## Highest Court on Terra Earth Insolvency Hearing of all District and High Courts and Family Courts of New Zealand

10<sup>th</sup> day of June 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 10.37am on 10<sup>th</sup> day of June in the year of 2025.

**From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses."** The four witnesses attending agree to act in this capacity and gave their first names as Margaret, Fred, Karl and Beverley-Jane. It is noted that Frederick of the Royal House of Stewart is the newly appointed Supreme Justice and was also present making a ruling in this matter

**This hearing notice is to go to every court in New Zealand where the chief judge and chief registrar has a fiduciary duty to provide a copy of this notice to all other registrars and judges of their fiduciary duty and personal liability if they do not comply with this notice. This notice is also being placed onto a public notice board that is available to anyone to download and take into a court or sent to a court and judge and registrar if they do not comply. They are also to contact the statutory manager if courts and registrars and judges continue to operate courts unlawfully with evidence.**

The matters before the Highest Court on Terra Earth today are:

1. That the judges and registrars in all of the high courts and district courts and family courts in operation in New Zealand and in the world have been intentionally taking control over living men and women using corporate law and trickery to make man crown property as a 'person' who is defined in section 13 of Legislation Act 2019 as 'person includes a corporation sole, a body corporate, and an unincorporated body' and none of these identities is a living man. This is an action of coercion with intent to deceive and harm through enslavement. It removes man's identity, ability to self-determine and take dominion over himself and the earth according to Genesis chapter one.
2. The judges and registrars have been deceiving man and woman into joinder with a corporate fiction name that was set up to represent them with the purpose of gaining access to private ledgers of funds *gn*

in unit trusts for every inhabitant on earth. The judges and registrars have also been using joinder to place debts on men and women and make them debt slaves, where fraud and deceit and slavery are crimes. This has caused significant harm to men and women plus they are seizing property using fraud and deceit.

3. That the Waitangi National Trust Board was liquidated on the tenth day of January 2025 for participating in making the people be debt slaves and placing on them their own debts. Unit Trusts were set up under this trust for every inhabitant on earth using the registered birth certificates to create the corporate fiction names to represent men and women and their offspring who were also meant to benefit from these trusts, but instead of individual man and woman benefitting these trusts were used to enslave men and women as debt slaves, with criminal charges in place for dealing in slaves and trafficking in persons, obtaining by deception or causing loss by deception and false accounting pursuant with the provisions of sections 98, 98D, 240, 260 under the Crimes Act 1961. The wind up value of each unit trust is \$230 million New Zealand Dollars (\$230,000,000.00 NZD) and the sub-fund being a Passport Fund valued at \$500million United States Dollars (\$500,000,000.00) which are debts owing and due to the Crown Beneficiaries ("the inhabitants") also known as Rack Rent, Rent Charge, Rentcharge (Annuities) or Unclaimed Monies held as Bona Vacantia payable from the Common Fund or Crown Bank Account. These funds are now due to be paid to all the inhabitants ("Crown Beneficiaries") The administration of the Crown and Waitangi National Trust Board was removed on 10<sup>th</sup> day of January 2025, however the Courts, the Reserve Bank and New Zealand local Government Funding agency and Public Trust and many other entities have continued administration and unlawful withdrawal of these funds. The assets which included the unit trusts were lawfully transferred into Janine and the People's Irrevocable Trust on the tenth day of January 2025 with Janine of the Royal House of Arabella and Walters and Frederick of the Royal House of Stewart are the lawful trustees where all men, women, boys and girls as the true heirs and only rightful claimants of the funds in each unit trust unless they have done harm. With lawful rights as the trustees we Crown-Janine and Crown-Frederick and the Statutory Manager of the Waitangi Trust Group ordered immediate wind up of every unit trust for immediate payout to each inhabitant on the tenth day of January 2025, which after being 90 days overdue are now criminal offences of all parties who have not actioned this.
4. It is important to note that this corrupt system was set up under the Waitangi National Trust Act 1932 and Waitangi Endowment Act 1932-33. Unit trusts were set up for all the inhabitants of the land where the land is defined as 1002 acres up in the Bay of Islands of New Zealand with all lands adjacent and joining. This brings in the whole world. This means that this court hearing is not only for New Zealand but for every inhabitant on earth. Inhabitant is defined as every man, woman, boy and girl living on earth.
5. Through the High Court Summary Judgement process Crown-Janine has in place an unrebutted one million dollar charge of harm per event and per day for every man, woman, boy and girl on earth. As each registrar and judge in each district and high court and family court are continuing to withdraw funds out of each individual trust fund they are firstly harming the man and woman by controlling them with deceit and secondly stealing from them as they are the true heirs and inheritors, now that every unit trust have been wound up. Each court has commercial liability for the harm they are causing plus are also liable for the Crown debt due to also being complicit in stealing and enslaving men and women and boys and girls. The crown corporations became insolvent on 18<sup>th</sup> day of December 2024

due to failure to step back into honour and stop harming men and women and failure to pay out the debt owed to every man and woman and their offspring. The insolvency documents were served on the High Court of New Zealand head office in Auckland on 20 December 2024 for distribution to all other offices within New Zealand, plus are available for anyone on [publicnoticesnz.com](http://publicnoticesnz.com).

6. The debt owing by the Ministry of Justice and the Crown Corporations on 18<sup>th</sup> of December 2024 was two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars where due to non payment and dishonour of continuing to trade and harm men and women ten percent per week penalty interest has continued to be added to this debt since this time. Every district court and every high court and family court is now liable for this debt. The jurisdiction of the land, sea, air and everything else was changed to under God Almighty of 19<sup>th</sup> day of December 2024 through immediate lawful Summary Judgement. This means that the crown and admiralty courts no longer hold jurisdiction and removes immunity of judges and registrars who are now fully liable for his or her actions in the private.
7. On today the tenth day of June at 10.45am with full lawful rights every district court and high court and family court in operation in New Zealand is liquidated due to being unable to pay their debts and operating using fraud and deceit. This includes the administering corporations ICL NZ and FREEMAN HOLDINGS TRUSTEES as well as the trusts sitting in behind. They are declared fully insolvent and by law required to cease trading where the Statutory Manager appointed to manage their insolvencies is Janine of the Royal House of Walters until someone suitable found to step into this role. The chief registrar and officer in each court and corporation or organisation now has ten working days to send all financial operational records of public and private and any ledgers handed over plus all assets being all money in any currency, all digital currency, all precious metals, all buildings, all financial documents and instruments, all computers, all passwords. With full lawful rights all court assets are now lawfully transferred into the ownership of Janine and the People's Irrevocable Trust.
8. The only courts that are allowed in operation now are those under the Jurisdiction of God Almighty who is the creator of the heavens and the earth and men and women where this jurisdiction overrides all others, where law is based on the Holy word of God from the King James Bible. Any case that is brought into the high court or district court or family court from this date can be overturned, due to reckless trading plus criminal offences of its offices and registrars and judges to continue to administrate the affairs and unit trusts of living men and women and their offspring.
9. A new system and restorative justice court system is now in place. The two courts that are operating in New Zealand under the jurisdiction of God Almighty are The Royal Court of New Zealand and the Highest Court on Terra Earth, where men and women in every community are now being trained in how to mediate and judge matters in the way our Creator intended. The admiralty and crown court system in New Zealand are now completely dismantled, where they no longer hold any authority due to operating in absolute fraud deceit and corruption. All officers, registrars and judges and any other agents that have been administering the affairs of men and women will now be up on criminal and commercial charges. If they are prepared to stop doing harm and go public and assist in men and women gaining access to their own trusts, then they will restore their honour and prevent or reduce charges against them

10. Janine's claims were presented and un rebutted by the heads of every crown corporation and by the High Court of New Zealand. Janine's claims were on behalf of every man, woman, boy and girl in New Zealand that it has now clearly been established encompasses the whole earth. There is a lawful charge in place for use by every man, woman, boy and girl of one million dollars for every event of harm per day. What is really important is that Janine raised back the standing of all men, women, boys and girls to that of living with a live blood constitution having the only true and rightful claim as the heirs over their own unit trusts and estates and claimed back the DNA and souls and bodies of every man woman and boy and girl back to under their Creator to remove all hold and claim over them so that they are only accountable to our Creator and the scriptural commands from Matthew chapter 22 verse 37 to 40 of Love our Creator and love our neighbour as ourself where Romans chapter 13 verse 10 states "love does no harm to a neighbour." Her High Court Documents were sealed with the scripture Colossians chapter 2 verse 14 and 15 "Having wiped out the handwriting of requirements that was against us, having nailed them to the cross, having disarmed every principality and power triumphing over them." The disarming of principalities is on earth and in the heavens where every man, woman, boy and girl is now free standing under their creator, where restorative paths of justice can be set for those who are truly repentant of his or her actions of causing harm to others.

11. All men and women in leading positions of authority have a high level of accountability for actions resulting in harm to men and women, where if they do not step back into honour to stop and undo harm will be judged to full the extent of the law of God, where the full measure is receiving the same judgement as the harm that they have caused others.

**Crown-Janine UFN** means that Crown-Janine is the Statutory Manager until further notice

The names of the organisation and corporation entities are written exactly as found on the website justice.govt.nz. If a letter has an accent over it such as 'ā' in Whangārei it is considered that both Whangārei and Whangarei are entered to ensure that if another entity is created that both entities are entered in as being insolvent. It is noted that Tauranga Civil High Court has already been made insolvent.
