Janine as Commander and Chief and Crown over all Council and Crown government Corporations

NOTICE Confirming All Councils and All Government Crown Corporations and their CEOs and ministers in New Zealand are Insolvent and the insolvent CEOs and Mayors and Ministers are Required by law to report to Royal Assignor and Statutory Manager where refusal will result in all the council and crown offices being shut down

To all Mayors and Recently Made Insolvent CEOs and Councilors of all Councils in NZ

1. On 19th day of July 2024 and 20th day of August 2024 and 19th day of September 2024, I, Janine of the House of Arabella and Walters being of sound mind and over the age of consent with full lawful authority won Immediate Summary Judgement against all the Crown Corporations of New Zealand on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations. This placed me in a position above the crown corporations and corporate law as the Commander and Chief with full authority to change the jurisdiction of the land of New Zealand and Aotearoa which encompasses the whole world under Almighty God the Creator of all mankind and the heavens and the earth who all are accountable to. The main charge with evidence presented of proof of harm by the corporations making every man, woman boy and girl debt slaves and placing on them a debt that did not belong to them. As the debts of the corporations were higher than the asset value of each corporation on the date of summary judgement against them all of the debtor's corporation property assets were placed into Janine and the People's Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. These were also placed on the public notice board and entered into the public record where all content

listed on the following link on the public notice board <https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/>; and

2. That Janine as Commander placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 “Thou shall not steal and though shall not bear false witness against thy neighbour.” The corporation and their officers are held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis Chapter one verse 27 “so God created man and woman in his own image, the image of God he created them, male and female he created them.” God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman; and
3. That as the council corporations sat under the Crown corporations as subsidiary corporations they have also been held accountable for their actions of placing their debts over the men and women so due to already having summary judgement over the parent corporation where orders and liability notices went out to every council corporations between 10 October and 23 October 2024 with proof of receipt, with two charges in place – first a charge of harm for making the people debt slaves and placing on them a debt that was never theirs without their knowledge or consent and for forcefully controlling the people by deceit, plus second for adding fluoride into the water where evidence provided that fluoride is a known poison causing cognitive decline with a one million dollar charge for very man, woman boy and girl living in their area.
4. As the debts of the corporations were higher than the asset value of each council corporation that on 22 and 23 October 2024 every one of the Council’s property assets were seized and placed into Janine and the People’s Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. The reason this was done was to protect the people and the assets in each area as all councils have been continuing to practise insolvent and had everything in place for full private property takeover in New Zealand. The commercial liens and proof of the trust and protection of the assets was entered into the public record and can be found on the following link on the public notice board: <https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/>; and
5. All corporate government and corporate law is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments and corporations cannot exercise the power to expunge commercial processes. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor which means that his/her property becomes forfeited as a pledge to serve the lien which means he/she becomes liable for these liens; and
6. That it is against the law for a Judge or Registrar to summarily remove, dismiss or dissolve a commercial lien, so every single one of the liens I Janine the Claimant put in place all remain and stand as truth in law and commerce, and remain on the public notice board. Sanjai Raj the Personal Properties Securities Registrar (PPSR) operated against the law and is now liable for criminal charges and due to having no lawful right to do this the commercial liens remain in place where now he also holds liability and has now been made insolvent and had the title of Registrar stripped from him; and
7. In the Summary Judgement dated 19 September 2024 plus the Order Notices and Instructions dated 10 October 2024 sent out and received by all councils all debts were cancelled backdated to 19th of July 2024 over the people including personal taxes, property taxes/rates, past student debts, and outstanding fines and fraudulent mortgages which is every mortgage as none were signed by the bank or finance company and as they were never co-signed these were never valid agreements and any other fraudulent debt charges. Inland Revenue and all the councils and the police are still trying to enforce these and are committing criminal offences plus are commercially

liable of one million dollar charge for every charge that has gone out from this time, plus for removing people from their homes, plus for any event of harm occurring against any man, woman, boy or girl. I have evidence of many cases where the police and councils and banks are playing the heavy hand against the people for trying to enforce these already cancelled charges and fines where they are actually forcefully removing people from their homes and aren't even obeying their own rules and laws and committing crimes to do so; and

8. The officers, chief executive officers, mayor and councillors were informed what their debt was to the people for actions of harm and due to either inability to pay or refusal to pay were liquidated on the 18th day of December 2024. The CEOs were sent notice to provide the financial operational records of all public and private ledgers. The CEOs refused or ignored and as a result the CEOs have been made insolvent at a court hearing on the 17th day of January 2025, where they are no longer able to be in positions of authority and will not be able to until his or her insolvency has been cleared, where this will be in place for three years unless the officer can step back into honour and help right all actions of harm and hold full accountability to the Royal Assignor or Statutory Manager; and
9. It is noted here for your information that Christopher Luxon was made insolvent on 18th day of December 2024 and is not able to hold office or any positions of authority since this time, with all other ministers made insolvent on either third or tenth or seventeenth of January 2025 and all offices of the ministers also made insolvent including attorney general and governor general due to personal liability of all ministers who had the opportunity to step back into honour and chose not to. Any decisions that have been made since any corporation or minister or officer became insolvent are null and void. You are also informed that the Waitangi National Trust Group, Waitangi National Trust Board and Waitangi Limited became insolvent on the tenth day of January 2025. The positions have been filled as follows. Janine of the Royal House of Walters sits in the position of Office of Prime Minister, and Office of Minister of Finance. Frederick of the Royal House of Stewart sits in the position of the Offices of Attorney General, Governor General, Ministry of State Owned Enterprises and Ministry of Maori Development and the position of Office of Minister for Arts, Culture and Heritage, until such time the Waitangi National Trust has been fully resettled. The Royal Assignor Crown-Janine holds all other positions as the Statutory manager until such as time that a man or woman can step into this role with full accountability to act in the best interests of the people; and
10. I, Crown-Janine as Royal Assignor, Statutory Manager, Registrar and Sheriff over all entities made insolvent are now travelling the country to meet with all recently made insolvent CEOs and the mayors plus councillors to hear what each council's plan is to undo actions of harm. The officers and mayors have already been informed that any charging of rates and property transfers or sales that have occurred since 22 October 2024 are unlawful where the officers who have authorised any of these to occur are criminally and commercially liable for these actions involving fraud and theft and money laundering. It is acknowledged that the whole system that has been set up in New Zealand is based on fraud and deceit where a new system is currently being implemented where full accountability is in place. Each council has already been provided with a direct order to stop placing fluoride in the water. The people in every area of New Zealand have clearly expressed that they did not want fluoride added to their water and they were ignored. Councils are supposed to exist to serve the people and the community, not do them harm. The ministers of parliament are now insolvent as well as Diana Sarfati the previous CEO of Ministry of Health who gave the directive to add the fluoride. As the Royal Assignor I am now sitting in that position as well as the Office of the Minister Of Health and Frederick of the Royal House of Stewart is sitting in the office of Attorney General due to Judith Collins now being insolvent with full lawful rights of add, amend and delete laws and directives where harm or fraud or deceit is occurring. This is your last opportunity to comply with this order to stop adding fluoride to the water. The jurisdiction of God allows a path for remedy and restorative justice. I do have remedy and a solution and willing to work in with each council if they are willing to step into full accountability to undo any harm caused. Attached you will see the date I will be in your area and the mayor and recently made insolvent CEO are required to meet me at the time scheduled on the meeting schedule and confirm by email by Wednesday 29 January 2025 who will be present at the meeting to nowfreedomforall@protonmail.com. If no contact is made my orders will be for full shutdown of the council and termination of all employees and officers with the people of your community having full lawful rights to set up their own local structure under the Jurisdiction of Almighty God; and

11. I, Janine of the Royal House of Walters and Arabella being of sound mind and above age of consent affirm that all content in this document is correct and true in law and commerce and before Almighty God, where unless there is a full rebuttal point by point in writing by all CEOs, mayors, officers and councillors of all council and crown offices within New Zealand in their full private and commercial capacity declaring their role and signed with wet ink signature to refute the claims by 4pm on 31 January 2025 then it will be taken that all CEOs, mayors, councillors and officers accept through tacit acceptance and silent acquiescence that each council and crown government corporations is insolvent and now in Statutory Management where Crown-Janine is now Royal Assignor and Statutory Manager and all officers and ministers and mayors and CEOs and Councillors are accountable to her with personal liability for all own actions of harm that have been actioned against the people of this land. Anything less than a full point by point rebuttal is not acceptable and will be taken as silent acquiescence. The charges that led to insolvency were partnership with the government crown corporations making the people debt slaves by fraud and deceit, taking claim over people and their land as council's own property, accessing people's private bank accounts and stealing funds using fraud and deceit, placing fluoride into the water, continuing to unlawfully charge property rates to the people using fraud and deceit, unlawfully removing people from their homes using fraud and deceit, and unlawful sales or transfer of council or crown properties. All of these actions need to be reversed to undo the harm done or all officers involved will be charged with personal liability as well as criminal charges.
