

Directive to all local, regional, central government bodies

Reference: The District Court at Thames/Parawai - File Number: 20260526-1

We are not **persons**, because if we were we would be the Crown property and we are not!

If you knew the power of the local authorities is gained through your identity as person, date-of-birth and signature would you want to know how to change this?

This has been achieved through the affidavit dated 26th May 2026, defaulted on 13 July 2026, that has been clarified as truth and judgment, without dispute, by Thames Coromandel District Council staffers/agents, and affirmed by New Zealand Justice (refer QR code below):-

- a) **Person** as described in **NZ Legislation Act 2019 Section 13 - person 'includes'¹ a corporation sole, body corporate, unincorporated body.**
This is to coerce and deceive living breathing men and women (known as man) to be a **person** is a fraudulent, reckless action leading to malfeasance.
- b) **Date of Birth** as described in **Births Deaths Marriages and Relationships Registration Act Section 4 - Birth 'includes'¹ stillbirth, does not include a miscarriage.**
This is to grant the organization administration over your affairs as you are presumed a stillbirth, removing your ability to contract and self-determine.
- c) **Signature** is artificial, created by art; the definition of artificial is used to describe things that are made or manufactured as opposed to occurring naturally.
- d) This is evidence the requirement for a persons name, date-of-birth, signature is misleading with the intent to coerce and deceive, to obtain by deception, their unlawful administration and authority over living breathing man.
Reference Crimes Act 1961 Section 240, 242, 258, 259, 260 binding all NZ Corporate entities and agents in their full private and commercial capacity.
- e) You and the agents **are only living, breathing man**, with the ability to self-determine and to contract and we are all accountable for our actions.
- f) Man has **dominion**. Any actions of servitude, serfdom, and debt bondage are enslavement and will not be tolerated.

**You now have evidence you are NOT the identity of person, nor a stillbirth, nor artificial.
You are alive, you have dominion, you verify or affirm.**

- Any actions of malfeasance by any agent, will result in being dealt with - as believed reasonably necessary - on the grounds you are a serious threat to every living, breathing man and woman of any description that your reckless actions are being imposed upon;
