For context, this document - less **Key** (Exhibit "I") provided for recipients wanting a bridge from legal - uses only plain simple English and Counting Systems. You are considered informed that all meanings in this/all communication/s are taken from the Oxford Dictionary of English unless otherwise definition given or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or syntax or any other language. All character, form, style and page layout, whether capitalised, lower case, bold or underlined or italics or any combination are what is commonly recognised by living men and women and not to be taken in any other way or meaning. If any definition or meaning is unclear to the reader the interpretations are that of the living **man** author of this affidavit. The position in this communication is that of a living **man** standing under God's law, also known as the creator's law, natural law, and operating outside the jurisdiction of statutory rules or man-made legislation. **Man** is multidimensional, extending to **We** for true **affect**.

Part A - Definition

LSA means: Living Soul Author

All words herein re as I, LSA mean **Manuel Joseph David** also known as **Joe**

Presumption means: An idea that is taken to be true on the basis of probability is a presumption which must be agreed upon by the parties to be true. Then equally one party challenges the presumption to be true on the basis of probability, and then this is all that is recognised to be required to remove the presumption as a formal challenge, abrogation, rebuttal and renouncement to that presumption. The presumption then has no standing or merit in fact.

Probability means: The extent to which something is probable, the likelihood of something happening or being the case. By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material fact. The state court does not operate according to any true rule of law but by presumptions of the law, therefore if presumptions presented by the private bar guild are not rebutted they become fact and therefore said to stand true.

Government means: Corporate company. Corporate entities masquerading as, or purporting to be regional, district and/or national or world 'government' entities.

Palermo Protocol means: The Protocol to prevent, suppress and punish trafficking in persons, especially women and children, supplementing the United Nations Convention Against Transnational Organized Crime (also known as the Palermo Protocol) is the internationally accepted definition of human trafficking.

entities in paragraph 30 into liquidation, and if the parent company does not inform me in writing that they have placed any of my tradename entity(s) or assets into liquidation I am able to claim all costs plus full value of the asset from the parent company by providing an invoice with claim to all the value, where the parent company or the agent acting on behalf of the company has 10 working days to pay me out in full and in the event of non-payment the parent company or acting agent of that company is in default and I have the legal right to seize property of the acting agent or parent company that is in default. If the acting agent or parent company refuses to inform me the value of the asset, then I have the right to claim the higher amount of three billion dollars off the parent company and seize assets up to that value in the currency of my choosing.

- 52.I, LSA **Manuel Joseph David** declare that any fraudulent act or act of harm or injury or of bad faith towards me done by the Crown or agent of the Crown or individual acting on behalf of the agent of the Crown or corporations or any other corporation, I have the right to claim and charge compensation charges per act and can serve notice to the guilty party being the Crown or agent of the crown or company. Once I serve notice to the guilty party they have ten calendar days to pay in full and if not paid by that date they are considered in default and I have the right to claim ownership and seize any assets or property owned by the guilty party or agent acting on behalf of the guilty party. If the guilty party shows remorse I can choose whether to give them a remedy in replace of the owed debt, but if the guilty party does not follow through with actions requested in the remedy I have the right to continue with claiming ownership of the assets belonging to the guilty party.
- 53.I, LSA **Manuel Joseph David** declare I have the right to protect myself and my property on land of substance, and its contents that I am living off for the sustenance of life being food, water and shelter without any interference from others.
- 54.I, LSA **Manuel Joseph David** declare I have the right to travel to manage my daily affairs to life, liberty and security plus right to work, access water, food, medical care, my bank account and funds and basic needs and visit my loved ones without interference and to be free of any discrimination and not to be detained in doing so and anyone, being the Crown or agent of the Crown or company that interferes with any one of these basic rights or any other rights listed in this document can be charged one hundred and fifty million (\$150,000,000.00NZ) per act or as per my Compensation Fee Schedule in **EXHIBIT 'H'**. Once I serve notice to the guilty party they have ten working days to pay in full and if not paid by that date they are considered in default and I have the right to claim ownership and seize any assets or property owned by the guilty party or agent acting on behalf of the guilty party.

55. Formal challenge, abrogation, rebuttal and renouncement to all presumptions of law.

There are several presumptions asserted by the private bar guilds which if unchallenged stand true, which include but are not limited to the following 12 key presumptions - **public record, public service, public oath, immunity, summons, custody, court of guardians, court of trustees, government as executor / beneficiary, agent and agency, incompetence and guilt.**

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce all presumptions of law.

- 36.1 The presumption of public record** is that any matter brought before a state court is a matter for the public record when in fact it is presumed by the members of the private bar Guild that the matter is a private bar Guild business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the public record the matter remains a private bar guild matter completely under private bar Guild rules.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of public record as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.2 The presumption of public service** is that all the members of the private bar Guild who have all sworn a solemn secret absolute oath to the Guild then act as public agents of the government or public officials by making additional oaths of public office that openly and deliberately contradict the private superior oaths to their own Guild. Unless openly rebuked and rejected the claim stands that these private bar Guild members are legitimate public servants and therefore trustees under public oath.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of public service as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.3 The presumption of public oath** is that all members of the private bar Guild acting in the capacity of public officials who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly impartially and fairly as dictated by their oath. Unless openly challenged and demanded the presumption stands that the private bar Guild members have functioned under their public oath in contradiction to the Guild oath. If challenged such individuals must recuse themselves as having a conflict of interest and cannot possibly stand under a public oath.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of public oath as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.4 The presumption of immunity** is that key members of the private bar guild in the capacity of public officials acting as judges, prosecutors and magistrates who have sworn a solemn public oath in good faith, are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded the presumption stands that the members of the private bar guild as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of immunity as it is by definition a presumption and has no standing or merit in presentable or material fact.

36.5 The presumption of summons is that by custom a summons unrebutted stands and therefore one who attends court is presumed to accept a position, defendant, Jura, witness and jurisdiction of the court. Attendance to court is usually invitation by summons, unless the summons is rejected and returned with a copy of the rejection filed prior to choosing to visit or attend. Jurisdiction and position as the accused and the existence of guilt, stands.

I, LSA **Manuel Joseph David** formally challenge, abrogate, rebut and renounce the presumption of summons as it is by definition a presumption and has no standing or merit in presentable or material fact.

36.6 The presumption of custody is that by customer summons or warrant for arrest unrebutted stands and therefore one who attends court is presumed to be a thing and therefore liable to be detained in custody by custodians. Custodians may only lawfully hold custody of inanimate property and things, not flesh, blood, nor temperate land directed by my soul. Unless this presumption is openly challenged by rejection of summons and/or a court, the presumption stands; you are a thing and property and therefore lawfully able to be kept in custody by custodians.

I, LSA **Manuel Joseph David** formally challenge, abrogate, rebut and renounce the presumption of custody as it is by definition a presumption and has no standing or merit in presentable or material fact.

36.7 The presumption of court of guardians is the presumption that as you may be listed as a resident of a ward of a local government area and have listed on your passport the letter P. You are a pauper, lunatic and disabled and therefore under the guardian powers of the government and its agents as a court of guardians. Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter / trust before the court the presumption stands and you are by default a pauper, lunatic and disabled; and therefore must obey the rules of the court of guardians, clerk of Magistrates Court.

I, LSA **Manuel Joseph David** formally challenge, abrogate, rebut and renounce the presumption of court of guardians as it is by definition a presumption and has no standing or merit in presentable or material fact.

36.8 The presumption of court of trustees is that members of the private bar guild presume you accept the office of trustee as a public servant and government employee just by attending a Roman court. As such courts are always for public trustees by the rules of the Guild and the Roman system. Unless this presumption is openly challenged to state you are merely visiting by invitation to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction simply because you appeared.

I, LSA **Manuel Joseph David** formally challenge, abrogate, rebut and renounce the presumption of court of trustees as it is by definition a presumption and has no standing or merit in presentable or material fact.

36.9 The presumption of government acting in two roles as executor and beneficiary as that for the matter at hand the private bar Guild appoints the judge and magistrate in the capacity of executor while the prosecutor acts in the capacity of a beneficiary of the trust for the current matter. If the accused seeks to assert their right as executor and beneficiary over the soul-held land body and mind, they are acting as an executor de son tort or false executor challenging the rightful judge is executor. Therefore the judge / magistrate assumes the role of true executor and has

the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to demonstrate you are both a true general guardian and general executor of the matter / trust before the court, questioning and challenging whether the judge or magistrate is seeking to act as executor de son tort the presumption stands and you are by default the trustee, therefore must obey the rules of the executor judge / magistrate or you are an executor de son tort and a judge or magistrate of the private bar guild may seek the assistance of bailiffs or sheriffs to assert the false claim against you.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of government acting in two roles as executor and beneficiary as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.10 **The presumption of agents and agencies** the presumption that under contract law you have expressed and granted authority to the judge and magistrate through the statement of such words as recognised, understand or comprehend and therefore agree to be bound to a contract. Therefore, unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognise you" to remove all implied or expressed appointment of the judge, prosecutor or clerk as agents the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of agents and agencies as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.11 **The presumption of incompetence** is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly therefore the judge/magistrate as executor has the right to have you arrested, detained, fined, or forced into a psychiatric evaluation. Unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands, by the time of pleading that you are incompetent, then the judge or magistrate can do what they need to keep you obedient.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of incompetence as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.12 **The presumption of guilt** is the presumption that as it is presumed to be a private business meeting of the bar Guild, you are guilty whether you plead guilty, do not plead, or plead not guilty, therefore unless you either have previously prepared an affidavit of truth and motion to dismiss with extreme prejudice onto the public record or call a demur then the presumption is you are guilty in the private bar Guild, and can hold you until a bond is prepared, to guarantee the amount the Guild wants to profit from you.

I, LSA Manuel Joseph David formally challenge, abrogate, rebut and renounce the presumption of guilt as it is by definition a presumption and has no standing or merit in presentable or material fact.

- 36.13 **The presumption of inferior interpretation and belief** is the pushing onto you Godly knowings or authoritative dictates projected by writing or by mouth of peers purporting private perspective carry external relevance absolute; demanding reverence.

56. I, LSA Manuel Joseph David have formally challenged, abrogated, rebutted and renounced all presumptions of law and as such the presumptions of law formally have no substance in material fact.

Common Law Standing / All rights Reserved

1. I, **Manuel Joseph David** of the House of **Jagus** and of the bloodline of the Clans of my mother **Molloy** and father **Jagus** make this statement of truth and fact with full liability.
2. Affiant I, LSA **Manuel Joseph David** has been tricked into a lifetime contract, acting as a Dead Legal Fiction (a person) whereupon we were stripped of all of our rights and made property of the state.
3. Slavery has been abolished, so this means that there's a liability for enactment of slavery. (Refer: **EXHIBIT 'E'**)
4. I, LSA **Manuel Joseph David** was not given full disclosure on the lifetime contract that I was signed up for because my mother and father were never given full disclosure of the reality of what is entailed in the Birth Registration process in the first place. I was made a slave to the legal system where I was obligated and compelled to follow Rules, Regulations, Acts, Statutes and Policy (all legal legislation) which required consent from living men/women, NOT true law. Simply colours of law that require consent. I do not consent to slavery beneath the legal system and now instead, establish my standing as a living **man** under indigenous common law, which I, LSA **Manuel Joseph David** am so doing via this affidavit of standing and statement of truth and fact, any legal legislation does not apply to me as a living **man**.
5. Legal legislation is based on contract law, Admiralty & Maritime law. If you unwittingly consent to a contract but you were not given full disclosure and did not sign the contract in wet ink, the contract becomes unlawful and null & void [Fraud Act 2006, sections 2 & 3]. So, indeed this is an enactment of slavery and fraud, which means committing crimes under the law, the only true law that has ever existed, the Supreme Sovereign Law of God.
6. Therefore, all contracts I, LSA **Manuel Joseph David** have unknowingly consented to by acting as the artificially created person or entity **JOSEPH DAVID JAGUSCH** becomes null & void, ab initio.

Roman Canon Law

3.3 Rights Suspension and Corruption

Article 100 - Cestui Que Vie Trust

Canon 2045

By 1815 and the bankruptcy of the Crown and Bank of England by the Rothschilds, for the 1st time, the Cestui Que Vie Trusts of the United Kingdom became assets placed in private banks effectively becoming "private trusts" or "Fide Commissary Trusts" administered by commissioners (guardians). From 1835 and the Wills Act, these private trusts have been also considered "Secret Trusts" whose existence does not need to be divulged.

Canon 2046

From 1917/18 with the enactment of the Sedition Act and the Trading with the Enemy Act in the United States and through the United Kingdom, the citizens of the Commonwealth and the United States became effectively "enemies of the state" and "aliens" which in turn converted the "Fide Commissary" private secret trusts to "Foreign Situs" (Private International) Trusts.

Canon 2047

In 1931, the Roman Cult, also known as the Vatican, created the Bank for International Settlements for the control of claimed property of associated private central banks around the world. Upon the deliberate bankruptcy of most countries, private central banks were installed as administrators and the global Cestui Que Vie/Foreign Situs Trust system was implemented from 1933 onwards.

Canon 2048

Since 1933, when a child is borne in a State (Estate) under inferior Roman law, three (3) Cestui Que (Vie) Trusts are created upon certain presumptions, specifically designed to deny the child forever any rights of Real Property, any Rights as a Free Person, and any Rights to be known as man and woman rather than a creature or animal, by claiming and possessing their Soul or Spirit.

Canon 2049

Since 1933, upon a new child being borne, the Executors or Administrators of the higher Estate willingly and knowingly convey the beneficial entitlements of the child as Beneficiary into the 1st Cestui Que (Vie) Trust in the form of a Registry Number by registering the Name, thereby also creating the Corporate Person and denying the child any rights as an owner of Real Property.

Canon 2050

Since 1933, when a child is borne, the Executors or Administrators of the higher Estate knowingly and willingly claim the baby as chattel to the Estate. The slave baby contract is then created by honouring the ancient tradition of either having the ink impression of the feet of the baby onto the live birth record, or a drop of its blood as well as tricking the parents to signing the baby away through the deceitful legal meanings on the live birth record. This live birth record as a promissory note is converted into a slave bond sold to the private reserve bank of the estate and then conveyed into a 2nd and separate Cestui Que (Vie) Trust per child owned by the bank. Upon the promissory note reaching maturity and the bank being unable to "seize" the slave child, a maritime lien is lawfully issued to "salvage" the lost property and itself monetized as currency issued in series against the Cestui Que (Vie) Trust.

Canon 2051

Each Cestui Que Vie Trust created since 1933 represents one of the 3 Crowns representing the 3 claims of property of the Roman Cult, being Real Property, Personal Property and Ecclesiastical Property and the denial of any rights to men and women, other than those chosen as loyal members of the society and as Executors and Administrators.

Canon 2052

The Three (3) Cestui Que Vie Trusts are the specific denial of rights of Real Property, Personal Property and Ecclesiastical Property for most men and women, corresponds exactly to the three forms of law available to the Galla of the Bar Association Courts. The first form of law is corporate commercial law is effective because of the 1st Cestui Que Vie Trust. The second form of law is maritime and trust law is effective because of the 2nd Cestui Que Vie Trust. The 3rd form of law is Talmudic and Roman Cult law is effective because of the 3rd Cestui Que Vie Trust of Baptism.

Canon 2053

The Birth Certificate issued under Roman Law represents the modern equivalent to the Settlement Certificates of the 17th century and signifies the holder as a pauper and effectively a Roman Slave.

The Birth Certificate has no direct relationship to the private secret trusts controlled by the private banking network, nor can it be used to force the administration of a state or nation to divulge the existence of these secret trusts.

Canon 2054

As the Cestui Que Vie Trusts are created as private secret trusts on multiple presumptions including the ongoing bankruptcy of certain national estates, they remain the claimed private property of the Roman Cult banks and therefore cannot be directly claimed or used.

Canon 2055

While the private secret trusts of the private central banks cannot be directly addressed, they are still formed on certain presumptions of law including claimed ownership of the name, the body, the mind and soul of infants, men and women. Each and every man and woman has the absolute right to rebuke and reject such false presumptions as a member of One Heaven and holder of their own title.

MJD *SW* *NSA*

Canon 2056

Given the private secret trusts of the private central banks are created on false presumptions, when a man or woman makes clear their Live Borne Record and claim over their own name, body, mind and soul, any such trust based on such false presumptions ceases to have any property.

Canon 2057

Corpus Juris Secundum EXHIBIT 'C'

Below lies proof that crown administration of a living man's affairs is null and void

Section 16, page 892

Fact of death: death of a person on whose estate administration sought is a jurisdiction requisite; and while the presumption of death arising from absence may present a prima facie case sufficient to warrant grant of administration, yet if it subsequently develops that such person was in fact alive, the administration is void.

While it is true that the assumption of death arising from a person's absence, unheard from, for a considerable length of time (see Death section 6) may present a prima facie case sufficient to grant of administration of his estate, the arising of such presumption does not take the case out of the operation of the general rule of the subject, and if it is made to appear that in fact that person was alive at the time such administration was granted, the administration is absolutely void.

Although, that payment to an administrator of an absentee who is not in fact dead is no defence against the absentee or his legal representative, nor are costs and disbursements incurred by such administrator a legal charge against the absentee or his property; but where the administrator has paid the debts of the absentee, he is subrogated to the rights of the creditors who he has paid. It has been considered, however the invalidity of the administration does not relate back, but that it is valid from the time when the presumption of death is rebutted.

Prima facie means: evidence provided to establish facts

Corpus Juris secundum (CJS) means: an international legal encyclopaedia that offers general overviews of all areas of state and federal law alphabetically by topic.

Suis Juris means: of full age and not under disability; legally competent to manage one's own affairs; independent

Your Unalienable Rights**EXHIBIT 'D'**

YOUR UNALIENABLE RIGHTS

Unalienable Rights are the Inherent, Sovereign, Natural Rights that existed before the creation of the State, and which, being antecedent to and above the State, can never be taken away, diminished, altered, or liened upon by the State, subject only to the Due Process of the Common Law. Nor can any Unalienable Right be fundamentally removed, whether mistakenly by contract through non-disclosure, which is fraud and unenforceable in Law, or knowingly by renunciation, which is contrary to Natural Law.

The Original, Permanent, Unalienable Rights of every Man or Woman, include:

The Right to Life, Freedom, Health, and the Pursuit of Happiness
The Right to Contract, or Not to Contract, which is Unlimited
The Right to Earn a Living by being Compensated with Wages, a Salary, or any trade Goods, in a Fair Exchange for one's Work
The Right to Travel in the Ordinary Course of one's Life and Business
The Right to Privacy and Confidentiality, free from Unwarranted Invasion
The Right to Control, and Hold one's Property, lawfully without Trespass
The Right to Self-Defence when threatened with Harm, Loss, or Deceit
The Right to Due Process of Law, with Notice and Opportunity to Defend
The Right to be Presumed Innocent, suffering No Detention or Arrest, No Search or Seizure, without Reasonable Cause
The Right to Remain Silent when accused, to avoid Self-Incrimination
The Right to Equality in the eyes of the Law, and to Equal Representation
The Right to Trial by Jury, being an Impartial Panel of one's Peers
The Right to Appeal in Law against Conviction or Sentence, or both
The Right to Expose Knowledge necessary to one's Rights and Freedoms
The Right to Peaceful Association, Assembly, Expression, and Protest
The Right to Practice a Religion, and to have Beliefs, of one's choosing
The Right to Love, and to Consensual Marriage, with Children as a Family
The Right to Security from Abuse, Persecution, Tyranny, and War
The Right to Refuse to Kill under command, by reason of Conscience
The Right to Live in Peace and be left alone when Law-Abiding

Surely, the most critical failure of The People is their failure to ensure the teaching and common knowledge of their Unalienable Rights. If you do not know your Rights, you effectively have none. By the path of Ignorance, whether by Apathy or Deception, The People arrive in a state of Exploitation, Oppression, and Tyranny.

Universal Declaration of Human Rights 1948**EXHIBIT 'E'**

Whereas recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world, whereas disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind, and the advent of a world in which human beings shall enjoy freedom of speech and belief and freedom from fear and want has been proclaimed as the highest aspiration of the common people, Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law,

Whereas it is essential to promote the development of friendly relations between nations, Whereas the peoples of the United Nations have in the Charter reaffirmed their faith in fundamental human rights, in the dignity and worth of the human person and in the equal rights of men and women and have determined to promote social progress and better standards of life in larger freedom, Whereas Member States have pledged themselves to achieve, in cooperation with the United Nations, the promotion of universal respect for and observance of human rights and fundamental freedoms, Whereas a common understanding of these rights and freedoms is of the greatest importance for the full realization of this pledge,

The 10 Maxims of Commercial Law

EXHIBIT 'G'

The 10 foundational maxims of commerce, from which all codes, law, and statutes are derived and based upon:

1. WORKMAN IS WORTHY OF HIS HIRE.

The first of these is expressed in Exodus 20:15; Lev. 19:13; Mat. 10:10; Luke 10:7; II Tim. 2:6. Legal maxim: "It is against equity for freemen not to have the free disposal of their own property." [from the public domain]

2. The second maxim is "Equality before the law" or more precisely, **ALL ARE EQUAL UNDER THE LAW.** (God's Law - Moral and Natural Law). Exodus 21:23-25; Lev. 24: 17-21; Deut. 1:17, 19:21; Mat. 22:36-40; Luke 10:17; Col. 3:25. "No one is above the law". This is founded on both Natural and Moral law and is binding on everyone. For someone to say, or acts as though, he is "above the law" is insane. This is the major insanity in the world today. Man continues to live, act, believe, and form systems, organizations, governments, laws and processes which presume to be able to supersede or abrogate Natural or Moral Law. But, under commercial law, Natural and Moral Law are binding on everyone, and no one can escape it. Commerce, by the law of nations, ought to be common, and not to be converted into a monopoly and the private gain of the few.

3. IN COMMERCE TRUTH IS SOVEREIGN.

This one is one of the most comforting maxims one could have, and your foundation for your peace-of-mind and your security and your capacity to win and triumph — to get your remedy — in this business.

(Exodus 20:16; Ps. 117:2; John 8:32; II Cor. 13:8). Truth is sovereign — and the Sovereign tells only the truth. Your word is your bond. If truth were not sovereign in commerce, i.e., all human action and inter-relations, there would be no basis for anything. No basis for law and order, no basis no accountability, there would be no standards, no capacity to resolve anything. It would mean "anything goes", "each man for himself", and "nothing matters". That's worse than the law of the jungle.

Commerce. "To lie is to go against the mind". Oriental proverb: "Of all that is good, sublimity is supreme."

4. TRUTH IS EXPRESSED IN THE FORM OF AN AFFIDAVIT.

(Lev. 5:4-5; Lev. 6:3-5; Lev. 19:11-13; Num. 30:2; Mat. 5:33; James 5: 12). An affidavit is your solemn expression of your truth. In commerce, an affidavit must be accompanied and must underlay and form the foundation for any commercial transaction whatsoever. There can be no valid commercial transaction without someone putting their neck on the line and stated, "this is true, correct, complete and not meant to mislead." When you issue an affidavit, it is a two edged sword; it cuts both ways. Someone has to take responsibility for saying that it is a real situation. It can be called a true bill, as they say in the Grand Jury. When you issue an affidavit in commerce you get the power of an affidavit. You also incur the liability, because this has to be a situation where other people might be adversely affected by it. Things change by your affidavit, in which are going to affect people's lives. If what you say in your affidavit is, in fact, not true, then those who are adversely affected can come back at you with justifiable recourse because you lied. You have told a lie as if it were the truth. People depend on your affidavit and then they have lost because you lied.

5. AN UNREBUTTED AFFIDAVIT STANDS AS TRUTH IN COMMERCE.

(12 Pet. 1:25; Heb. 6:13-15;) Claims made in your affidavit, if not rebutted, emerge as the truth of the matter. Legal Maxim: "He who does not deny, admits."

6. AN UNREBUTTED AFFIDAVIT BECOMES THE JUDGMENT IN COMMERCE.

(Heb. 6:16-17;). There is nothing left to resolve. Any proceeding in a court, tribunal, or arbitration forum consists of a contest, or duel, of commercial affidavits wherein the

ALL RIGHTS RESERVED WITHOUT PREJUDICE and All interpretations and definitions are those of the hand that wrote this.

MP *Sup* *NB*

points remaining unrebutted in the end stand as truth and matters to which the judgment of the law is applied.

7. IN COMMERCE FOR ANY MATTER TO BE RESOLVED MUST BE EXPRESSED.

(Heb. 4:16; Phil. 4:6; Eph. 6:19-21). No one is a mind reader. You have to put your position out there, you have to state what the issue is, to have someone to talk about and resolve. Legal Maxim: "He who fails to assert his rights has none.)

8. The primary users of commercial law and those who best understand and codified it in Western Civilization are the Jews. This is Mosaic Law they have had for more than 3500 years past which is based upon Babylonian commerce. This one is: **HE WHO LEAVES THE BATTLEFIELD FIRST LOSES BY DEFAULT.**

Book of Job; Mat. 10:22; This means that an affidavit which is unrebutted point for point stands as "truth in commerce" because it hasn't been rebutted and has left the battlefield. Governments allegedly exist to resolve disputes, conflicts and truth. Governments allegedly exist to be substitutes for the dueling field and the battlefield for so disputes, conflicts of affidavits of truth are resolved peaceably, reasonably instead of by violence. So people can take their disputes into court and have them all opened up and resolved, instead of going out and marching ten paces and turning to kill or injure. Legal Maxim: "He who does not repel a wrong when he can, occasions it".

9. SACRIFICE IS THE MEASURE OF CREDIBILITY (NO WILLINGNESS TO SACRIFICE = NO LIABILITY, RESPONSIBILITY, AUTHORITY OR MEASURE OF CONVICTION).

Nothing ventured nothing gained. A man must put himself on the line assume a position, take a stand, as regards the matter at hand. and One cannot realize the potential gain without also exposing himself to the potential of loss. (One who is not damaged, put at risk, or willing to swear an oath on his commercial liability to claim authority) (Acts 7, life/death of Stephen). for the truth of his statements and legitimacy of his actions has no basis to assert claims or charges and forfeits all credibility and right Legal Maxim: "He who bears the burden ought also to derive the benefit".

10. SATISFACTION OF A LIEN. In commerce a lien or claim can be satisfied in any one of three ways. (Gen. 2-3; Mat. 4; Revelation.).

By someone rebutting your affidavit, with another affidavit of his own, point by point, until the matter is resolved as to whose is correct, in case of non-resolution.

You convene a Sheriff's common law jury, based on the Seventh Amendment, concerning a dispute involving a claim of more than \$20. Or, you can use three disinterested parties to make judgment.

The only other way to satisfy a lien is to pay it.

Legal Maxim: "if the plaintiff does not prove his case, the defendant is absolved".

So, the tenth maxim of law is: A LIEN OR CLAIM CAN BE SATISFIED ONLY THROUGH REBUTTAL BY AFFIDAVIT POINT BY POINT, RESOLUTION BY JURY, OR PAYMENT. **ARBITRATION IS A LIVING PRIVATE OPTION USED BY TOO FEW/is returning**

Commercial Law is non-judicial. This is pre-judicial (not prejudice). This is timeless. This is the base, the foundation beneath which any government or any of their court systems can possibly exist or function.

That means what the courts are doing, and what all governments are ultimately adjudicating and making rules about, are these basic rules of Commercial Law. When you go into court and place your hand on the Bible you say, "I swear the truth, the whole truth, and nothing but the truth . . ." you have just sworn a Commercial Affidavit.

ALL RIGHTS RESERVED WITHOUT PREJUDICE and All interpretations and definitions are those of the hand that wrote this.

MD SWD NGA

It's the conflict between Commercial Affidavits of Truth that gives the court something to talk about, that forms the entire basis of its action, and its being there , in their venue. Hence, one of the reasons attorneys always create controversy.

No court and no judge can overturn or disregard or abrogate somebody's Affidavit of Truth. The only one who has any capacity or right or responsibility or knowledge to rebut your Affidavit of Truth is the one who is adversely affected by it. It's his job, his right, his responsibility to speak for himself. To issue his own affidavit because no one can speak it for him. Prior to the modern Crown trading platforms draining energy they do till now, the living and live life filled being (body man) was given promise of service as a Non-resident Settlor. Non-resident Settlor in our Tax law refers to trusts "offshore" or Foreign. The locational perspective of the legislator being Her Majesty the Queen in right of New Zealand (et al for whatever nation's corp govt) is from private tax-havens of this world (offshore). Thus we as soul and soil based indigenous entities have to be Settlers of "offshore" trusts, exempt of tax - once no longer a minor. "Resident" referred to @ pg10 and pg14

Greater (God) - as written on pg 1,5, 11, 17 above is my active casting-off of claims on "C" (creator) "thing", an imagined individual creator, instead raising true big picture, fusing lyric "-or" from Non-Resident Settlor. The word Greater holds relatability as big picture/space laid down (with trust) for us to remain curious beyond visual, monetary and programmed ideals - like that of the Jones's. Greater intends to be functional for Rebuttal 36.13 pg 15-16 "Presumption of inferior interpretation and belief", written for people whom attempt to joinder private perspective to me via tumultuous projections, needing broader calm.

The New Zealand Debt Management Office

The NZDMO is located within the Treasury department, on the fifth floor at number 1, The Terrace in Wellington Central. The NZDMO is in itself, a curious creature - requiring agreement to a very heavy disclaimer prior to one being able to officially enjoy the experience of their website. Visitors to the NZDMO website are apparently required to be; either officially recognised representatives of; or one of the following:

"A resident outside of the European Economic Area Acting as an authorised representative of:

- A legal entity authorised and regulated to operate in the financial markets such as an investment fund or insurance company...*
- A national or regional government, a central bank, an international or supranational institution, such as the IMF...*
- A legal entity that has over 250 employees; a total balance sheet of more than €43 Billion and an annual turnover of over €50 Billion.*

The NZDMO is an operating unit of the New Zealand Treasury responsible for managing the Crown's debt, overall cash flows and interest-bearing deposits.

The NZDMO was established in 1988 as part of the reform of the Government's financial management to improve the management of the risks associated with the Government's debt portfolio.

Regulatory Impact Statement

Exemptions for foreign listed issuers from climate reporting duties

This document is for NZX Foreign Exempt Issuers, their advisers, investors and other interested parties. It discusses tailored exemption relief from climate reporting duties for

MD SMD NOK

This Regulatory Impact Statement (RIS) discusses exemptions for foreign listed issuers in respect of New Zealand's new climate-related disclosures regime.

Foreign listed issuers make up a small subset of the approximately 180 entities that are classified as climate reporting entities under the new regime. Foreign listed issuers are entities that have their primary listing on an overseas stock exchange, and a secondary listing on the NZX.

Without an exemption, these entities will need to comply with the New Zealand regime as well as the climate-related reporting laws in their home jurisdiction or home stock exchange requirements.

The Financial Markets Authority – Te Mana Tātai Hokohoko (FMA) believes the exemptions will help 'right-size' the compliance obligations for foreign listed issuers, and help them to continue participating in New Zealand capital markets – while at the same time ensuring climate-related information is available to New Zealand investors to support good decision-making.

This RIS summarises the problem we are seeking to address, our objectives, the options and their associated impacts, and the consultation process we undertook before deciding to grant the exemptions. Our analysis of whether to grant the exemptions was based on the statutory test that applies to use of the FMA's exemption powers. We must be satisfied that the exemption would promote one or more of the purposes of the Financial Markets Conduct Act 2013 (**FMC Act**). We must also be satisfied that the extent of the exemption is not broader than reasonably necessary to address the matters that gave rise to the exemption.

Exemptions granted

After careful consideration of both regulatory and non-regulatory impacts, we have decided to grant class exemption relief for foreign listed issuers. The relief comprises a five-year exemption for each climate reporting entity that has a primary listing on a recognised foreign exchange¹, is a large listed issuer² and is an NZX Foreign Exempt Issuer (NZX FEI)³ – except any entity that is incorporated in New Zealand. The relief applies to all climate reporting, assurance and record-keeping duties in Part 7A of the FMC Act:

- in respect of an accounting period where the NZX FEI and its subsidiaries do not have significant business operations or investments in New Zealand during that accounting period; and
- in respect of an accounting period where the NZX FEI and its subsidiaries do have significant business operations in New Zealand during that accounting period, if there is already a climate reporting entity in the NZX FEI's group undertaking climate reporting for the NZX FEI's New Zealand business.

¹ Australia; Toronto; Hong Kong; Singapore; London; and the NASDAQ.

² Market cap over \$60 million

³ A full definition of NZX FEI is at page 18 of the NZX Listing Rules

Our govt corporation, a foreign listed issuer moved countries (above mentioned foreign listed Issuer) from USA SEC to favourably biased stock exchanges – found on reading footnote 1 above incl London - pg#3).

Our corp government in London and their Secondary listing – Air New Zealand – on the NZX exempt themselves from climate change regime regulations.

This follow-the-money thread is no shock, nor is it appropriate/requisite for life. My illustration displays what was maintained by running a worn hamster wheel. Showing what drags us back from meaningfully engaging day to day, souls lost splayed globally by decimal number and NAME leverages. Put Birth Cert# or Tax number XXXX XX XXXX into Fidelity's webpage to see fiction Bond (age) funds created with our FULLCAPs name.

Our money/addiction/harm system - spiritually rotten - invites SUICIDE RATES on our soil, and brains to shut off. Our subconscious never needed my written Key; these pages only clean superficial lense. The work and solutions-based pathways will be unique for each of us. Tools to gather our energy back, become private officially, self governance waiting.

NOTICE - Surities detaching from global fictions:

Debt Leverage unraveling. Fraud Admiralty debt instrument Birth Certificate - Hospital creates a Minor on tampering with Fathers orders - has been acknowledged by USA GOVERNANCE, accepting FULL ACCOUNTABILITY; AFFECTING UCC (Uniform Commercial Code) GLOBAL TRADE MARKET - built on legal fictions.

Detached movements occur now by native and conscious automobile admin, new labelling - and sharing - of true law (aided by an emergence of modern hard collateral):

When we claim our JOHN DOE, we pull at the company facades. The responsibility shift (dollars) is immense. Mortgages (paid by contract to the corporate model) will cease being smirk-making cause for enslaving neighbours and countrymen.

A mention to the next chapter upon detachment from bondage - the basis for this document - comes thanks to Te Ture Whenua Maori Act 1993, a decentralisation tool from coloniser to local administration. Action genuinely occurring, thanks to Hohepa Mapiria, English Westminster confirmations and King William IV opens lawful interpretation and perspective (use) of patented word for refreshing, heart-based purposes past borders. Synchronising with today's independent media platforms and other energertic shifts. WHARIKI business collective is one such example.... read their Ts and Cs!

Native land - these fingers typing - articulated by energy most high, we remind you from our form we are one of the people protected and immune from criminal or civil liability or both (cf. s381(2) Criminal Procedure Act 2011)
