As the defendants and officers and debtors due to actions of harm and fraud

All of the above debtors and defendants had until the twelfth day of September 2025 to take the remedy offered or make the full payment of 7,282 ten ounce 0.9999 gold bullion bars (current value is \$6,206 per ounce x 72,820 ounces which equals 451.92 million in cash value) as on the bill ledger on page 8 of the Liability Notice dated 7th August 2025. It is confirmed before the court today that no payment was received and no defence made; so with full lawful rights proceeding today against BANK OF NEW ZEALAND and all its directors in their private capacity. The amount owed to the claimants being Tara of the House of Buchanan and all customers with residential mortgage loans is as of today equivalent to \$451,920,000.00 in words being four hundred and fifty one million nine hundred and twenty thousand dollars plus 63.142 billion dollars plus ten percent per week accruing penalty interest until this account is settled in full where the Highest Court on Terra Earth will assign a Statutory Manager to ensure all claimants are paid out, and through the process of discovery add in other claimants and creditors.

1. That the Royal Court of New Zealand and Highest Court of Terra Earth received notice from the claimant Tara of the House of Buchanan that the BANK OF NEW ZEALAND with company number 428849 and nzbn number 9429039342188 and the seven directors had until 5pm on the tenth day of September 2025 to rebut the

serious claims of harm against Tara Buchanan or make payment of 7,282 ten ounce 0.9999 gold bullion bars to the service address of the claimant by 12th September 2025 and if non rebuttal and no payment was received a liquidation hearing of the BANK OF NEW ZEALAND and its directors was scheduled for Monday 15 September 10.00am. Each of the named debtors and defendants have made themselves personally liable for this debt due to failure of fiduciary duty of care; and

2. The directors of the parent corporations were informed that in the event of non-payment and no point by point rebuttal by the directors of BANK OF NEW ZEALAND that the claimants also had right of claim off the parent and associated corporations listed at the top of this notice being BNZ FACILITIES MANAGEMENT, BNZ INVESTMENTS, BNZ INTERNATIONAL FUNDING, NATIONAL AUSTRALIA MANAGERS, NATIONAL AUSTRALIA GROUP (NZ), NATIONAL EQUITIES, FIRSTCAPE GROUP, BNZ INVESTMENT SERVICES, HARBOUR ASSET MANAGEMENT, SPONG BNZ INVESTMENT SERVICES NOMINEES, BNZ BRANCH PROPERTIES, BNZ PROPERTY INVESTMENTS, BNZ EQUITY INVESTMENTS NO.2, THE NEW ZEALAND GUARDIAN TRUST COMPANY, NZGT HOLDING COMPANY, NZGT (BNZ) SECURITY TRUSTEE, TRICOR NEW ZEALAND HOLDING, TRIVIUM INVESTMENT HOLDING, VISTRA (AUSTRALIA) PTY LTD ACN:616970711, and any other corporation or entity found during the process of discovery; and
3. All of the above debtors and defendants were also informed that summary judgement was obtained in the High Court against ASB Bank on 19 July 2024, where fraud was detected in the mortgage loan documents as standard mortgage loan practise being used by all of the banks. All the defendants were called to rebut point by point the following questions:
 - 3a. That residential loan agreements are signed by customers of the Bank of New Zealand wanting a loan however are never co-signed by a representative of Bank of New Zealand, where the Bank of New Zealand and its officers and representatives have never been able to produce a residential home loan agreement showing it was signed by both parties, where this makes the contract null and void in its entirety therefore Bank of New Zealand and its officers and representatives have committed fraud and are required by law to immediately pay back all funds and interest paid out on all residential mortgage loans since the time and issue of the loan and cancel all residential loans and mortgages in full and remove any registered interest on the titles of these properties as well as powers of attorney off the legal name titles; and
 - 3b. That Bank of New Zealand and its officers and representatives created funds that did not exist prior from the borrower and/or customer's wet ink signature on the loan agreement and committed fraud, where non response from the readers and defendants confirms that Bank of New Zealand did not lend anything of substance and is therefore making fraudulent charges to customers/borrowers for repayment of any funds or interest charges; and
 - 3c. That Bank of New Zealand and its agents and representatives did not inform the borrowers in writing exactly what property of theirs they took security over to obtain the mortgage where full disclosure is required for an agreement to be lawful and if full disclosure not provided the agreement becomes null and void; and
 - 3d. That Bank of New Zealand and its agents and representatives sold on the loan document with the borrower/customer's wet ink signature onto to other party(s) without their consent or knowledge which also makes the agreement null and void; and
 - 3e. That Bank of New Zealand and its agents and representatives received payment in full at the time the loan(s) were granted, and therefore there was never any money owing and all charges from that time are fraudulent; and
 - 3f. That any time an officer or representative of the Bank of New Zealand tries to claim interest or charges from a fraudulent mortgage loan he/she is actively participating in fraud and can be charged with crimes of fraud, where the customers who were deceived now hold lawful rights of charge of one million dollars per event and per day for fraudulent activity from officers or agents of banks or corporations where the officers or agents are therefore fully liable in the private for not stopping the fraudulent charges; and
4. That according to the Bank of New Zealand Disclosure Statement for year ending 30 September 2024 page 60 it states that there were 63.142 billion dollars of residential mortgages, where these mortgages are now proven to be fraudulent and the officers are required to pay back all loans in full plus all interest charges; 

where the 63.142 billion dollars is added to the debt owed out to the customers who hold residential mortgages who are now also claimants against the Bank of New Zealand and all other listed debtors and defendants; and

5. That the current known debt owed by Bank of New Zealand and its officers and associated corporations and individuals due the Statutory Manager assigned today on behalf of the claimants being Tara of the House of Buchanan and all customers with residential mortgage loans is 7282 ten ounce 0.9999 gold bullion bars (current value is \$6,206 per ounce x 72,820 ounces which equals 451.92 million in cash value) plus 63.142 billion dollars plus ten percent per week accruing penalty interest plus further charges as outlined on the Bill ledger until this account is settled in full where the True Bill Ledger can be found in '**Exhibit A**' with the full **current total due being sixty-three billion, five hundred and ninety-three million, nine hundred and twenty thousand dollars**. The Highest Court on Terra Earth assigns a Statutory Manager to ensure all claimants are paid out, and through the process of discovery add in other claimants and creditors; and
6. The notice informed all the defendants that they had until 5pm on the twelfth day of September 2025 to place a point by point defence with proof and evidence and verifiable facts to the contrary in their full commercial and private capacity and signed with their wet ink signature to rebut the Notice of Liquidation Hearing and the Notice of Liability of the BANK OF NEW ZEALAND and its officers and Commercial Affidavit of Obligation towards Tara of the House of Buchanan sent by the claimant and rebut the charges. As no point by point full rebuttal was received at the court service address it will be taken as non-rebuttal and silent acquiescence and tacit acceptance that all content provided by the claimants is correct and true with immediate summary judgement to be granted by the court to liquidate and make insolvent all of the debtors and defendants on the commercial charges plus lay criminal charges as outlined by the claimants, where the claimants also have rights to go after the parent corporations and their directors for payment adding ten percent accruing interest per week until this debt is settled in full, with full lawful rights to increase the penalty interest if officers continue enforcing unlawful mortgagee sales.
7. That the following crimes are hereby charged against the directors, officers of **BANK OF NEW ZEALAND** and **associated corporations** as well as debt collectors or agents or crown corporation agents or law firm or individuals acting on their behalf:

If the man or woman shows remorse to their actions or decisions or lack of actions then he or she will have the opportunity to communicate their commitment to help undo harm, and victims will have the opportunity to declare his/her victim impact and the court will decide on the appropriate sentencing. Following orders is not an acceptable reason for an appeal for all are accountable for his or her own actions.

The Royal Assignor Crown-Janine steps in to fill the role of Statutory Manager until she appoints someone else into this role. The Court makes it clear that the men and women made insolvent can not be appointed into any other roles or portfolios and any decision he or she makes from the time of insolvency is unlawful and is considered revoked unless the Royal assignor or appointed Statutory manager Crown-Janine approves that decision in writing.
