural Rights that existed before the creation of the State, and which, being antecedent to and above the State, can never be taken away, diminished, altered, or levied by the State, except by Due Process of Law. Nor can any Unalienable Right be fundamentally removed or waived by contract, whether by non-disclosure, which is fraud and unenforceable in Law, or knowingly by sufferance, which is contrary to the Spirit of the Law and prejudicial to Sovereignty.

The Original, Permanent, Unalienable Rights of every Man or Woman, include:

The Right to Life, Freedom, Health and the Pursuit of Happiness

The Right to Contract, or Not to Contract, which is Unlimited

The Right to Earn a Living Income by being Compensated with Wages or a Salary in a Fair Exchange for one's Work

The Right to Travel in the Ordinary Course of one's Life and Business

The Right to Privacy and Confidentiality, free from Unwarranted Invasion

The Right to Own, and Hold Property, lawfully without Trespass

The Right to Self-Defence when threatened with Harm, Loss, or Deceit

The Right to Due Process of Law, with Notice and Opportunity to Defend

The Right to be Presumed Innocent, suffering No Detention or Arrest, No Search or Seizure, without Reasonable Cause

The Right to Remain Silent when accused, to avoid Self-Incrimination

The Right to Equality in the eyes of the Law, and to Equal Representation

The Right to Trial by Jury, being an Impartial Panel of one's Peers

The Right to Appeal in Law against Conviction or Sentence, or both

The Right to Expose Knowledge necessary to one's Rights and Freedoms

The Right to Peaceful Association, Assembly, Expression, and Protest

The Right to Practice a Religion, and to have Beliefs, of one's choosing

The Right to Love, and to Consensual Marriage with Children, as a Family

The Right to Security from Abuse, Persecution, Tyranny, and War

The Right to Refuse to Kill under command, by reason of Conscience

The Right to Live in Peace and be left alone when Law-Abiding

Surely, the most critical failure of The People is their failure to ensure the teaching and common knowledge of their Unalienable Rights. If you do not know your Rights, you effectively have none. By the path of Ignorance, whether by Apathy or Deception, The People arrive in a State of Exploitation, Oppression, and Tyranny.

Universal Declaration of Human Rights 1948

Whereas recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world, Whereas disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind, and the advent of a world in which human beings shall enjoy freedom of speech and belief and freedom from fear and want has been proclaimed as the highest aspiration of the common people, Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law,

Whereas it is essential to promote the development of friendly relations between nations, Whereas the peoples of the United Nations have in the Charter reaffirmed their faith in fundamental human rights, in the dignity and worth of the human person and in the equal rights of men and women and have determined to promote social progress and better standards of life in larger freedom, Whereas Member States have pledged themselves to achieve, in cooperation with the United Nations, the promotion of universal respect for and observance of human rights and fundamental freedoms,
