Any content or character or page layout is not to be confused with legalese or syntax or any other language. NOTICE OF LAW CHANGE in NEW ZEALAND

Notice to Principal is Notice to Agent, Notice to Agent is Notice to Principal,

This is a self-executing order

I, Frederick of the Royal House of Stewart was appointed into the role of Attorney General and Governor General on 17th day of January 2025 in the Royal Court of New Zealand as the Statutory Manager with full lawful authority to take over these Offices to make decisions, create, amend and delete laws in New Zealand and as my first actions will address any legislation acts or bills that contain fraud or deceit or harm towards living men and woman or harm that is caused to anything that is needed to sustain life on Earth.

First Standing Orders of Newly Appointed Attorney General

Standing Order 1: Firstly the Crown is not the King or Queen of England but a corporation, so all New Zealand legislation where it says 'this act binds the crown' only applies to the crown government corporation. It does not apply to living men and women or their offspring. I quote from the Holy word of God from Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations and other organisation structures. A corp-oration (dead man speaking) can never have control over a man or woman. Living men, women and their offspring are now free from any legislation that only binds the crown corporation, with all agents and officers of the Crown corporations ordered to stand down of enforcing fraudulent laws onto the people.

Standing Order 2: Secondly any reference in law of 'person' refers to an artificial constructed legal fiction to create a trading entity to charge people as debtors and does not apply to living men and women. Living men and women can only be charged if they have done harm, or entered into a contract with full disclosure and informed consent, where if there was not full disclosure or if fraud or deceit found in the contract then the contract is null and void. All other charges are made null and void due to fraud and deceit found in the law. All agents and officers of the Crown ordered to cease charging through fraud and deceit or will be personally liable for all the false fraudulent charges they are placing on the people.

Standing Order 3: Lower case, title case and upper case or capital letters are now considered as one and the same, and all words written in law are to take their meaning from the oxford dictionary or to have the definition clearly defined at the top or bottom of any documents to ensure there are no hidden meanings.

Standing Order 4: The Gene Technology Bill 2024 has been trying to remove the rights of men and women knowing what goes into their food and pharmaceutical drugs and products. This bill by standing order is completely abolished as are any other legislation Acts or Bills where fraud or deceit or harm is found in the documents. All men and women have full rights to know what the contents are that are in food, drugs and products and when harmful substances are identified that product needs to be removed from the market. This includes what goes into water where the fluoride that has been added to the water has been proven in multiple research studies to cause harm especially to the brain lowering of IQ. This order has already been provided to the Crown and Council Corporations and due to not upholding this order the people have full rights to remove the fluoride or any other harmful substance that they are being exposed to.
