Statement of Facts of Current Position and Standing With Verified Proof

I, Janine of the Royal House of Arabella and Walters (Crown-Janine as my lawful title, Janine as living woman) being of sound mind and over the age of consent with full lawful authority make all of the following statements:

1. That I, Janine on 19th day of July 2024 and 20th day of August 2024 and 19th day of September 2024 won Immediate Summary Judgement in the High Court of New Zealand on 4 Admiralty Statements of Claim against all the Crown Corporations of New Zealand and ASB BANK and ASB HOLDINGS and Western Bay of Plenty District Council with lawful right to lay same charges to all other banks and councils and corporations on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations. My original goal was only to lay charges against HEALTH NEW ZEALAND and Crown corporation and their officers and ministers for forcing/co-ercing everyone living in New Zealand to take an untested MRNA vaccine where evidence was provided of the first vaccine death and their own public notices stating vaccine was not effective at same time they were promoting in media the vaccine is "safe and effective". An un rebutted liability charge of one million dollars for every man, woman and boy in New Zealand and for harm caused for death, sickness occurring from vaccine reaction or changes to DNA and loss of livelihood and taking away man's ability to choose. During this process evidence was gathered of the absolute corruption and fraud of the system where the corporations were charging and making the people liable for their own debt and everything in place for full private property takeover in New Zealand, so due to being placed in lawful position of Crown, Commander-in-Chief over the Crown corporations have been actively working on addressing all of these factors holding those accountable for harm with solutions of remedy and to stop and prevent further harm from occurring; and
2. That on the day of Summary Judgement 19 July 2024 Nicola Willis the Minister of Finance was hand delivered the Summary Judgement Documents and 4 Bills of Exchange with one hour to cash and place into my chosen bank account where I offered a partnership with the New Zealand government with fifteen orders to be complied with for the good of all men and women living in New Zealand. **(see Exhibit B)** These orders included interim plan reducing income tax to ten percent, property rates to \$1000, cease of fuel and road taxes, fines only enforceable if harm occurred to stop intentional revenue making. Within one hour of receipt of summary judgement documents and 4 bills of exchange Kiwibank and ASB BANK were shut down trading for the rest of the day. At the same time Nicola Willis in conjunction with officers of ASB BANK and KIWIBANK stole trillions from me the claimant of funds that were going to be paid out to all men and women living in country New Zealand. Nicola Willis actually had the banks shut down trading while this occurred for the full working day to try and cover up these actions. Christopher Luxon prime minister who was present in meeting with Nicola Willis at time of receipt of the 4 bills of exchange with evidence of involvement including media announcement 22 July 2024 appointing Lester Levy as commissioner to run Health New Zealand as direct response to the claimant Janine being lawfully in charge of Health New Zealand from 19 July 2024. This would have also been done in conjunction with The Treasury and Reserve Bank of New Zealand where Adrian Orr was governor of the reserve bank and Caralee McIlesch CEO of The Treasury and Iain Rennie, The Treasury CFO. Written on each Bill of Exchange was the following "in the event of non-payment and non-honouring of the instructions of this Bill of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the debtor Corporations and seize any assets until paid out in full with ten percent per week added accruing penalty interest with the lawful right to go after the parent or successor corporations" where due to greed and arrogance of stealing the funds due to all men, women, boys and girls living in this land (except those who have done harm), the Crown government corporate system fell, where with full lawful rights I stepped in as Crown, Commander-in-Chief over the Crown government corporate system and Crown Jurisdiction and Admiralty and Maritime Jurisdiction where myself and Crown-Frederick appointed by me are the only ones who hold authority and jurisdiction to add, amend and delete New Zealand Crown law, see **Exhibits B to O**; and
3. That on the day of completion of full summary judgement where all certificated un rebutted commercial liens presented in the High Court were overdue by at least 90 days on 19 September 2024 and non-honouring and theft of money due on

19 July 2024, I, Janine was able to step into full authority as the Crown and Commander-in-Chief over all the crown government corporations and had full authority to change the jurisdiction of New Zealand and Aotearoa back from the Crown Corporate and Admiralty under the Jurisdiction of Almighty God the creator of the heavens and the earth and man where man was given dominion on the earth according to Genesis Chapter One verses 1, 26 and 27. God created man, (man stands for male and female), man created corporations where a corporation can never have control over a living man or woman. From summary judgement man was restored back to his rightful place. The corporate law is only over persons. 'Person' is defined in definition. Man is living, a person is a dead entity corporation. The New Zealand crown is a corporation and its subjects are junior corporations under its control or its employees. This is the heart of the corruption of the corporate system designed to trick men and women into being persons and subjects of the corporate crown; and

4. The New Zealand flag represents the corporation of the New Zealand Crown, of which I became the lawful Crown over the corporation and remain the head of the New Zealand Crown corporation. A new flag was designed by me to reflect the lawful change of jurisdiction to the Kingdom of God here on earth for man living according to the standards set by God being the ten commandments and the two greatest commandments found in Mathew chapter 22 verses 36-40 Love the Lord your God with all your heart and soul and mind and love your neighbour as yourself. The Flag of the United Kingdom of God shown at the top of this letterhead was created on 10 October 2024 and copy and trade marked on 18 October 2024 with trademark record CR925638805NZ by me, Janine of the House of Arabella and Walters. The flag of the United Kingdom of God and its constitution were placed on publicnoticesnz.com holding lawful jurisdiction from 10 October 2024 as per its constitution where all men and women living in New Zealand hold lawful right to remove themselves from governance under the Crown Corporate system and stand under the governance of their creator where the word of God is our guideline and judge. According to Ephesians 1:20,21 the Son of God Yeshua (Jesus Christ) is the King and Governor and Ruler (King of Kings) and we all come under Him. Our Father the Creator God raised Yeshua from the dead and seated him at his right hand in the heavenly places, far above all rule and authority and power and dominion, and above every name that is named, not only in this age but also in the one to come. The values of the Kingdom of God are clearly defined in the flag constitution of Love our Creator, Love our neighbour as ourself and do no harm where each man or woman has full right to charge anyone who does them harm with restorative justice in place if each takes full accountability for one's own actions. There is a justice and law system, an education system, health system, financial system and community model and constitution are in place for the Kingdom of God here on earth, where living men and women and communities of living men and women now hold the lawful rights to govern themselves under the Kingdom of God. This constitution can be found on publicnoticesnz.com and the company NOWFREEDOMFORALL as being the company above all companies due to its rightful owner, me Janine being the Crown over the Crown companies due to my lawful standing, **see Exhibits R and S**; and
5. That due to change in Jurisdiction on 19 September 2024 courts required being set up under this jurisdiction which overrides all other jurisdictions. The **Royal Court of New Zealand** and **The Highest Court on Terra Earth** came into existence and were created on 20 September 2024 with the first court hearing occurring on 6 December 2024; and
6. The fraud in the loan and mortgage documents has also been fully exposed where summary judgement was won first against ASB BANK, then Reserve Bank of New Zealand, The Treasury, Kiwibank, BNZ, ANZ and Westpac. Lawyers and the Police and Real Estate Companies and Judges and Registrars are also held accountable for their actions of forcing mortgagee sales and forcefully removing people from their homes where nothing of substance was ever loaned, the banks never co-signed these agreements, fraudulent joinder using with corporate fiction names where anytime fraud found contracts made null and void. The whole crown corporate system and admiralty system and banking system is based on fraud and is in process of full collapse; and
7. In the Summary Judgement dated 19 September 2024 due to non-honouring of orders and instructions made on 19 July 2024 updated Order Notices and Instructions dated 10 October 2024 were sent out and received by all councils all debts were cancelled backdated to 19th of July 2024 over all men and women living in land known as New Zealand including personal taxes and property taxes/rates due to evidence presented in court summary judgement showing are all fraudulent, past student debts cancelled, and outstanding fines and fraudulent mortgages which is every mortgage as none were signed by the bank or finance company, no debt ever existed as money was created from the wet ink signature of the signer, they were never co-signed and were on-sold without the knowledge of the customer, so were never valid agreements and any other fraudulent debt charges. Inland Revenue and all the councils and banks and the courts and

police are still trying to enforce these and are committing criminal offences plus are commercially liable of one million dollars for every single event of harm that has occurred from this time, plus for removing people from their homes, plus for any event of harm occurring against any man, woman, boy or girl. I have evidence of many cases where the police and councils and banks are playing the heavy hand against the people for trying to enforce these already cancelled charges and fines where they are actually forcefully removing people from their homes and aren't even obeying their own rules and laws and committing crimes to do so; and

8. That as the council corporations sat under the Crown government corporations as subsidiary corporations they also became liable for the commercial charges of harm against the crown government corporations and were also held accountable for their actions of placing their debts over the men and women so due to already having summary judgement over the parent corporation where orders and liability notices went out to every council corporations between 10 October and 23 October 2024 with proof of receipt, with two charges in place – first a charge of harm for making the people debt slaves and placing on them a debt that was never theirs without their knowledge or consent and for forcefully controlling the people by deceit, plus second for adding fluoride into the water where evidence provided that fluoride is a known poison causing cognitive decline with a one million dollar charge for every man, woman boy and girl living in their area; and
9. Court orders were put in place for payment. As the debts of the corporations were higher than the asset value of each corporation they were all considered insolvent and lawful processes commenced to initiate formal insolvency. The commercial liens and proof of the trust and protection of the assets was entered into the public record and can be found on the following link on the public notice board: <https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/>; and
10. The officers, ministers, chief executive officers, mayor and councillors of council and crown corporations were informed what their debt was to the men and women and their families living in this country for actions of harm and due to either inability to pay or refusal to pay all council and crown government corporations were liquidated on the 18th day of December 2024. The property assets ownership was transferred into **Janine and the People's Irrevocable Trust** where all the men, women boys and girls of this land are the beneficiaries. The reason this was done was to protect the people and the assets in each area from being sold as well as private property for everything was in place for full private property takeover in New Zealand. The CEOs and Ministers were sent notice to provide the financial operational records of all public and private ledgers. The CEOs and Ministers refused or ignored and as a result they were made insolvent at a court hearing on the 17th day of January 2025, where they are no longer able to be in positions of authority and will not be able to until his or her insolvency has been cleared, where I am the only one who holds authority to clear their insolvency and forgive their debts, where all are held accountable for their actions where if full responsibility taken to stop and undo harm they can step back into honour; and
11. As all council and crown government corporations were made insolvent on 18th of December 2024 any and all financial operations including selling of assets are unlawful since that time. It is noted here for public information that Christopher Luxon was made insolvent on 14th day of December 2024 and is not able to hold office or any positions of authority since this time, with no decisions or actions made since this time being lawful and can be overturned. All other ministers made insolvent on either third or tenth or seventeenth of January 2025 and all offices of the ministers also made insolvent including attorney general and governor general due to personal liability of all ministers who had the opportunity to step back into honour and chose not to. Any decisions that have been made since any corporation or minister or officer became insolvent are null and void; and
12. The public is also informed that the Waitangi National Trust Group, Waitangi National Trust Board and Waitangi Limited became insolvent on the tenth day of January 2025. The positions were filled as follows: Janine of the Royal House of Walters sits in the position of Office of Prime Minister, and Office of Minister of Finance, Crown in Right of New Zealand and office of Parliament incorporated. Frederick of the Royal House of Stewart sits in the position of the Offices of Attorney General, Governor General, Supreme Chief Justice Ministry of State Owned Enterprises and Ministry of Maori Development and the position of Office of Minister for Arts, Culture and Heritage, until such time the Waitangi National Trust has been fully resettled. The Royal Assignor Crown-Janine holds all other positions as the Statutory manager until such as time that a man or woman can step into this role with full accountability to act in the best interests of the people; and

13. I, Crown-Janine as Royal Assignor, Statutory Manager, Registrar and Sheriff over all entities made insolvent and travelled around the country in January, February and March 2025 to visit each office as Statutory Manager where the officers and principals and agents have been informed that any charging of taxes and rates are unlawful since 19 July 2024 and any rates charges and property transfers or sales that have occurred since 22 October 2024 are unlawful where the officers who have authorised any of these to occur are criminally and commercially liable for these actions involving fraud and theft and money laundering. It is acknowledged that the whole system that has been set up in New Zealand is based on fraud and deceit. The remedy is in place with a new system being implemented where full accountability is in place and there is sufficient funds to cover everything based on only 2% transaction fee charge, where everything returns to service provision to communities and no longer revenue making for greed and control; and
14. Each council was provided a direct order to stop placing fluoride in the water. The men and women in every area of New Zealand have clearly expressed that they did not want fluoride added to their water and they were ignored. Councils are supposed to exist to serve the people and the community, not do them harm. The ministers of parliament are now insolvent as well as Diana Sarfati the previous CEO of Ministry of Health who gave the directive to add the fluoride. As the Royal Assignor I sit in that position as well as the Office of the Minister of Health and Frederick of the Royal House of Stewart is sitting in the office of Attorney General due to Judith Collins now being insolvent with full lawful rights of add, amend and delete laws and directives where harm or fraud or deceit is occurring; and
15. The Courts were also made insolvent on 10 June 2025 due to operating using fraud, deceit and trickery. **See exhibit LL** The only lawful courts in operation in New Zealand since this time is the **Royal Court of New Zealand and The Highest Court on Terra Earth** which operate out of the jurisdiction under Almighty God which overrides all other jurisdictions. Officers and Agents for the Police and Courts and Crown corporations have continued to try and create fraudulent joinder with the corporate fiction names in all capital letters on driver's licenses to trick men and women into contract to take charge over them. It is noted that since this time that bills coming from courts, councils, police, new zealand transport agency, IRD and all other crown corporate departments have changing from all capital letters to title case as another form of trickery and deception. All crown law is corporate law where there is only control over corporations and persons, not man or woman. The jurisdiction was lawfully changed from the corporations back to under our Creator where a corporation can never have control over a living man or woman without their consent. Control can only be taken over a living man or woman if there is evidence and proof of harm. As we are now under the Jurisdiction of our Creator, fortunately there is remedy for those who are willing to take responsibility to stop and undo harm. The lawful jurisdiction in New Zealand is now the Kingdom of God, the ten commandments and Love our Creator, Love our neighbour as ourself and do no harm, plus the measure you judge will be judged back to you if not taking full ownership and accountability of wrongs. The new system and Governance has been in place since 19 September 2024 where as Crown Commander-in-Chief I held full lawful rights to change the jurisdiction and proclaim the Kingdom of God and constitution of the Kingdom of God here on earth and the land commonly known as New Zealand or Aotearoa. This has been well publicised on websites publicnoticesnz.com and companies.govt.nz and nowfreedomforall.com websites; and
16. All officers and agents for the bank and crown corporations are now being held fully accountable for their actions. They have been operating out of legal corporate law which only has control over corporations, and since all are insolvent are trading recklessly without any authority where all actions unlawful. The difference between legal and law are clearly defined here. Legal is only over the corporate legal fiction names as created by the birth certificates and driver's licenses, where a corporation's main purpose is making money and corporation officers and owners have now gone too far with greed and control now causing harm. I state clearly here that anything legal involves fraud and deceit and has been nullified. Lawful is only under the laws of God of do no harm. The bible is the only recognized book in the courts and overrides all other manmade acts and policies; and
17. All of these events and actions placed me in a position above the crown corporations and corporate law as the Crown and Commander-in-Chief with full authority to change the jurisdiction of the land of New Zealand and Aotearoa which encompasses the whole world (see Waitangi endowment act under Almighty God the Creator of all man and the heavens and the earth who all are accountable to; and
18. Through un rebutted undefended summary judgement there is a lawful one million dollar commercial charge per event per day for every man, woman boy or girl that are harmed in any way until the harm is undone for any action of harm by a

corporate agent or officer and to the corporations they represent. The only corporation that was provided any authority to continue was the NEW ZEALAND POLICE who were ordered to stop intentional revenue making and commissioned to uphold the peace and serve the community, however they have forfeited this role as not stopping harm occurring to men and women and have not actioned the arrests from writ orders for all the officers and ministers acting on behalf of the insolvent corporations involved in theft of homes, cars and other property, kidnapping, human and child trafficking, pedophilia and slavery and debt bondage and also have evidence of murders committed to cover up unlawful actions;, and this contract is able to be provided to others; and

19. The main charges to the officers and leaders of the Crown and Council and Bank and Pharmaceutical Corporations with un rebutted evidence presented were intentional acts of reducing or destroying of the natural food supplies, adding toxic substance into the water that is known to cause cognitive decline, intentional weather manipulation causing flood and draughts and sunlight reduction, intentional environmental manipulation using spraying, HAARP technology and spraying affecting the air and soil and roll out of high density 5G with radiation exposure to all living men, women and living creatures, intentional introduction of MRNA gene technology in men, women, boys and girls, animals, plus food supplies and medication when research showing that MRNA and gene technology does change DNA, co-ercement of the whole population to take an unproven vaccine that has now been identified as a health and safety hazard where the government and pharmaceutical companies are now liable for all deaths and associated medical problems plus for loss of livelihood of those who were mandated out of their jobs, plus intentional control by the corporations making every man, woman boy and girl debt slaves using fraud and deceit tricking man into being 'person' which is a company to trick into being subjects of the Crown corporation, making man liable for the crown corporation debt which is a debt that did not belong to them, unlawfully charging property rates and taxes to men and women using fraud and deceit, full exposure of mortgage fraud where money created out of nothing as credit using the signature of the lender then charged them a debit which means charging them twice plus interest for a loan that never existed where all banks complicit including Reserve Bank of New Zealand and The Treasury, unlawfully removing people from their homes using fraud and deceit, and unlawful sales or transfer of council or crown properties, with everything in place to implement Agenda 2030 which includes full private property seizure and take over in New Zealand, where I hold proof and evidence of this and had this presented in summary judgement High Court documents; and
20. That, I, Janine as Crown and Commander-in-Chief placed the courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporation and their officers are held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman; and
21. All corporate government and corporate law is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments and corporations cannot exercise the power to expunge commercial processes. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor which means that his/her property becomes forfeited as a pledge to serve the lien which means he/she becomes liable for these liens; and
22. That it is against the law for a Judge or Registrar to summarily remove, dismiss or dissolve a commercial lien, so every single one of the liens that I, Janine the Claimant put in place all remain and stand as truth in law and commerce, and remain on the public notice board. Sanjai Raj the Personal Properties Securities Registrar (PPSR) operated against the law and is now liable for criminal charges and due to having no lawful right to remove the liens off the company website where they remain in place on public notice board as well as UCC filings. Sanjai Raj holds full liability and has now been made insolvent and had the title of Registrar stripped from him on 14 January 2025, where as the Royal Assignor and Statutory Manager I now hold lawful authority over the Companies Office and Insolvency Office and Courts as Statutory Manager as well as title of Registrar and Sheriff with authority to issue warrants for arrest of officers and ministers in

contempt of the orders in place with criminal charges for actions of harm against the people; and to ensure all insolvent debt is accounted for of each corporation and now unlawful sale of assets; and

23. The jurisdiction of God allows a path for remedy and restorative justice. I do have remedy and a solution and willing to work with each officer and minister with the crown and council corporations if they are willing to step into full accountability to undo any harm caused. As the officers, mayors, councillors, and ministers have not complied taking action to remove harm there are warrants issued for their arrest due to the serious natures of their crimes, where they will be trialed in front of a jury of odd numbers, **See Exhibits ZZ, AAA, BBB and CCC for remedy of new system**; and
24. All officers within the police are informed that the jurisdiction of Almighty God and the Holy word of God overrides their jurisdiction and they have no authority over living men and women without his or her consent and can only step in with proof of actions of harm, and any officer who steps in to take charge over a living man or woman will be charged with the crimes in Crimes Act 1961 as acting as agents for the Crown bringing attention but not limited to sections 48 self defence, 62 excess of force, 55 defence of dwellinghouse, 56 defence of land or building, 98 dealing in slaves, 108-116 perjury and bringing false charges or conspiring to defeat justice, 240 obtaining or causing loss by deception; where have called the police back to standing by the people to stop intentional actions of harm and ensuring officers know that as the Statutory Manager of multiple insolvencies plus Registrar and Sheriff I have lawful right to seize property and assets of these who have been made insolvent for doing harm, particularly where Chris Luxon and others trying to sell off the previously owned crown and state assets which are now owned by Janine and the People's Irrevocable Trust on behalf of every man, woman, boy and girl living in New Zealand; and
25. The covid-19 was identified as a health and safety at work hazard by me in October 2021. A business has a duty to ensure that the health and safety of persons are not put at risk from work carried out by the business. (Section 36 of the Health and Safety at Work Act 2015). The mandated covid-19 vaccine has been identified as a potential health and safety risk. This evidence has been presented in the High Court of New Zealand in March 2024, and as it has been presented and un rebutted it is now identified as truth in law and must be complied with. See the following article put out by the Florida government news room: <https://www.floridahealth.gov/newsroom/2023/02/20230215-updated-health-alert.pr.html>
26. As governments overseas including the New Trump administration have recognised that the vaccine is a health and safety hazard this is now recognised worldwide where the Royal Court of New Zealand under the Jurisdiction of Almighty God has also recognised the covid vaccine as a health and safety hazard. President Trump has already publicly declared that we are now under the Jurisdiction of God on day one of his presidency, as have many other international government bodies. The control of the banking and pharmaceutical and crown corporations is now over where everything was money driven rather than the best interests of the people. The inalienable rights of the people were restored on 19 July 2024. All men and women have right to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies.
27. All employers and boards and licencing bodies and medical practitioners were informed in writing in January 2025 had a duty to provide information and training to past and present employees and health professionals and patients that are or were under their care of the exposure and potential harm to the persons put at risk through the covid-19 vaccine. Due to failure to carry out their duty of care and stop harm commercial charges were laid and each one of these organisations made insolvent on 8 April 2025. It is also a criminal offence to not train employees and health professionals and medical practitioners that were registered and licensed by your organisation of exposure to risks; and the Police are required by law to ensure this is enforced. (Section 9 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016)
28. NOTICE and issue of arrest warrants was provided to all Police Departments, district commanders, and officers within NEW ZEALAND POLICE Confirming All Councils and All Government Crown Corporations and their CEOs and ministers in New Zealand are Insolvent and the insolvent CEOs and Mayors and Ministers are Required by law to report to Royal Assignor and Statutory Manager where the police have acted in dishonour forfeiting their role as servers and protectors, and hold the lawful right to contract this work to others, where the police required to cover all expenses of the work contracted out to others with immediate payment due upon producing of a bill from the contracted provider; and

29. That as Crown and statutory manager none of insolvent corporations and their officers hold any authority since insolvency to sell off or transfer any assets, change name, amalgamate or appoint any successor or take any action without my written authorised authority with any and all actions taken since the time of insolvency being unlawful; and
30. The offices of Auditor General and Supreme Chief Justice were also taken over due to non-complying with the orders and instructions. The latest bill is attached in **Exhibit A** of what is owed by the crown corporations
31. Here is a list of all orders provided to date -**see Exhibits T, Y** :
- i) Immediate removal of fluoride and sewerage or any toxins and poisonous chemicals out of all drinking water supplies for every community of men/women and their families and animals plus stopping of harmful chemical going onto plants material that is consumed by living man/woman and animals within New Zealand,
 - ii) That all orders and decrees in 7 page order by Janine dated 23 December 2024 must be complied with **see Y**,
 - iii) All men/women, farms, homes, animals and food supplies are protected and crown agents and officers of the crown or banks no longer able to enter private home or farm properties, where a farm is defined as any property that is growing food for use by men/women/boys/girls or animals,

 - vi) that all food, drugs and drinking products must provide a full list of all ingredients and any products that has listed an ingredient that known to cause harm that product must be pulled immediately from the market,
 - vii) That Crown law is only over person and employees and agents of the Crown, where no law or act or policy or order or instructions can delivered, added, amended or deleted without written permission of Crown-Janine or Crown-Frederick where three sets of standing orders were released and gazetted on 22 January 2025, 21 April 2025 and 10 June 2025
 - viii) that all New Zealand Crown government corporations remain under full Statutory Management by Janine of the Royal House of Walters and Arabella and Frederick of the Royal House of Stewart until full removal of the fraudulent crown and admiralty system with all insolvent courts and corporations ceasing to trade with formal handover of all assets to Janine and the People's Irrevocable Trust having trustees as Crown-Janine and Crown-Frederick where since 19 September 2024 all men and women have the option of standing under the governance of their creator and the constitution of the Kingdom of God here on earth holding supreme authority where the crown corporate structure has collapsed under the supreme statutory command of Crown-Janine and Crown-Frederick looking out for the common good of all and only other current option is under Maori Government. All men and women required to be given full disclosure to provide informed consent of what they choose and elect here for governance on the land commonly known as New Zealand and Aotearoa. No election vote will stand without informed consent. If men and women were informed that the Crown and government was an insolvent corporation trying to make them liable for their own debt with many other corrupt agendas, plus heard that this same crown corporate government stole trillions of dollars on 19 July 2024 that was due to be paid to all men and women living here, they would remove their vote knowing that they are not acting in the best interests of all men, women, boys and girls living here. The political party system was designed to keep a nation divided over differences of opinion, whereas we can all unite with shared agreed values of Love our Creator, Love our neighbour as ourself and do no harm where communities can run themselves.
