Re Val #2153312200 & Val # 2153312201 – Alleged Overdue Accounts - WDC

**Notice of Direction**

**Notice to Agent is Notice to Principal and Successors**

**Notice to Principal is Notice to Agent**

To Emma Linton – Debt Management Officer – Debt Management Central  
To Peter Lord – Debt Management Officer – Debt Management Central  
To Jeff Millward - CEO – Waimakariri District Council  
To Lee Palmer – Credit Controller – Waimakariri District Council  
To Maree Harris – Customer Services Manager

We have previously served four (4) Affidavits on the Waimakariri District Council (WDC), they remain unrebutted and are posted on the Public Notices Website – please see QRcodes overpage.

WDC noted that they had received our Bills of Exchange (delivered on 8 October 2025) and that these were a form of payment yet unacceptable to them.

It appears that the WDC has problems processing these Bills of Exchange (BOE).

The Local Government (Rating) Act 2002 binds the Crown, so please advise who we present these BOE to – is it WINZ, or the Minister of Internal Affairs, or someone else. Please forward to the relevant processing party and advise when this is done. To avoid further confusion, please advise who to send our BOE to in the future.

I note the Local Government Act 2002 does not Bind the Crown, only selected parties. Please refer Local Government Act 2002.

Send any and all responses by 17 April, 2026 to
