

For Man - all men and women - who are getting their necessities of life from the land known as Aotearoa or New Zealand and the rest of the Earth

The contents within this **Affidavit dated 17.07.26**, received by staffer Oonagh doing business as THAMES COROMANDEL DISTRICT COUNCIL corporation, binding her heirs and successors and every staffer of any description doing business within all NZ Government Agencies, has established the facts with evidence and remedy that is unrebutted therefore agreed by all professionals directly and indirectly within the THAMES COROMANDEL DISTRICT COUNCIL as shareholders and subject to the same policies and statutes, pseudo law ideology as S overreign Citizens of the NZ Crown

It has become apparent that the Acts used i.e.

- The Local Government Act 2002 and
- The Local Government (rating) Act 2002

were not complying with what they are subject to such as:

The NZ Crimes Act 1961 - Sections 240, 242, Section 98 (1)&(2), Sections 256, 257, 258, 259, 260;
The NZ Legislation Act 2019 - Section 13, 16.

This covers false identities of artificial entities such as 'person' of any description all known as - the crown, a corporation sole, a body corporate and an unincorporated body.

We have clarified the stratagem used by all Government staffers, by MPs, by Judicial Officers and by Police is ignorance, along with phrases such as 'that is Sovereign Citizens beliefs' ideology etc. This is when the topic is a matter of law.

This has provided sufficient evidence that the staffers, agents, contractors, privateers within NZ Government are operating in ignorance relying on their claim of right

- to avoid liability,
- to give themselves unlimited power,
making them lawless due to their recklessness and malfeasance, as we have evidence of and have had acknowledgement via acquiescence through silence, and so we have agreement that these unprofessional actions are taking place.

This is evidence the staff, officers, CE, MPs are a serious threat to every fellow living breathing man and woman of any description that is not a fictitious entity known as a 'person'.

This is criminal action of intent to cause loss by deception, refer to

- The Births, Deaths, Marriages and Relationships Registration Act 2021
- Interpretations - a birth includes stillbirth but does not include a miscarriage.

Thus granting the staffer a warrant to administer and have dominion over the affairs of another through fraudulent, fabricated documents presented to our fellow living breathing man. This is evidence of intent or of recklessness to impose the forbidden actions of servitude and debt bondage.

NB: 'includes' in legalese means including what is specified, but excluding all else!

NB: No living breathing man of any description has a 'Date of Birth', (but rather a born day!)

If no contract then it's evidence of the forbidden actions of servitude and enslavement!

This brings into question the intent of the NZ corporation claiming to be sovereign over all 'persons' of any description; this is evidence of coercion and deception; 'persons' are only artificial entities being imaginary creatures of the author's mind only.
